SOX DEFEAT

CHICAGO CUBS IN SLUGGING MATCH

Both Teams Knocked Opposing Pitchers Out of Box - Greatest Crowd Ever Gathered at Any Ball Game Witnessed Exciting Contest Between Americans and Nationals

Finals: R. H. E.
Sox..... 8 12 6
Cubs..... 5 6 0
The world's championship series now stands: White Sox (American), 3 games; Cubs (Nationals), 2 games.

Chicago, Oct. 13.—Offers of Spokane, Denver and other outside cities for the seventh championship game have been declined, and the national commission at the close of today's game will toss a coin to decide at which park in Chicago the seventh game will be played, if a seventh game is necessary.

Balmy sunny weather and a half holiday caused increased attendance and enthusiasm at the game this afternoon. Rooters, carrying all sorts of noise makers, fought for entrance to the grounds and every car headed toward the arena was jammed.

FIGHTING FOR ADMISSION.

The gates closed at 1:30, after twenty-five thousand people had been jammed in and ten thousand were turned down fighting to reach the ticket window. The newspaper men, for whom a special gate had been provided, fought half an hour to get through the crowd.

The roar from the rooters drowned all other sounds, the board of trade rooters having a bear and live cubs on the grounds as mascots.

Manager Jones says that if Walsh wins today he will use Altrock tomorrow and Walsh again Monday. He says he is hard up for short, neither Davis nor Lannehill being in shape.

Batteries—Walsh and Sullivan, Ruelbach and Kling.

Davis was put in at short by the Sox and Rohe at Third.

The Cubs entered the field leading two big black bears, which snapped and snarled amusingly.

At the time play started the crowd unable to get into the park had increased to fifteen thousand.

First inning—Hahn singled, E. Jones sacrificed, Ruelbach to Chance. Isbell doubled to right and Hahn scored. Davis forced Isbell; Rohe doubled to left and Donohue was passed, filling the bases. Dougherty hit into a double play, Evers to Chance, with an awful decision at first.

For the Cubs—Hoffman singled; Sheppard sacrificed to Donohue; Schulte singled, Hoffman holding second. Chance pretended to get hit, and Umpire Johnstone favored him, filling the bases. Seinfeldt forced Chance, but Isbell threw into the crowd and let Hoffman and Schulte score; Tinker bunted; Donohue muffed Walsh's throw, scoring Seinfeldt. Tinker was put out stealing second.

Second inning—0 to 0.

Third inning—For the Sox Isbell doubled and scored on Davis' double. Ruelbach was withdrawn and Pfister put in to pitch. Rohe fanned. Donohue was hit by ball; Dougherty forced Donohue, Evers to Tinker; Davis and Dougherty worked double steal, Davis scoring; Sullivan fanned.

Fourth inning—Walsh walked; Hahn forced Walsh; Jones hit to left; Isbell doubled, Hahn scoring; Davis doubled to left, Jones and Isbell scoring. Overall here replaced Pfister in the box. Rohe walked; Donohue doubled, Davis scoring; Schulte caught Dougherty's liner and double; Rohe at the plate, Sedwiler to Evers to Kling. Four runs for the Sox.

For the Cubs Tinker doubled and Rohe threw it into the crowd. Evers walked and Kling fanned and Tinker and Evers worked a double steal; Overall fanned; Tinker scored on a

ACCIDENT TO

LOS ANGELES ELECTRIC CAR

Brakes Failed to Work, and Dashing Madly Down Grade, Jumped Track at Curve - One Passenger Instantly Killed, Many Badly Injured and Others More or Less Seriously Bruised

Los Angeles, Oct. 11.—A Brooklyn avenue car ran away on a steep curve this morning on account of the brakes failing to work, jumped the track and overturned, killing W. A. Barrett underneath it. The injured number over a score of the sixty passengers on board.

