SOPHOMORES MAY DO AWAY WITH HAZING

Meeting Held Late This Afternoon to Consider the Matter—Several Freshmen Given a Mild Touch Saturday Night—Classes and Lectures Begin Today

Late this afternoon a meeting will be held at the university by the sophomore class to consider a resolution to abandon hazing. Last year the initiation of freshmen was kept up for three weeks. Many of the cases were severe. The class this year do not want to have the annual ceremony continued so long or so severely, though Saturday night light hazing occurred on a few chosen "fresh" men, which the leaders say ended the traditional custom.

So light were the applications Saturday night that many of the freshmen actually say that they enjoyed it as much as their persecutors.

The sophomore class, when freshmen, passed such a strenuous performance that they do not care to inflict it upon any one else. Possibly the number of freshmen this year has something to do with it, they being twice as numerous as the class of '09.

CLASSES BEGIN.

This morning classes and lectures in the university opened with a much better attendance than any previous first Monday. This year, it may be safely prophesied, will be most prosperous, the equipment having been increased, the faculty improved, and more students. The greatest advance has been made in the laboratories, shops and library.

PORTLAND MAN BUYING LANE COUNTY TIMBER

S. A. Brown Securing Several Thousand Acres East of Cottage Grove and Walker - Deeds for Over 1100 Acres Just Filed For Record. Land in Township 20, 2 West

S. A. Brown, a Portland capitalist, is purchasing a large tract of timber land east of Cottage Grove and Walker. Saturday deeds were filed for record conveying 1174.75 acres to him, but he has secured and intends to secure many times that amount. H. T. Dow, a well known local timber cruiser, is Mr. Brown's representative here and has been at work on the deal during the entire summer. It is said the purchases are being made simply for speculation. Those who have sold their holdings and the number of acres by each, according to the deeds just filed, are as follows: W. W. Haines, 337.89; Mrs. Rebecca Bordeaux, 100; Albert S. Funk, 154.60; Booth-Kelly Lumber Co., 80; Marie Hansen, 42.17; Hugo Brehm, 100; Mrs. Bertha McQueen, 80; Mrs. Carrie Burden, 120; S. B. Morse, 40.09. The consideration in some of the deeds is given at \$1, but in others the average price per acre seems to be between \$10 and \$15. The land represented by these deeds all lies in township 20, south of range 2 west.

THE PIANO HOUSE THAT BUYS FOR CASH

It is being demonstrated every day that the LITTLE dealer that buys pianos for cash can furnish the purchaser the piano for less money than the BIG factory agents can get their pianos at the factory. Add to this their commission and expenses and you will find that the LITTLE dealer that buys for cash has sold you a standard piano and saved you from \$50 to \$125 and made a reasonable profit.

We have sold more pianos and organs than all the factory agents put together in this territory.

There must be a reason for this: BUY FOR CASH and save the agent's profit.

Two carloads bought and now coming direct from the factory. Several already sold. I have a few pianos and organs left. Come in and make a selection at the LARGEST Music House between Portland and Sacramento.
