SOCIETY HAPPENINGS OF THE WEEK

MRS. Frank Chambers and Mrs. Frederick Chambers received this week at their second Wednesday afternoon "at home." The rooms were tastefully decorated for the occasion, the parlors in Japanese roses, the library in buttercups and lilies, a beautiful combination, and the dining room in flowering guinea. Miss Belle Van Duyn served punch in the library, while Mrs. P. E. Snodgrass, Miss Maude Kerns and Miss Elizabeth Elliott assisted in the dining room.

A large number of skating enthusiasts have chartered the Underwood rink for Monday evening, and the organizing of a club is well under way. Among the promoters are some of our leading citizens, which fact ensures the club of being one of the most popular social organizations.

On last Monday afternoon Mrs. P. E. Snodgrass entertained the Bridge club.

On Tuesday evening the young ladies of the Beta Epsilon sorority were at home to their friends at their chapter house on Alder street. These at homes held on the second and fourth Tuesdays of each month are very popular with the students and with the town people. Light refreshments were served, followed by informal dancing.

Mrs. W. C. Yoran entertained the Thimble club Thursday afternoon. Mrs. Lucas, of Portland, was the guest of the club. Mrs. Yoran was assisted in serving by Miss Libby Yoran, Miss Lucille Yoran and Miss Mabel Lane.

Miss Helene Robinson entertained with five hundred on Wednesday evening in honor of Mr. Allen Abbott, and Mr. Roy Kingsland, of Berkeley, Cal., who are visiting at her home in this city. Mr. Abbott and Mr. Kingsland are on their way home from Portland, where they organized in the High School the Phi Chi fraternity, of which organization they are members from the Lowell High School, San Francisco. The guests of the evening were a number of university students, Miss Katherine Fullerton being the lucky prizewinner. Mrs. Robinson, assisted by

Mrs. C. H. Park, served refreshments at the card tables. The guests were the Misses Leone Kays, Katherine Fullerton, Jessie Hurley, Ella Humphrey, Adele Goff, Myra Loveridge, Ninon Oakes, Hazel Humphrey, Frances Oberteuffer, Ella Doble, Cora Cameron and Gladys McKenzie; the Messrs. Richard Hathaway, Mac Snow, LeRoy Kerns, George Hug, Leland Hurd, Henry McKinney, Frank Mount, Grover Kestley, Guy Mount, Gordon Moores, and William Huggins.

Another of the popular Silver Teas was given on Tuesday afternoon of this week, at which Mrs. Smeed, Mrs. I. T. Nicklin, and Mrs. George McMoran were hostesses. The tea was given at the home of Mrs. Smeed and was largely attended. The ladies took their fancy work and spent the afternoon.

The Christian Endeavor Society of the Christian church met at the home of Miss Ellen Green on Friday evening for their regular monthly business and social meeting. A large number were present and passed a very pleasant evening.

Mrs. P. E. Snodgrass was hostess at two afternoon parties this week. Both were delightful affairs and Mrs. Snodgrass proved herself a charming hostess. About thirty guests were present on each occasion; the amusement for Thursday was cards, and for Friday needle work. The hostess was ably assisted on both afternoons, on Thursday by Mrs. C. H. Park, Mrs. Richard Dearborne, Mrs. Charles Burden and Miss Ruby Hendricks, and on Friday by Mrs. Frank Chambers, Miss Ruby Hendricks, Mrs. Charles Burden and Mrs. C. H. Park.

The three literary societies of the university held a jollification meeting last night in the gymnasium of the university. A well rendered and amusing program was provided, and refreshments were served.

The regular monthly meeting of the Christian Endeavor Society of the Presbyterian church will be held this evening at the home of Miss Eda Humphrey, on West Seventh street. All members and friends of the society are requested to be present.

A. D. Hurlburt, father of C. F. Hurlburt, received a paralytic stroke Wednesday evening. It is thought he will soon recover, as the stroke was not a severe one, although he was unable to articulate words.

"Uncle Jimmie" Kirk was in from Franklin Thursday. He is almost 87 years of age and is perhaps the oldest citizen in this section of the county. He makes his home with his son, J. F. Kirk, in the Franklin neighborhood.

