LETTER CARRIERS
OF LANE COUNTY
HAVE ORGANIZED

The rural mail carriers of Lane county met at Springfield yesterday and organized an association with the following officers: President, M. C. Davis; vice president, E. A. Tower; secretary, J. H. Maxwell; treasurer, J. C. L. Woolley. M. C. Davis was elected delegate and J. C. L. Woolley alternate to the state convention to be held at Portland on June 7 and 8. The following carriers were present: Messrs. M. C. Davis, R. W. Smith, of Springfield, and R. B. Boyd, J. C. L. Woolley and J. H. Maxwell, of Eugene. After a general discussion of the needs of the carriers and plans for the betterment of the service the convention adjourned to meet at Eugene on Labor Day at 2:30 p. m. After the meeting adjourned a banquet was enjoyed at the American Hotel, provided by Springfield carriers and the postoffice force. This was a very pleasant affair and greatly appreciated by the visitors.

PILES

"I have suffered with piles for thirty-six years. One year ago last April I began taking Cascarets for constipation. In the course of a week I noticed the piles began to disappear and at the end of six weeks they did not trouble me at all. Cascarets have done wonders for me. I am a cured man. Feel like a new man." BAPTISTS IN ANNUAL CONVENTION

Umpqua Association Meets in Eugene,
First Session Beginning Last
Night - Dr. Stewart, Dean of
Theological Seminary at Rochester,
Principal Speaker

The Umpqua Baptist Association began its sessions last night at the Baptist church with Rev. J. W. A. Stewart, D. D., of Rochester, delivering the principal address. Rev. W. C. Sale, of Springfield, gave a first devotional address. Dr. Stewart spoke upon "The Home" and delivered a masterly and inspiring address. The home is of greater importance than the church or state, said the speaker. Like noble words set to grand music making the nation so is man and wife divinely united. The darkest cloud on the horizon of our society today, however, is the loneliness of the marriage bond. In Canada, with six million people, there are fewer divorces than in many yalagie countries in the states.

Organization Perfected.
The association perfected its organization this morning by electing Rev. D. W. Thurston, of Marshfield, moderator; Rev. W. C. Sale, of Springfield, clerk, and P. H. Emery, of Springfield, treasurer.

The chief interest today centered in the examination for the ministry of

SURVEYORS RETURN FROM UP M'KENZIE

Engineer Simon Klov Dahl and corps of surveyors who have been working on the preliminary survey for the Willamette Valley Company's line up the McKenzie river, arrived down from Blue River yesterday afternoon. They have run a line as far as Blue River City and found an excellent route with but a slight grade all the way up. Since leaving Gate Creek the line does not cross the river once and there will be no tunneling or heavy blasting of rock to be done.

Engineer Klov Dahl will begin within a few days on some work on the line between Eugene and Springfield and will be employed on the street railway here during its construction, which will begin within a few days.

The men accompanying him on the McKenzie survey were Otto Rowland, Wm. Mickelsen, Harry Mitchell, Will Clark and Ad Albro.

**NO DECISION ON
REFERENDUM PETITIONS**
Attorney-General Crawford is in Coos county and the expected decision in regard to university referendum petitions was not rendered today at Salem. The attorneys in the case have not yet filed their briefs.

FIRST BAPTIST CHURCH, WHERE CONVENTION IS BEING HELD, AND ITS PASTOR, REV. O. C. WRIGHT

John Thomas, of Marshfield, and the address this afternoon by Dr. Stewart.

Tonight's service will be unusual, being devoted largely to the ordination to the ministry of Mr. Thomas. The principal feature will be the sermon by Dr. Stewart and formal setting apart of the candidate. The public is invited to attend.

**CHILDREN FREE
ON OPENING DAY**

On our opening matinee Saturday, June 1st, at 2:30, the management of The Little Gem has decided to invite the children of Eugene to attend that performance free. It will cost them nothing. Send them and we will take good care of them.

PERT PARAGRAPHS.

The fellow who is in a tight place is apt to have corns.

When matrimony is included in the risks of the accident insurance companies, lots of young fellows will feel safer when they go out.

About the time that a man's hair begins to fall out he wonders what the young set is going the pace anyway.

You are apt to get into a pretty pickle if you associate much with a person of a sour disposition.

Some women join the detective force when they marry.

Most of us don't want our way if we can have it.

The honeymoon is pretty apt to be in its last quarter when the happy groom gets down to his last quarter.

Beauty is often a matter of dollars and sense.

The man who is able to discharge is the one who holds your job.

If you square things today, tomorrow is apt to come around smiling.

Some people believe in getting even first and acting like a Christian afterward.

MARY BAKER GLOVER.

Granddaughter of the Venerable Founder of Christian Science.

