Dont Buy a Piano until you Investigate the Mechanical Construction of Different Makes

Call at our store and carefully examine some of the 30 or 40 pianos which are open for your inspection, then be your own judge and select intelligently. Learn something of the construction, tone and durability of pianos built expressly for western climate conditions.

We carry the Weber, Chickering, Kimball, Cable, Schumann, Story & Clark, Haddorf, Marshall & Wendell, Wessner, Eilers Bros., Cook and about 30 other makes.

THE EILERS PIANO HOUSE already has over 300 customers in Eugene and Lane county, among whom are such prominent people as Prof. I. M. Glen, Hon. R. A. Booth, Arthur Frazer, Hon. T. G. Hendricks, Mrs. Rose Hollenbeck, Miss Mary McCormack, Mrs. Daisy Dillard Patterson, Miss Quackenbush, M. Schneider, W. W. Calkins, Dr. T. W. Harris, Louis H. Johnson, Belle Keeney, Madge Battee, Amos Wilkins, Palmer Ayers, besides the leading churches, lodges and societies all over the county.

YOU CAN BUY A PIANO TODAY CHEAPER than ever before, and on the easy payment plan if you desire. Call and inspect our large stock.

SOCIETY HAPPENINGS OF THE WEEK

The Sigma Nu fraternity house was the scene of a very pleasant card party on the eve of St. Patrick's day. Green was the predominating color in the effective decorations of the rooms, while the shamrock-shaped tally cards further carried out the St. Patrick idea. Whist was the game of the evening, and prizes were awarded to Miss Rosalie Friendly and Miss Lou Renshaw. The hosts themselves served an appetizing luncheon. The invited guests of the fraternity were Mr. and Mrs. J. S. Luckey, the Misses Ella Dobie, Bertha McKinney, Leone Kays, Rosalie Friendly, Edna Canfield, Lou Renshaw, Catherine Fullerton, Blanche Huston, Adele Goff, Gladys Farrar, Winnifred Cockerline, Jessie Bacon, Nieta Harding, Sarah Reid, Eva Allen, Ruth Dunlavy, Rachel Vogel, Irene Simington and Euna Luckey.

The Eutaxian Literary Society of the University of Oregon was delightfully entertained this afternoon by Mrs. L. T. Harris and Mrs. E. O. Potter at the home of the former. The afternoon was spent in pleasant conversation and discussing Eutaxian affairs. The hostesses served a dainty luncheon during the afternoon. Both Mrs. Potter and Mrs. Harris were active members in this society during their college days and have never lost their interest in its welfare.

Last Saturday afternoon a reception was given at the home of Mrs. W. L. Cheshire for Miss Frances Gage, traveling secretary of the Pacific Northwest, by the young ladies of the Y. W. C. A. of both the University and of the high school. The

guests were received at the door by Miss Jessie Nottingham and during the afternoon Miss Gage gave an interesting talk to the girls. Dainty refreshments were served in the dining room, where Miss Isoline Shaver and Miss Aurelia Burch presided at the table.

The Thursday Afternoon club held its regular meeting this week with Mrs. C. D. Combs. The guests of the afternoon were Mrs. Eugene Roife, Mrs. John Buoy, Mrs. David Link, and Mrs. Walter Griffin. The afternoon was passed with whist, after which the hostess served light refreshments.

The Priscilla club will meet next week with Mrs. George W. Smith as hostess.

Mr. and Mrs. Archie Livermore entertained the members of the Eulolo Whist club on Monday evening.

Mrs. Minnie Washburne entertained at luncheon on Friday afternoon in honor of Mrs. Goldard of Portland, who is visiting her daughter, Miss Lela Goldard, at the Beta Epsilon sorority house. The guests at the luncheon were the Mesdames E. C. Smith, C. D. Emmons, Lou Clarke, W. W. Calkins, Mrs. Sharp and Mrs. J. F. Robinson.

Mrs. C. S. Frank was hostess this week to the W. R. P. L. The usual good program was rendered, after which Mrs. Frank served refreshments. The guests of the club were the Mesdames W. F. Osburn, O. F. Stafford, John Straub, C. S. Freeland and W. L. Souders.

