

SUFFERED FOR YEARS WITH A COMPLICATION OF PELVIC DISEASES.

Robust Women Who Owe Their Restored Health and Usefulness to Pe-ru-na.

Read the Letters of Gratitude From Women Who Have Been Benefited By Dr. Hartman's Advice.

A Multitude of Such Letters Are Received Every Year.

A TYPICAL LETTER.

Mrs. Carry Peduzzi, Linstad, N. Dak., writes:
"I take pleasure in telling you that through your wonderful medicine I am entirely cured of catarrh of the stomach and pelvic organs."
"I was so run down on account of my illness that I could no longer attend to my housework. I could not eat or sleep and had terrible pain in my back. I took Peruna and in five months I was well. I have not felt so well for a long time."
"I wish everyone who is sick would take Peruna and thus recover their health."
"I have Peruna in the house continually. I thank you for all that you have done for me."

A Medicine of Merit.

Miss Katie A. Washer, 1706 Prentice street, Louisville, Ky., writes:
"As my experience has been so favorable from the use of Peruna, I unhesitatingly state that I believe that it is a medicine of unquestioned merit for all the ills that we women suffer from."
"I find that it strengthens and infuses new life into the system, and whenever I feel run down or over-tired, a few doses of Peruna will strengthen me again."

Found a Friend in Need—Pe-ru-na.
Mrs. Florence Aitkens, 1104 Front St., Toledo, Ohio, writes:

"Peruna cured me of catarrh of the uterus. I took about four bottles when I noticed an improvement and five bottles cured me."

"I do not know what I would have been like to-day had I not obtained Peruna, for I was in a terrible state."
"I had pains all over and was cross and irritable. I was losing hope of ever being well again."

"I am to-day a well woman after suffering for nine months. I cannot tell you how happy I feel, but you will know."

"Peruna is the best medicine on earth. My husband is now taking it and I will always keep Peruna in my house."
"Peruna is the best friend I ever had. It cured me."

MRS. CARRY PEDUZZI, LINSTAD, N. DAK.

MRS. FLORENCE AITKENS, TOLEDO, O.

America is the Land of Nervous Women.

The majority of women are nervous because they suffer from some form of pelvic catarrh.

The greatest obstacle in the way of recovery is that they do not understand that catarrh is the main source of their illness.

Women who are in doubt as to their ailments should write to Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio, who will give their letters prompt attention, without charge.

Miss Anna McGinn, 161 Plain street, Providence, R. I., writes:
"I wish to let you know of the good your medicine has done for me."
"I had what the doctors called heart trouble. I had been doctoring for a year before I tried your Peruna."

"I got a bottle of your Peruna and after a week's use of it I began to feel better. I could not eat, sleep, or work, but I have at last found that the medicine that will cure me is Peruna."

SHERIFF FISK

BRINGS BACK RUNAWAY PAIR

Floyd Dubois and Mabel Conrad Who Eloped From Marcola Arrived Here Last Night in Custody of the Sheriff—Story of Dubois' Arrest

Sheriff Fisk returned last night from The Dalles, where he went to bring back Floyd Dubois, charged with the abduction of 13-year-old Mabel Conrad from Marcola about a week ago. He brought the girl along and they were met at the depot by her mother and step-father, who at once took her in charge.

The Dalles Chronicle tells of the capture of Dubois by Sheriff Christman and his deputy, E. B. Wood, as follows:

"The officers kept their weather eye open all day and finally about 10 o'clock last night saw a girl of the description given standing about the Umattila House corner. She soon crossed over and further up the street was met by a young man. Believing they had secured a clew the officers followed them up Third street to W. A. Johnson's corner, then on to Fourth and up the grade leading to the bluff. There they were accosted and asked where they were going."

"None of your business," responded Dubois.

"Well, we'll make it our business," said the officers, and then he explained that he was taking the young lady to the home of his sister on the hill. But that explanation wasn't sufficient and the pair were taken to the sheriff's office, where Dubois was put in jail. During the time that the sheriff was dealing with the man, Wood got hold of the girl, who had given a fictitious name, and succeeded in getting her to confess that she was Mabel Conrad and that she came to The Dalles with Dubois Monday. She is a sweet-looking girl about fourteen years of age and seemed to have no realization of what she had done, nor the fate that awaited her in the hand of a villain, whom the officers are convinced, from letters found in his pocket, is but a procurer for houses of ill fame, in which he intended to place her.

"Dubois, who is 25 years of age, has respectable relatives in this city, though he has always been a profligate."

Owing to the Ryan Blackley liquor case occupying the attention of Judge Bryson, of the justice court, most of the day, Dubois had not been arraigned up to a late hour this afternoon.