It is rather a peculiar position in which a pretty western girl, Miss Mary Baker Glover of Lead City, S. D., finds herself. She is a granddaughter of Mrs. Mary Baker Eddy, founder of Christian Science, and with her father and a nephew of Mrs. Eddy has brought suit for an accounting of the property of her grandmother, basing this action on the allegation that the famous author of "Science and Health" is incompetent to manage her affairs. She was with her father when he visited his mother at Concord, N. H., just previous to the bringing of the suit. Mrs. Eddy at that time showed solicitude that her granddaughter should be

MISS MARY BAKER GLOVER.

well instructed in the tenets of Christian Science. Miss Glover is not a Christian Scientist, however. Her father was at one time, but recently has not been counted among the adherents of the sect. Miss Glover has a bright and pleasing face, and her mouth is expressive of shrewdness. She has been familiar with mining camps and the hardships of life in such regions since childhood, as her father is a mine prospector and promoter and the inventor of a divining rod which he claims to be of value in the location of mineral wealth. He is Mrs. Eddy's only son, but was separated from his mother for many years. She gave him up at four years of age when she was a young widow because she could not care for him, lost track of him and for a long time supposed him dead.

TEDDY JUNIOR AT HARVARD.

How the President's Son Won a Much Coveted Post.

President Roosevelt's eldest son, Theodore Roosevelt, Jr., is often annoyed by having to be so much in the public eye while pursuing his course at Harvard university. His position as a student is rather a trying one in view of the publicity thrust upon him by reason of his father's high station, but he is considered to have shown good sense in the main and is popular with his fellow students. This is shown in the fact that he was recently chosen assistant manager of the varsity crew. A student who wins this post has to earn the appointment. Young Roosevelt could not have obtained it simply on the ground of being the president's son.

There were quite a number of candidates for the position, and all were

SNAPSHOT OF THEODORE ROOSEVELT, JR., assigned to the task of soliciting subscriptions for the support of rowing. When Teddy junior started to ask for subscriptions he got a good deal of "joshing" from fellow students, but kept at it until he had raised \$300, which was \$100 more than any other student raised. The contest then narrowed down to four candidates, and they were required to do odd jobs about the boat house, such as filling the tank and running errands for members of the crew. Not even this eased the president's son, and he finally won the appointment. In the natural course of events he will become manager of the crew in his senior year, and this is a position which carries with it much social prestige.

FURIOUS ITCHING HUMOR ON CHILD

Bleeding Sores Covered Her Whole Body After an Attack of Measles—Nursed Every Night for Three Weeks—Nothing Helped Her.

THEN CUTICURA MAKES COMPLETE CURE IN 5 DAYS

"It is in my opinion my duty to join those who praise the Cuticura Remedies. After my granddaughter of about seven years had been cured of the measles, she was attacked about a fortnight later by a furious, itching and painful eruption all over her body, especially the upper part of it, forming watery and bleeding sores, especially under the arms. She suffered a great deal and for three weeks we nursed her every night, using all the remedies we could think of. Nothing would help. We then remembered having heard so much about Cuticura Remedies. We sent for them and after twenty-four hours we noted considerable improvement, and after using only one complete set of the Cuticura Remedies, in five consecutive days the little one, much to our joy, had been entirely cured, and has been well for a long time. Mrs. F. Ruefenacht, R. F. D. 3, Bakersfield, Cal., June 25 and July 20, 1906."

HUMOR ON FACE
Cured by Cuticura Remedies
No Return in 20 Years.

"My son, when a lad of sixteen, was troubled with humor on his face and after using Cuticura Remedies he was freed from every humor and has continued so to the present time after twenty years have passed. Your Cuticura Soap has been used in my family for several years and I have faith in the Cuticura Remedies. A. H. Smith, Marion, Mo., Dec. 1, 1905."

and sound teeth, bear close relation to one another. You wouldn't expect a watch to run if some of the parts or wheels were removed; neither is it reasonable that you should expect good health when some of the vital organs to promote health, are lost.

A FULL SET of teeth will masticate food more thoroughly than part of a set. You will enjoy the use of teeth that I will replace, and the need of them may be greater than you realize. Come in and we will talk it over.

Mennen's Toilet Powder is the Shining Mark of Success

which every imitator aims at. But Mennen's Toilet Powder remains inviolable despite of all false boasts "as good as Mennen's". Mennen's Toilet Powder made its fame by its superiority. It holds its fame by its quality. There is nothing like Mennen's. There could not be, because no one else knows the secret of the Mennen powder and the processes of manufacture. Therefore no "imitation" has been more than a surface imitation, superficial, spurious and fraudulent. Under the provisions of the new pure food and drugs law every box of Mennen's bears the serial number designated by the government, a guarantee of purity and of protection to every purchaser and user of Mennen's Toilet Powder. To give absolute protection to all users of Mennen's, the company has patented a non-removable box—"the box that locks." It is on Mennen's for your own protection. Have you tried Mennen's Violet Borated Talcum Toilet Powder? Labels printed in violet perfume will find Mennen's Violet Talcum Powder with the odor of fresh-pinked, Parma violets.
