TORTURED BY ITCHING ECZEMA

Suffered Tremendous Itching Over Whole Body—Scratched Until Bled—Worse at Night, With Soreness and Excruciating Pains—A Western Lady's

WONDERFUL CURE BY CUTICURA REMEDIES

"Last year at this time I suffered with a tremendous itching on my back, which grew worse and worse, until it spread over the whole body, and only my face and hands were free. For four months or so I suffered the torments of the damned, and I had to scratch, scratch, scratch, until I bled. At night when I went to bed things got worse, and I had at times to get up and scratch my body all over, until I was as sore as could be, and until I suffered excruciating pains. I did not know what it was, and resorted to a number of blood purifiers, using at times also Cuticura Soap. They told me then that I was suffering from eczema. Then I made up my mind that I would also use Cuticura Ointment and Cuticura Resolvent. I used them according to instructions, and very soon indeed I was greatly relieved. I continued until well, and now I am ready to recommend the Cuticura Remedies to any one who suffers as did your obedient servant. Mrs. Mary Metzger, Sweetwater, Okla., June 28, 1905."

TORTURING, DISFIGURING Humors, Eczemas, and Itchings Cured by Cuticura

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of scalp, as in scalded head—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment, and Pills are such stands proven beyond all doubt.

MAGNIFICENT Pianos Coming

MR. ROGERS, Manager of Eilers' Piano House, informs us that his first fine stock of Pianos is so near gone that he has placed an order for the most beautiful selection ever shown in Eugene. In the car that is coming now will be one or two superb **BABY GRANDS**. These are ordered for special customers and he wants the public to see them, especially the little **STYLE R. CHICKERI G**. This piano is a "jewel," and unquestionably the **finest instrument in the world**.

Mr. Rogers states that his trade the past two weeks has surpassed his most sanguine expectations. He still has two **Elegant Pianola Pianos**, one **Beautiful Boudoir Upright Weber** in rosewood, three **Elegant Hobart M. Cables**, and three superb Kimballs; these will hardly last until the next car arrives.

The citizens of Eugene are at last beginning to realize that "EILERS'" is the place to get an elegant piano or organ at "live and let live" prices. Every instrument fully guaranteed by a house whose financial responsibility is unquestioned.

Mr. Rogers extends a cordial invitation for every one to call and see the beautiful salesrooms. He also promises the music loving people of Eugene a rare musical treat before the Holidays.

Every one in Eugene should be proud of and support this, a first class and up-to-date piano store. They make a study of and handle **only fine Pianos and Organs**, and they buy in such large numbers as to make it impossible for any little dealer to compete, when it comes to quality.

"It is, in our opinion, the most beautiful and laughable entertainment ever devised by amateurs."—Minneapolis Daily Journal.
"Nothing ever given here has awakened such enthusiasm as 'The Pixies.' The music is sparkling and the strange adventures of the weird little spirits kept two packed houses in roars of laughter."—The Daller, Ore., Chronicle.
"The grotesque make-up of the pixies, brownies and goblins caused roars of laughter, but when they began their antic audience abandoned themselves to wild screaming which could be heard for blocks."—Aberdeen, Wash., Post.
"We have never witnessed a performance, either amateur or professional, that excelled 'The Pixies' in beauty or in comic fun. It is simply a grand success."—Washington, Hoquiam, Wash.
"It is impossible to believe that such artistic work can be done by young amateurs. Mr. Milne is a veritable genius, accomplishing results that caused the immense audience to sit in open-mouth wonder."—Aberdeen, Wash., Bulletin.
"The crowd laughed till their sides ached; rested and laughed till the team came, and on the streets to-day they are laughing yet. Certainly 'The Pixies' is as brilliant a conception as ever came from mortal mind."—Bellingham, Wash., Revelle.
