

**STUDENT BODY  
HOLDS A RED  
HOT MEETING**

**Professors Giving Gold Footballs to  
Members of Football Team  
Doubtful of School's Ability to  
Secure the Title Again for the  
Purpose of the Basketball Game**

The student body of the university held a red hot meeting this morning at 10 o'clock, when the question of giving gold footballs to the members of the football team was brought before the student body. The athletic board recommended that fourteen thousand dollars be given to the football team and the executive council that only one thousand dollars be given to the basketball team. An attempt was made to rush a motion to give the footballs to all of the fourteen thousand dollars, but it was downed by the student body refusing to give any money toward such footballs at all. Then a committee was appointed for popular subscription, which will probably be successful.

"Professors" Hammett, the poll leader, was tendered by the student body a sweater with an "O" and a megaphone on the inside for his services. A jocular motion to present the glee club with little mocking birds of gold was also defeated. The financial condition of the student body was next taken up. The report showed that care would have to be used to make ends meet.

**Basketball Game.**  
The university basketball team, which meets the O. A. C. five here Saturday night, is working very hard under the direction of Coach Bezdek, and will put up the battle of their lives. The O. A. C. team has not been beaten this year, though they have met nearly every team of consequence in the Northwest outside of the Oregon State League, which is composed of down-the-valley organizations. The varsity five is probably the best ever turned out for Bezdek has taught them this year more science than they ever knew in the past many times over. Therefore a very hard battle is looked for which will probably be the fastest game played in Eugene for years.

The exact lineup of the varsity five as yet has not been announced, but in all probability it will be as follows:  
Center, Stevenson; forwards, Hamp and Moore; guards, Chasman and Pealand. Johnson, Oregon's crack forward, is out of the game for the present, although it is expected that he will get in in another or two.

Hathaway, the well-known guard, and Van Scoy, last year's captain, have both quit the game.
