The Habit of Saving Brings Results

When prosperity rules, when we are making a fair living and a little more, it is our duty to set aside a part of our earnings as a sinking fund upon which to draw when our earning capacity becomes lessened.

In the matter of a savings account, as in most other things, the hardest part is making the start.

Should the average man's salary be reduced \$5 or \$10 per month, he would still live and not notice the difference.

Let him place that amount regularly with us and at the end of the year he will be just as much ahead and with interest also if taken in certificates of deposit.

We want you as a depositor.

Mennen's Toilet Powder is the Shining Mark of Success

which every imitator aims at. But Mennen's Borated Talcum Toilet Powder remains inimitable despite of all false boasts "as good as Mennen's."
Mennen's Toilet Powder made its fame by its superiority. It holds its fame by its same inimitable quality. There is nothing like Mennen's. There could not be, because no one else knows the secret of the Mennen powder and the processes of manufacture. Therefore no "imitation" has been more than a superficial imitation, superficial, spurious and fraudulent.
Under the provisions of the new pure food and drugs law every box of Mennen's bears the serial number designated by the government, a guarantee of purity and of protection to every purchaser and user of Mennen's Toilet Powder.
To give absolute protection to all users of Mennen's, the company has patented a non-refillable box—"The box that lies." Based on Mennen's for your own protection.
