

STORY OF YESTERDAY'S BIG GAME

One of Best Contests Ever Played
on Kincaid Field--By Winning
Yesterday Oregon Has Scored 94
Points Against Washington in
Five Games

In one of the best games ever played on Kincaid Field Oregon defeated the University of Washington's football team 16 to 6 yesterday afternoon. Both teams earned a touchdown in the first half, but in the second Oregon outplayed her opponent.

In the first chapter Moores blocked one of Washington's punts when the ball had been worked to the 12-yard line and Oregon recovered the leather within six inches of the goal line. McKinney shoved the ball over through Washington's left tackle. Kuykendall kicked goal. About eight minutes later Boggs, Seattle's foxy right end, made a twenty-yard dash on a fake line plunge to the goal line. Willis kicked the goal tying the score. Oregon kicked off and Washington was downed behind the line, making a safety for Oregon. Shores called Oregon offside and the two points did not count. The rest of the half was hard fought with honors even.

In the middle of the second half Kuykendall caught a punt and with Captain Chandler as interference, ran 65 yards for a touchdown. No goal with 12 minutes to play Kuykendall made a long punt. Captain Crim, Washington, and Chandler both caught the ball at the same instant. Chandler, with demon-like ferocity, wrested the leather away from his opponent, and supported by Moores, struggled 12 yards for the third touchdown. No goal. The rest of the game was a purely punting affair both teams longing for the whistle which would call them out of the heavy downpour of rain.

For Washington Boggs, right end, Willis, full, and Jarvis, left tackle were the most prominent players. For Oregon Kuykendall, Chandler, Moores and the three backs showed up the best. In the first half Oregon's line was rather weak, but in the second it resembled a stone wall. Both teams played with unusual vigor, each man striving to win the honors of the day for his state and college. The game, old critics say, was one of the best ever seen on Kincaid Field.

Moulien did not go into the battle. It was thought best to save him for Multnomah. Hammond went to guard and Pinkham, the former guard, was pushed out to tackle. That there were no injuries speaks well for the new style of play.

Record of Games.
The record of the games between the two state schools stands as follows now:

	Ore.	Wash.
1900.....	43	0
1903.....	5	6
1904.....	18	0
1905.....	12	12
1906.....	16	6
Total.....	94	24

Norecross Prophecies.

Coach Norecross, of Corvallis, said to Coach Place, of Washington, near the middle of the second half: "Well, Place, I think you'll win all right." Just then Kuykendall caught the punt and Oregon made her second touchdown. Norecross then said: "I guess I won't say that now. Oregon has got this game cinched." Such are the opinions of men.

HIGH SCHOOL TEAMS PLAY SATURDAY

On Saturday afternoon of this week on Kincaid Field will occur a game of football between the Salem and Eugene high school teams. The game will be called at three o'clock. This is the return game, a previous one having recently been played at Salem in which the Eugene boys lost by the score of 5 to 0. They have hopes of reversing the score this time.

FRED HERBOLD IN IRRIGATION PROJECT

A Forsyth, Mont., paper of recent date has the following concerning an irrigation project in which Fred Herbold, formerly of Eugene, is interested:
"One of the largest irrigation projects in Eastern Montana is now under way, the Sanders-Howard Co-operative Ditch Co. having filed upon 40,000 inches of water from the Yellowstone river, to be used on the immense amount of irrigable land on the ceded portion of the Crow reservation. The company was organized last week with a capital of \$175,000, and \$30,000 has been paid in. Fred D. Herbold, a Butte capitalist, is secretary and treasurer, and a culmination of the venture will not only mean much for the investors, but a much larger population and a bigger tax roll for the county in this fertile district."

WEAK KIDNEYS MAKE WEAK BODIES.
Kidney Diseases Cause Half the Common Aches and Pains of Eugene People.

As one weak link weakens a chain, so weak kidneys weaken the breaking down.

Overwork, strains, colds and other causes injure the kidneys, and when their activity is lessened the whole body suffers from the excess of uric poison circulated in the blood.

Aches and pains and languor and urinary ills come, and there is an ever-increasing tendency towards diabetes and fatal Bright's disease. There is no real help for the sufferer except kidney help.

Doan's Kidney Pills act directly on the kidneys and cure every kidney ills. Eugene cures are the proof. Samuel Ciner, the painter, of 325 East Twelfth street, Eugene, Ore., says: "We have given Doan's Kidney Pills several severe tests in our family and have found them the best remedy to be had for pain in the back or kidneys and other symptoms of kidney complaint. Doan's would never hesitate to recommend Kidney Pills have never failed to do what is claimed for them, and I thank them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
