SALE OF M'CLUNG BLOCK HAS BEEN MADE

Brick Building at Eighth and
Willamette Streets Has
Changed Hands

Deal for Sale of Property to Other
Parties Fell Through and Cock-
erline & Wetherbee Now Occup-
ying Building Snapped up, Good
Bargain

The McClung block at Eighth and Willamette streets, has been sold to A. T. Cockerline and F. R. Wetherbee, comprising the firm of Cockerline & Wetherbee, who occupy the building with their dry goods store. The deal was completed yesterday afternoon, and the new owners are now in possession of the building.

A report of the sale of the building to other parties was published a few days ago, but the announcement was premature, the deal not having been completed, and the Guard at the time stated that it might not be, as the owner of the building, J. H. McClung, and the persons contemplating purchasing it could not agree on certain conditions. The Guard was right, and the deal was called off yesterday, whereupon Cockerline & Wetherbee, who have wanted the building for some time past, began negotiations with Mr. McClung, with the result that they secured the property at a good figure. The purchase price is not given out for publication, but it is understood to be in the neighborhood of \$25,000.

The building is a two-story brick, 55x114 feet in dimensions, and is one of the finest business blocks in the city and splendidly located. It is the only steam-heated business building in Eugene, and is modern in every detail. It was erected by Mr. McClung about five years ago, and took the place of an old brick and stone building which stood so long on that corner.

Cockerline and Wetherbee occupy the corner store room in the building, and plan some time in the future to occupy the whole ground floor, but this action will not be taken for awhile yet, as Hull, the druggist, has a lease on the other portion which does not expire very soon.

The new owners of the building are among Eugene's youngest and most enterprising business firms and have built up a splendid trade since they opened their store, shortly after the building was completed. Their many friends are glad to see them secure the building.

Midgeley and Pratt Surprised.

Geo. Midgeley and Robert Pratt, the other parties with whom Mr. McClung had been dealing, in speaking of the sale of the building to Cockerline & Wetherbee, this afternoon stated to a Guard representative that they had paid Mr. McClung \$1000 to bind the bargain, but in making an abstract of the property a slight flaw in the title was found, which delayed the deal. They say that Mr. McClung agreed to make the title good under the Torrens system, and they were waiting for that to be done when they were surprised to hear that the building had been sold to Cockerline & Wetherbee.

May Sell Other Block.

It is said that Mr. McClung has a deal on for the sale of his Seventh and Willamette street block, a well-known business man of this city being the prospective purchaser.

A DANDY FOR BURNS.

Dr. Bergin, Pana., Ill., writes: "I have used Ballard's Snow Liniment; always recommended it to my friends, as I am confident there is no better made. 'It is a dandy for burns.' Those who live on farms are especially liable to many accidents, cuts, burns and bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house, for cases of emergency." 25c., 50c., and \$1. Sold by Linn Drug Co.

TO ENJOY A GOOD DINNER

How to Avoid Distress and Indigestion After Eating.

Let us tell you how you can enjoy a good dinner, so that the heartiest meal will set well on your stomach and cause no unpleasant and disagreeable after effects.

We will show you how to regain the appetite of your childhood and the enjoyment of food, so that it will taste as well as when mother cooked the dinner.

There is no hard work necessary to do this; no need of a rigid and self-denying diet; no call for nasty and disagreeable medicines. Simply take a Mi-o-na stomach tablet before each meal and before going to bed, and it will so strengthen the stomach that before long a hearty meal will give you gratification and comfort, without the least fear of distress and suffering.

The strongest proof we can offer of our faith in this advice is the fact that Hull's drug store gives an absolute, unqualified guarantee (applying to two 50c boxes of Mi-o-na) that your money will be refunded unless Mi-o-na cures. A guarantee like this gives you confidence in Mi-o-na. Mr. Hull takes the whole risk, and the remedy will not cost you a penny unless it cures.

Mi-o-na is not a mere digestive, giving only a temporary relief, but a specific for all diseases of the stomach, strengthening the digestive organs and making a permanent cure. J 7-17-28

BOTH HOUSES QUIT AFTER SHORT SESSION

Salem, Or., Jan. 17.—Both houses of the Oregon legislature opened with a red-hot fight on graft propositions in general.

In the Senate, the committee on resolutions reported in favor of 41 clerks for the senate, exclusive of desk clerks, joint investigating committee clerks, and such other clerks as may be provided for by resolution. The compensation is to be from \$3 to \$6 per day. It was stated that this would reduce the cost of clerk hire to about one-half that of last session.

The committee on resolutions reported against a committee to investigate the state treasurer's office.

Proceedings Summarized.

Both senate and house adopted a concurrent resolution to adjourn until 2 o'clock Monday afternoon. A majority of the senators left for Portland yesterday morning on a special train.

The senate committee on resolutions is considering a plan not to allow mileage to members using passes on trips. When passes are not used senators will be required to make vouchers for mileage before they can collect the money. The resolution providing that joint committees examine the treasurer's books of public institutions was reported unfavorably. Such a resolution will not be adopted.

All Want Economy.

Joint committees will visit all state institutions, but will not be allowed clerks to accompany them. This eliminates 34 clerkships. The resolutions committee combined the messenger to the house and to the printer in one. Frank Rogers was appointed senate messenger.

Senators believe auditing state accounts by the committees is a waste of time and money and a farce that should be stopped. They favor a measure like the Newell house bill. Booth reintroduced senate bill 56 from last session, providing a state examiner for public offices.

Clerks Get Cut.

Each senator will be allowed one clerk. Eleven clerks for important committees are provided, making a total of 41 clerks. At the last session there were 56 senate clerks and 34 joint committee clerks. The Kay resolution is estimated to cause a saving in clerkships of \$7000.

The Dunway form of Calendar was adopted by both senate and house, effecting a saving of over \$10,000 during the session.

ADVICE TO COOKS Oyster Talks

If you want your oyster stew to be good, you must first be sure that your oysters are good. Always use Sealship Oysters and then you can be sure of their quality. All others are so full of stale water and foul "embalming" powders that they are apt to make the milk curdle.

Sealship Oysters have come from the oyster-beds in a porcelain, enamel-lined case, as clean and wholesome as any dish in your kitchen. They are sealed as soon as shucked and ice is packed around them—not in them.
