

TWENTY-FIVE SHRINERS KILLED IN TRAIN WRECK

Barbara, Cal., May 11.—At least 25 persons have perished in a disastrous wreck on the Coast line of the Southern Pacific this afternoon, when a special train carrying three delegations of Eastern Shriners, returning from a week of merry-making at Los Angeles, left the track at Honda, a station 50 miles north of here, and piled up on the sandy beach. AMUSEMENTS

Without question the appearance in this city Tuesday night, May 14, of the San Francisco Opera Company in the musical comedy "Fantana" will prove one of the biggest theatrical events of the season, and one which was only made possible by the reopening of the Marquam Grand theatre in Portland. The management found it impossible to open as scheduled and Mr. Smith, through the Northwestern Theatrical Association, secured the company for this city. There can be no gainsaying the fact that in point of general excellence no light opera company since the days of the "Bostonians" can compare with the San Francisco Opera Company.

The chorus is kept up to a high standard and the business management and the stage and musical direction is in the hands of competent men. Aida Hemmi, the prima donna, is a most beautiful woman, who was educated for the grand opera stage, but yielding to the request of the management of the Tivoli opera house, Miss Hemmi decided to enter

FAIRMOUNT ITEMS

Last Saturday evening our citizens had a genuine treat by way of a lecture by Hon. S. D. Allen. His theme was "Some Great Christian Hymns." The manner of treatment was especially pleasing to the audience. Should he ever be announced to speak here again on any subject he will be greeted by a much larger company.

C. Hill and family have gone to the mountains for the summer.

Mrs. McCullough and her daughter Ethel departed for Leaburg on Tuesday to join Mr. McCullough, who is engaged in logging.

Hugh Barr returned from Soda Springs not much improved in health.

L. Carter and son have gone to Marcola for work. Other members of the family expect to leave soon. Delay in public improvements promising to furnish employment to many is driving a large number to seek work elsewhere.

If Fairmount had possessed a fire-bell we would have had some fun the other day. A certain lady was sitting in her kitchen rocking the baby. Glancing upward her eye caught a fiery gleam through a crack in the ceiling. She immediately concluded that the attic was on fire. Knowing we have no fire bell she lifted up her voice. Help came to her assistance and a board in the ceiling was torn away; no smoke, no fire, nothing but the sun shining through a pitchy shingle. It was simply another case of optical illusion.

The East Eugene Improvement Association held its regular meeting last Monday evening. A good attendance was reported. The club is getting into the way of regular study of timely topics. A committee was appointed to take up the topic of assessment and taxation as conducted in the different states and to present to the club its findings with recommendations. It was suggested that if the work was well done the club might undertake to put the results in print for circulation.

A silver medal contest was held in Fairmount church on Wednesday evening. The speakers and singers were all from different parts of the town. All we had to do with it was to pay our admission and listen. All attending expressed themselves as well pleased. We need something of this kind for our young people.

H. K. Shirk had promised the Sunday school a picnic for yesterday on the banks of the race. The weather not being favorable he concluded to hold the same in the hall last evening, so word was passed around. All came and a very pleasant evening was spent with games and refreshments. The boys and girls showed a great capacity for ice cream and cake.

The work of grading Summit avenue is nearly completed. The rain has delayed the work.

Mr. Hampton is building a new residence on Columbia avenue. VERITAS.

CARL HAYDN, TENOR, SAN FRANCISCO OPERA COMPANY IN "FANTANA." TUESDAY, MAY 14

The light opera field. Her voice is a most beautiful soprano and is proclaimed by all who hear her one of the best, if not the best, heard in comic opera, and the press and public of Seattle, Denver, Portland, Los Angeles and every other city visited have been a unit in declaring Miss Hemmi an artist of the greatest ability. It may be worthy of mention to state that at the time of Miss Hemmi's engagement at the Tivoli Henry W. Savage did his utmost to secure her for the role of Lenora in "Trovatore" and other important roles in his English grand opera company. Teddy Webb is another artist who has never failed to make good, and up to ten years ago the people referred to Teddy as Edward Webb, the tenor.
