We assort cases, if desired; you can take as many bottles of any kind as you wish.

GROUND BROKEN FOR ALASKA-YUKON EXPOSITION

Seattle, June 1.—With impressive ceremonies ground was broken today for the Alaska-Yukon Pacific exposition which will be held here in 1909, opening just two years from date. The day was a holiday. Seattle presented a gala appearance and amid the blare of trumpets, the marching of a military band, inspiring speeches and banqueting the inauguration of active work on the Pacific world's fair was celebrated.

Many prominent men attended the ceremonies, and visitors from many nearby cities were present.

Hon. John Barrett, director of the International Bureau of American Republics, as the personal representative of President Roosevelt, was the principal speaker of the day and the guest of honor.

President John Edward Chilberg, of the exposition, after appropriate

afternoon by a banquet to John Barrett at the Rainier Club, Mr. Barrett is well known in the West. Before he entered the government service he was a newspaper man in Portland, Seattle, San Francisco and Tacoma. He began his diplomatic career as minister to Siam and since has held several important diplomatic posts.

It is thought by the management that two years of strenuous work on the \$10,000,000 world's fair will find it completed in every detail by June 1, 1909, the opening day.

The purpose for which the exposition is held is considered here to be worthy of the expenditure of so large a sum. Briefly, its primary object is to exploit the resources and potentialities of the Alaska and Yukon territories in the United States and Canada and to make known and foster the vast importance of the

MORDECAI BROWN.

TOPSY HARTSEL.
Star of the Philadelphia American outfield, who is celebrated for hair raising running catches and reliable batting.

remarks, turned the first spadeful of earth, while the band played the "Star Spangled Banner" and thousands cheered.

Addresses were delivered by Governor Albert E. Mead, of Washington, and Mayor W. H. Moore, of Seattle.

The ceremonies started with a big military parade at noon. It passed through the principal downtown streets and ended at Union station, where a special train was taken for the exposition grounds. The exercises on the grounds began at 2 o'clock.

L. N. Nadeau, director general of the exposition, was master of ceremonies. W. A. Williams, of Portland, represented Governor Chamberlain, of Oregon.

The day's ceremonies will end this

trade of the Pacific ocean and the countries bordering on it.

The exposition site, which embraces the unused portion of the campus of the University of Washington, is 250 acres in extent and borders for more than a mile and a half on Lakes Union and Washington. The Olympic and Cascade mountains are in sight and an unobstructed view may be had of the peaks of Mount Baker and Mount Rainier.

Now that ground has been broken work will start immediately on the landscaping and the laying out of the roads, plazas and circles. The administration building will be erected at once in order that the management may have headquarters on the grounds. The exposition plans call for about 12 large exhibit places arranged in a unique manner.

PREPARING TO BUILD DRAIN-MARSHFIELD ROAD

Many carloads of bridge material, made especially for the Drain-Coos Bay road, are arriving here daily and being piled in South Drain, where about 50 men are employed laying side tracks and switches and building concrete piers for the other new bridge over Elk Creek at the "Y" in South Drain. The company's enormous cement shed at this place is being enlarged, in which to store a lot more cement which is now on the way, and everything points to the early resumption of work on the new road. The S. P. Co. has a large office force of experienced railroad men—about 30 in number—here looking after the business, and all are confident that something will be done within a few days. Then watch the fur fly—off the mule's backs. Nonpareil.

My Best Friend
Alexander Benton, who lives on Rural Route 1, Fort Edward, N. Y., says: "Dr. King's New Discovery is my best earthly friend. It cured me of asthma six years ago. It has also performed a wonderful cure of ineffectual consumption for my wife. The first bottle ended the terrible cough, and this accomplished the other symptoms left one by one, until she was perfectly well. Dr. King's New Discovery's power over coughs and colds is simply marvelous." No other remedy has ever equalled it. Fully guaranteed by W. L. Delano, druggist, 30c and \$1. Trial bottle free.

Eighth Grade Examinations.
The eighth grade final examination for the public schools will be held June 13, 14, 1907.

Teachers who have pupils ready for the examination should notify me of the number of questions wanted and the name of the person appointed to conduct the examination at least 15 days before the date for which the questions are wanted.

A LONG FELT WANT

While working in the largest dyeing and cleaning works on the coast and while there seeing lots of garments shipped from Eugene to be dyed-cleaned, or dyed, and after investigating and going over the ground thoroughly we saw at once that there was a good opening for a first-class cleaning and dyeing works in Eugene, so we decided to put in a first-class plant and are doing well from the start. We are the only experts in this line north of San Francisco, and have had over 12 years' experience and guaranteed all work. All articles dyed and cleaned by us are treated separately for sanitary purposes and done by hand. In this way we obtain good results and as no machinery is used in our work that will tear or injure the fabric.

MOTHER'S KITCHEN
Seventh and Oak streets, has opened under new management. Good board and room by the day, week or month. First-class home cooking. Chicken dinner every Sunday.

The General Condemnation of So-Called Patent or Secret Medicines

of an injurious character, which indulge in extravagant and unfounded pretensions to cure all manner of ills, and the

National Legislation Enacted to Restrict Their Sale

have established more clearly than could have been accomplished in any other way

The Value and Importance of Ethical Remedies.

Remedies which physicians sanction for family use, as they act most beneficially and are gentle yet prompt in effect, and called ethical, because they are of

Known Excellence and Quality and of Known Component Parts.

To gain the full confidence of the Well-Informed of the world and the approval of the most eminent physicians, it is essential that the component parts be known to and approved by them, and, therefore, the California Fig Syrup Company has published for many years past in its advertisements and upon every package a full statement thereof. The perfect purity and uniformity of product which they demand in a laxative remedy of an ethical character are assured by the California Fig Syrup Company's original method of manufacture, known to the Company only.

There are other ethical remedies approved by physicians, but the product of the California Fig Syrup Company possesses the advantage over all other family laxatives that it cleanses, sweetens and relieves the internal organs on which it acts, without disturbing the natural functions or any debilitating after effects and without having to increase the quantity from time to time.

This valuable remedy has been long and favorably known under the name of Syrup of Figs, and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of Syrup of Figs and Elixir of Senna, as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs; and to get its beneficial effects, always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for Syrup of Figs, or by the full name, Syrup of Figs and Elixir of Senna, as Syrup of Figs and Elixir of Senna is the one laxative remedy manufactured by the California Fig Syrup Company, and the same heretofore known by the name, Syrup of Figs, which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.
