Change in S. P. Depot Operators—
Mr. and Mrs. S. Handsaker Celebrate Golden Wedding.

Born—To Mr. and Mrs. H. L. Hackett, November 25, 1906, a daughter.

Married—Near this city, Wednesday, November 28, 1906, by Rev. P. D. Gardner, Wade H. Daugherty and Miss Ira Belle Wicks. The Times extends congratulations.

Claud Pengra and family left this week for Yoncalla, where Mr. Pengra will take charge of the S. P. office at that place. He will be succeeded in the depot here by I. A. Zook.

The Thanksgiving game of football between Halsey and Junction Thursday was a pretty good game for amateurs. Halsey by a lucky end run scored a goal, but failed to kick the same. The half ended with the score 5 to 0. The second half was played with vim from start to finish and neither side scored.

The shipments from this place since our last issue are as follows: One car of potatoes by Scobert & Dodge; three cars of flour by A. Wilhelm & Sons; one car of sheep and one car of cattle by Frank Dinges, and one car of apples by Frank Bushnell.

Laite Dennis, Ike Howard, Jr., and Dick Howard have purchased forty acres of land from W. O. Orton. The land is pretty well timbered and the boys expect to furnish the whole town with wood next summer. The purchase price was \$10 per acre.

Our good old friends, Mr. and Mrs. S. Handsaker, of Eugene, celebrated their fiftieth wedding anniversary Thanksgiving at the old homestead because of the happy days of Auli Lang Syne. Eight sons and one daughter were present. The Times extends congratulations and expresses the hope that they may live to celebrate their diamond anniversary. —Times.

BEAUTIFUL DISHES ARE GIVEN AWAY.

That beautiful display of China salad and fruit dishes made by The Guard in the window of the Walton building, is attracting a great deal of attention. Hundreds of people have admired it, and wondered how this

paper can afford to give away such valuable premiums. The explanation is that we secured the real "snap" and are giving our patrons the benefit of it during the holiday season. These dishes would cost from \$3 to \$5 at any store, but are given free to new or old subscribers of the Daily Guard who pay a year for the paper, \$3 in cash and \$3 at the rate of 50 cents per month.

When you pay your subscription the first of this month, bear in mind this offer. There are only a few of the dishes left, and you will have to hurry to get one.

These dishes will make beautiful Christmas presents.

Fountain Pens
are given away also to all subscribers who pay \$3 for six months' subscription, whether in advance or arrearages.

No subscriber can take advantage of both of these premium offers on one payment, nor are they open to any subscriber who has already secured a premium, or paid for his paper at any special reduced rate.

GEORGE SOVERN RECEIVES NEW BARBER SHOP FIXTURES.

George Sovren, the barber, yesterday morning received his new furniture and fixtures from Roseburg, where they were manufactured by W. L. Dyingier's planing and wood working mill.

When they are installed, Mr. Sovren will have one of the finest shops on the coast. The furniture is all of the mission style, and is up-to-date in every respect. One thing not found in the ordinary shops are three portable work stands for the barbers' tools. They can be moved at the will of the barber as best suits his convenience.

DO NOT DOSE THE STOMACH

Cure Catarrh by breathing Hyomel. Sold Under Guarantee.

The only scientific and common sense way to treat catarrh of the nose and throat is by a local application that will kill the catarrhal germs.

Ordinary stomach dosing is worse than useless. Taking medicine into the stomach to cure catarrh of the head can have no good effect, and often leads to serious derangement of the digestive organs.

By breathing Hyomel three or four times daily through the neat pocket inhaler that comes with every outfit its medicated, healing air penetrates to the most remote parts of the nose, throat and lungs, searches out and kills all catarrhal germs, and soothes and heals any irritation of the mucous membrane.

Mr. Hull has such faith in the wonderful merit of Hyomel as a cure for catarrh that is shown by the guarantee that he gives with every Hyomel outfit that the money will be refund-

ed unless the treatment gives satisfaction.

A complete Hyomel outfit, consisting of a pocket inhaler, a bottle of Hyomel and a medicine dropper, costs but \$1, extra bottles of Hyomel, if needed, 50 cents. Mr. Hull gives his personal guarantee to refund the money if Hyomel does not relieve, so that you run no risk at all in buying this reliable remedy. n23 39 47 14

ALWAYS WAS SICK.

When a man says he always was sick—troubled with a cough that lasted all winter—what would you think if he should say he never was sick since using Ballard's Horehound Syrup. Such a man exists. J. C. Clark, Denver, Colorado, writes: "For years I was troubled with a cough that would last all winter. This cough left me in a miserable condition. I tried Ballard's Horehound Syrup and have not had a sick day since. That's what it did for me. Sold by Linn Drug Co."

SOME SNOW AT THE BLUE RIVER MINES

Three Feet Deep on the Divide and Six Inches at the Lucky Boy Mine.

Ben Anderson came down from the Blue River mines Monday and took the evening train for Eugene, where he will attend to some business matters before returning. He reported the snow about three feet deep on the divide and about three inches deep at the Lucky Boy mine. Mr. Anderson is employed in the Doctor mine, where prospect tunnels are being run with machine drills.

Tom Standish came down from the Blue River mines Saturday. He came down the Calapoosa and says the trail did not fare very badly in the recent storm, but the wagon road between the Great Northern mine and the Lucky Boy was greatly damaged, on account of which the former has closed down. —Brownsville Times
