

WALTERVILLE FERRY IN OPERATION AGAIN

The Delay and Inconvenience Has
Caused Hopes for Bridge Across
McKenzie River to Rise Again

(Special Correspondence.)
Walterville, Nov. 21.—The McKenzie river has fallen enough so that the ferry can run once more—the first time in a week. It has caused a great deal of inconvenience to the general public, and the Walterville people have been strongly agitating the bridge question, so we hope before another winter to have a good bridge.

Last Saturday evening the young folks of the Williams family were tendered a very pleasant surprise party by their young friends of Walterville and vicinity.

A. W. Sturtevant and wife have returned from a week's visit and business trip to Crow and Eugene.

The Millican boys have gone up to the mountains near Vida to look after some cattle.

Several freight teams passed through here yesterday morning on their way to Eugene, having been delayed several days by the high water.

We see that Ed Hartwig, who has for some time been driving the Fall Creek stage, is in our midst again.

Winthrop Thomson and family passed through here Saturday on their way to Vida to visit friends.

T. H. Williams and sons keep their sawmill running almost constantly, but cannot supply the demand.

DO NOT DOSE THE STOMACH

Cure Catarrh by breathing Hyomei.
Sold Under Guarantee.

The only scientific and common sense way to treat catarrh of the nose and throat is by a local application that will kill the catarrhal germs.

Ordinary stomach dosing is worse than useless. Taking medicine into the stomach to cure catarrh of the head can have no good effect, and often leads to serious derangement of the digestive organs.

By breathing Hyomei three or four times daily through the neat pocket inhaler that comes with every outfit its medicated, healing air penetrates to the most remote parts of the nose, throat and lungs, searches out and kills all catarrhal germs, and soothes and heals any irritation of the mucous membrane.

Mr. Hull has such faith in the wonderful merit of Hyomei as a cure for catarrh that he gives with every outfit that he gives with every Hyomei outfit that the money will be refunded unless the treatment gives satisfaction.

A complete Hyomei outfit, consisting of a pocket inhaler, a bottle of Hyomei and a medicine dropper, costs but \$1. extra bottles of Hyomei, if needed, 50 cents. Mr. Hull gives his personal guarantee to refund the money if Hyomei does not relieve, so that you run no risk at all in buying this reliable remedy. n23 30 47 14.

WM. J. BRYAN IS COMING TO EUGENE

An acknowledgment of the receipt of the box of Hood River apples sent by the Hood River Democratic club to William J. Bryan has just been received by George D. Culbertson, secretary of the organization from the democratic leader, dated at Lincoln, November 10, in which he says:

"Upon my return home after the close of the campaign, I find you: box of apples and also your letter. I think your description of the apples cannot be questioned, at least I have never seen any surpassing them.

"Mrs. Bryan and I are very fond of apples, and we eat one together every night before retiring. She, therefore, joins me in thanking the club for their much appreciated courtesy.

"We may pass through Oregon in January, but we fear we will not have time to stop any place excepting Portland and Eugene. (I understand the state university is at Eugene.) Am very glad to hear of the re-election of Governor Chamberlain and the you feel hopeful about the campaign of 1908."

The apples sent Mr. Bryan were the prize winners at the famous Hood River fruit fair—probably the finest apples in the world.