The car was racing madly along when it reached the curve. It took the first curve, but at the reverse flow from the track and overturned. M. G. Bowder, the motorman, stayed at

CITIZENS AROUSED

OVER LAWLESSNESS IN EARTHQUAKE CITY

Committee to Select Chairman of Great Mass Meeting in Session During Forenoon--Some Advocate of Revival of the Old-time Vigilance Committee for the Lynching of Thugs--Evidence Secured That Police Are Standing in With Lawless Element--Financial Assistance From Outside Points Tendered

San Francisco, Oct. 13.—Preliminary to the great mass meeting of citizens this afternoon to form a committee of public safety, the committee on chairmen met this morning to select a chairman, whose duty it will

be to name the committee of one hundred. Plans in general were also informally discussed and Acting Mayor Gallagher's position considered, the mayor having declared he couldn't permit a committee of safety to usurp police powers.

There seems to be a division of sentiment among the leaders of the movement, some advocating vigorous measures, which some affect to believe means the lynching of thugs when caught, while others stand for coalition with the police. It can be safely predicted, however, that the latter plan will win, as only a very small minority favors a vigilant organization, such as ruled and cleaned up the city in days of the gold excitement.

The determination of the committee of safety to investigate the alleged collusion of the police with thugs is unshaken and it is claimed that evidence in proof of this has already been secured. Protection to resorts frequented by crooks is also being looked into. Offers of financial support in the movement to rid the city of thugs is coming from many parts of the state, Fresno, Eureka, Sacramento, San Jose and Santa Cruz already having been heard from.

JUST A SLIGHT INTERRUPTION.

—Donahue in Cleveland Plain Dealer.

his post and the passengers hanging on the car jumped. Barrett was killed outright. C. A. Cattlett was badly bruised and crushed; N. K. Freitge had his right leg crushed so badly that amputation will be necessary. Mary Murray's chest was crushed and head bruised, producing concussion of the brain; Mrs. Lily Broade's chest was crushed. At least 15 others were hurt, but not seriously.

MAGOON IS NOW GOVERNOR OF ISLAND

Havana, Oct. 13.—Magoon assumed the provisional governorship of Cuba today, relieving Secretary Taft, who with Mr. Bacon will sail late this afternoon on the battleship Louisiana, General Funston going on the Virginia. Governor Magoon at once issued a proclamation, saying that he would soon be able to restore to the Cubans control of the government.

Preparatory to his departure this afternoon Secretary Taft received all the government and municipal authorities. Rain threatened to spoil the liberal demonstration arranged for the embarkation of the commissioners.

Three companies of marines under Major Neville were ordered home on warships sailing at the same time as Taft and his party.

wild pitch; Hoffmann was passed and Sheppard fanned.

Neither side scored in the fifth. The Sox scored one in the sixth and the Cubs scored two.

In the seventh White was put in to pitch for the Sox, supplanting Walsh.

Neither side scored for the remainder of the game.

Princeton Defeats Navy.

Annapolis, Oct. 13.—Final score: Navy, 0; Princeton, 5.

PASSENGER BOATS IN BAD COLLISION

Tivoli, N. Y., Oct. 13.—One man was drowned, one is missing and six passengers were injured in a collision this morning between the steamers Adirondack and Saratoga on the Hudson river during a fog today.

The dead man is Clarence Sherman, oiler on the Saratoga. George L. Norton, clerk on the Adirondack, is missing. Five hundred passengers were on the two vessels and had thrilling experiences. Thousands of dollars worth of damage resulted.

DOCTOR TESTIFIES IN BROUWER CASE

Toms River, Oct. 13.—Dr. John Marshall continued his testimony in the Dr. Brouwer murder case this morning, showing that minute quantities of arsenic found in various parts of the dead woman's body might have been from the embalming fluid. He said he found arsenic in the brain, while arsenic, administered in life, some time before death, would not be found in the brain. The court adjourned until Monday with Marshall still on the witness stand.

"THE STORMY PETREL OF COLORADO."

Denver, Oct. 13.—A son was born to Mrs. Sherman Bell, wife of the general, today. The new arrival was named "Theodore Roosevelt" Bell. General Bell won wide notoriety if no distinction as adjutant general of Colorado during the miners' strike, under Governor Peabody. They put the strike down with an iron hand and deported the miners from the state by thousands. Peabody was defeated for re-election by Alva Adams (Dem.), and General Bell retired to private life.