BRICK PLANT FOR COTTAGE SCORE

E. A. Gleason has bought of Alex Cooley ground upon which he will install a plant for the manufacture of brick. Mr. Gleason states that after thorough tests of the clay soil he is certain that he can supply the best of building brick and the ground acquired by him contains material enough to employ many men nine months each year for twenty years. Mr. Gleason is familiar with the manufacturing and handling of brick, and selected Cottage Grove as the most favorable location along the valley towns as a point from which to ship both ways as well as the prospects of a heavy demand for local building.

Mill Accident.
An accident occurred at the Chambers Lumber Company's mill above Dorena on Tuesday, in which Wm. Pierce, the victim, had a narrow escape from death, and as it is he will be laid up for some time to come. He was struck by a wild log that unexpectedly shot down the chute, catching his leg just above the ankle, crushing it so badly that the bones protruded. Dr. Job, who happened to be in the vicinity, was called and reduced the fracture, and made the young man as comfortable as possible, and thinks, although the wound is a serious one, that there is a good chance for recovery without resorting to amputation.—Leader.

How to Remain Young.
To continue young in health and strength, do as Mrs. N. F. Rowan, McDonough, Ga., did. She says: "Three bottles of Electric Bitters cured me of chronic liver and stomach trouble, complicated with such an unhealthy condition of the blood that my skin turned red as fannel. I am now practically 20 years younger than before I took Electric Bitters. I can now do all my work with ease, and assist in my husband's store. Guaranteed at W. L. DeLano's Drug Store. Price 50c."

A Simple Cure for Piles.
Pile sufferers know that ointments and other local treatments sometimes relieve but never cure. They don't remove the cause. There is a little tablet that is taken internally that removes the cause of piles and cures them, no matter of how long standing.

Ask for Dr. Leonhardt's Hem-Roid (a thousand dollar guarantee goes with every bottle.) Hem-Roid is the discovery of Dr. Leonhardt, of Lincoln, Neb., one of the most distinguished and successful physicians in the Western states. It is at drugists or Dr. Leonhardt Co., Niagara Falls, N. Y., proprietors.

Worked Like a Charm.
Mr. D. N. Walker, editor of that spicy journal, the Enterprise, Louisa, Va., says: "I ran a nail in my foot last week and at once applied Bucklen's Arnica Salve. No inflammation followed; the Salve simply healed the wound." Heals every sore, burn and skin disease. Guaranteed at W. L. DeLano's Drug Store, 25c.

FIRE NARROWLY AVERTED AT SPRINGFIELD

Shortly after 8 o'clock Tuesday morning smoke was discovered upstairs in the Nickerson building, and a hurried examination by Mrs. Nickerson and daughter, Mabel, showed that the building was on fire near the chimney. An alarm was at once given and the neighbors all responded to the call and succeeded in putting out the blaze before it had gained much headway. Had it been discovered a few minutes later it is almost certain that the building could not have been saved.

Change of Managers.
E. L. Strange, manager of the Willamette Valley Company's electric plant at Springfield, received word from the head office that his resignation had been accepted and he informs us that he expects to start for Corvallis Saturday, where he will reside permanently. We understand that Abe Gilbert will succeed Mr. Strange as manager here. We are glad to know that Mr. and Mrs. Gilbert will again be numbered among Springfield citizens.—News.

LONG FELT WANT IN EUGENE.

While working in the largest dyeing and cleaning works on the coast and while there seeing lots of garments shipped from Eugene to be dye-cleaned, or dyed, and after investigating and going over the ground thoroughly we saw at once that there was a good opening for a first-class cleaning and dyeing works in Eugene, so we decided to put in a first-class plant and are doing well from the start. We are the only experts in this line north of San Francisco, and have had over 12 years' experience and guarantee all work. All articles dyed and cleaned by us are treated separately for sanitary purposes and done by hand. In this way we obtain good results and as no machinery is used in our work that will tear or injure the fabric.

Everything possible in cleaning or dyeing. Eugene Dye Works, 659 Willamette street. Phone Red 2861. C. Marx, Jr., manager.
