

WILL PASS SPRINKLING ORDINANCE

The city council is holding a special meeting at the office of City Attorney Allen at five o'clock, for the purpose of acting upon a sprinkling ordinance which has been prepared by the city attorney. The proposed ordinance provides for the sprinkling of the streets that have heretofore been sprinkled and assessing the cost to the property owners. It is said that a majority of the council will favor the ordinance and the prospects are bright for its passage at the meeting this afternoon, although, through some technicality another, it may be held over till some future meeting.