High Pressure Days.
Men and women alike have to work incessantly with brain and hand to hold their own nowadays. Never were the demands of business, the wants of the family, the requirements of society, more numerous. The first effect of the praiseworthy effort to keep up with all these things is commonly seen in a weakened or debilitated condition of the nervous system, which results in dyspepsia, defective nutrition of both body and brain, and in extreme cases in complete nervous prostration. It is clearly seen that what is needed is what will sustain the system, give vigor and tone to the nerves, and keep the digestive and assimilative functions healthy and active. From personal knowledge we can recommend Hood's Sarsaparilla for this purpose. It acts on all the vital organs, builds up the whole system, and fits men and women for these high-pressure days.

TERRIFIC COMBAT BETWEEN SACRED OX AND BULL

Zebu Belonging to the Norris & Rowe Circus Fights to the Death.

Mention has been made on several occasions of the attempt of the promoters of the famous bull fights of Mexico to duplicate the contests in this country, but the affair met with little encouragement by Americans. Had those who are interested in sanguinary battles of this nature been at the winter quarters of the Norris & Rowe circus at Santa Cruz, California, on February 25, they would have seen as realistic a contest as would make them forego any further desire for this pleasure. During the past circus season, Norris & Rowe made an extended tour of Mexico and among other animals purchased down there was a large Zebu or Sacred Ox. The beast was of unusual size but showed no disposition to be ugly when closely confined, but once at liberty he would smash things up quite a bit. When the show was put away for the winter, the Zebu was secured to a long rope and tied to a tree stump in a large enclosure. Here he nibbled the grass in apparent content, however, every once in a while casting envious eyes at a large bull in an adjoining field. On the morning of the 25th, he found himself at liberty as the constant chafing of the rope had worn it through and he easily parted the strands. Charging straight as a shot from a rifle, the Zebu swiftly ran to meet his enemy. The bull was tied to a long rope so could not get away had he wanted to. Then started a battle that could end but in one way—death. In vain did the circus employes try to drive him off, but he would turn and butt them away. He hooked his horns repeatedly in the vitals of the bull. The latter was game and made a good fight but the strength of the Zebu seemed supernatural and in vain did the bull try to trample his enemy. The circus men did not want to kill the Sacred Ox as he is a big drawing attraction in the menagerie, but they had just decided to sacrifice him when he made a final vicious charge and killed the bull. Norris & Rowe immediately sought out the owners of the slain animal and paid what was asked. The Zebu was finally secured and will be carefully watched hereafter. He is a magnificent animal and will be one of the sights in the circus menagerie for some time to come.

LONG FELT WANT IN EUGENE.

While working in the largest dyeing and cleaning works on the coast and while there seeing lots of garments shipped from Eugene to be dye-cleaned, or dyed, and after investigating and going over the ground thoroughly we saw at once that there was a good opening for a first-class cleaning and dyeing works in Eugene, so we decided to put in a first-class plant and are doing well from the start. We are the only experts in this line north of San Francisco, and have had over 12 years' experience and guarantee all work. All articles dyed and cleaned by us are treated separately for sanitary purposes and done by hand. In this way we obtain good results and as no machinery is used in our work that will tear or injure the fabric.

Everything possible in cleaning or dyeing. Eugene Dye Works, 659 Willamette street. Phone Red 2861. C. MARY, Jr., manager.

THE VALUE OF PERSONAL KNOWLEDGE

Personal knowledge is the winning factor in the culminating contests of this competitive age and when of ample character it places its fortunate possessor in the front ranks of

The Well Informed of the World.

A vast fund of personal knowledge is really essential to the achievement of the highest excellence in any field of human effort.

A Knowledge of Forms, Knowledge of Functions and Knowledge of Products are all of the utmost value and in questions of life and health when a true and wholesome remedy is desired it should be remembered that Syrup of Figs and Elixir of Senna, manufactured by the California Fig Syrup Co., is an ethical product which has met with the approval of the most eminent physicians and gives universal satisfaction, because it is a remedy of

Known Quality, Known Excellence and Known Component Parts and has won the valuable patronage of millions of the Well Informed of the world, who know of their own personal knowledge and from actual use that it is the first and best of family laxatives, for which no extravagant or unreasonable claims are made.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent family laxative. As its pure laxative principles, obtained from Senna, are well known to physicians and the Well Informed of the world to be the best we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of—Syrup of Figs—and to get its beneficial effects, always note, when purchasing the full name of the Company—California Fig Syrup Co.—printed on the front of every package, whether you call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna.
