You

From car windows, via the Rock Island, that you must not fail to see.

Go East via El Paso and you see New and Old Mexico and Arizona—that tawny Southwest land of sunshine, where sun and air rejuvenate with marvelous power.

Go via Salt Lake City and Colorado and for the better part of two days you ride thru the finest scenery on the American continent.

Go "Tourist" and in addition to the delightful scenery you'll experience the added advantages of a restful trip made at a great saving over first class, luxurious (but no more comfortable) accommodations.

Our folder, "Across the Continent in a Tourist Sleeping Car," gives full information. Sent upon request.
