FEAST OF THE PASSOVER BEGINS FRIDAY EVENING

And Lasts One Week—Local Jews Will Observe the Festival and Some Will Attend Services in Portland.

Members of the Hebrew race in Eugene and throughout the world will observe the Jewish "Feast of the Passover," which begins at sunset on Friday and continues seven days. The feast is in commemoration of the escape of the Israelites from Egypt. While there will be no services in Eugene by local Jews, the synagogues in Portland will hold special services, and a number of Hebrews here are planning to attend the observance of the festival in Portland. Devout Hebrews in Eugene are arranging for the prescribed dishes which are to be eaten, exclusive of other food, during the week that follows the commencement of the Passover feast. At sunset a week from Friday the feast will end.

DEDICATION OF NEW CHRISTIAN CHURCH

(Special Correspondence.)
Jasper, March 26.—There was a large attendance at the dedication of our new Christian church last Sunday. The morning services consisted of Sunday school at 10 a. m., a sermon at 11 a. m. by Mr. Emmons and at 12:30 a lunch was spread which I am sure was enjoyed by all. Afternoon services—Music by the choir and a sermon and dedicational prayer by Rev. R. G. Callison. Evening services—The Endeavor Society met at 6:30; subject, "Noble Men and Women We Have Known." Music by the choir and then a sermon by Mr. Emmons.

Charles Eaton, who cut his foot quite badly while working in J. S. Hill's logging camp, is getting along nicely, and will soon be able to get around without the aid of crutches. Fred Wallace is quite ill at his home with typhoid fever, having been sick for about two weeks.

There is some talk of B. Kintzley installing a skating rink in his hall at this place.

County Surveyor C. M. Collier passed through this place enroute to Fall Creek to do some surveying for the Spaulding timber cruisers that are in this vicinity.

Dad Eaton, who drives the mail stage, had a slight runaway yesterday with very little damage.

Uncle Tom Warner, of Fall Creek, who has been visiting J. F. Smith, of this place, left yesterday for Eugene.

Mrs. Rivet, Miss McPherson and Mr. Emmons, of Springfield, who have been here attending church services, leave this evening for their homes in Springfield.

We are glad to see Mr. and Mrs. Mooney in our midst again.

The Booth-Kelly Company is having some lumber unloaded at this place, to be reloaded by another party and hauled on to Fall Creek to repair the washout in the dam at that place.

WEAK STOMACH CAUSES SICKNESS

Different Symptoms that Result from Indigestion—How to Cure by Strengthening the Stomach.

If you have ever suffered with a weak stomach you must realize that the digestive system is to the body what the foundation is to the house—the base of support and strength.

Whatever hurts your stomach or lessens its power, hurts all other parts of the body and impairs their powers. If the stomach is weak and distressed, one organ after another will be involved until the heart, kidneys and liver are all distressed.

Get the stomach right and health will naturally come to the other organs. This explains why a good many people who have doctored for years for diseases of the heart, kidneys or liver, have at last been cured by Mi-o-na stomach tablets. They found to their astonishment and happiness that, when the weak stomach was strengthened, their health returned, the heart became regular, the torpid liver active and the kidneys healthy.

Do not think we claim Mi-o-na is a "cure-all." It is not. It is a specific for all distresses of the stomach and when it strengthens the stomach and cures indigestion you will soon be well all over without further medicine.

Mi-o-na is sold only in 50c boxes, never in bulk. It is sold under an absolute guarantee by Mr. Hull to refund the money unless it cures.

500 COMING

At the age of 30 your protection policy costs you about \$16 annually, and no dividends will ever be declared after you pay in for 60 years (if rates are not increased). You will have paid in \$960 and supposed death to occur then, your heirs would receive \$1000—see?

But now see again. In 1847 James Cassidy took out a policy in the Mutual Life of New York for \$1000; it was a life protection policy, but drew dividends. His annual premium was \$22.40. Cost of protection being equal, deduct same (\$16 from \$22.40), leaving an investment over cost of protection of \$6.40 annually. After the recent death of Mr. Cassidy his claim was paid as follows:

Original face of policy . . . \$1000
Dividend on investment . . . 1555
Dividend drawn in cash by Cassidy . . . 386

Total . . . \$2941
We are now giving the same results on 20, 25 and 30 year endowments by paying a little more each year and then draw the same in your own old age.

This ought to bring 500 young men to my office, Room 2, Savings Bank building, within the next 24 hours. No tax.

J. W. ZIMMERMAN, Agent.
