FRED FISH SECURES WILLAMETTE HOTEL

Yesterday the lease of the Willamette Hotel was transferred from J. Conner to Fred Fish, who has been managing it for some time. This gives Mr. Fish a free hand to conduct the hotel along the lines that meet his views, and he hopes, as rapidly as consistent, to make changes and such improvements as he sees fit. Mr. Fish is assisted by his parents in the management, and besides, is popular with the traveling public. All join in congratulating him upon his success in securing complete control.—Salem Journal.

SPEAKS GOOD WORD FOR FOLEY SPRINGS

H. F. Melwand and wife last evening returned from a several weeks' stay at Foley Springs, one of the finest mountain resorts on the coast, where they had a pleasant time. A. A. Haflinger is proprietor of the hotel and runs a good place. The hot springs have a daily yield of 172,000 gallons at a temperature of 188 degrees. The springs are 58 miles east of Eugene, and a stage leaves that city Mondays, Wednesdays and Fridays, at 6 a. m., arriving the same day. Foley Springs is just 2000 feet above the Pacific and the climate is very pleasant. The Three Sisters are only a few miles from the Springs, adding to the attraction of the place.—Albany Democrat.

ANNOUNCEMENT

I beg to announce that I have purchased of Wm. Staiger, of Salem, Or., his business and entire stock of monuments, which is without doubt the largest, best finished and selected stock in the state, and consists of Scotch, Swedish and Eastern granite and Vermont marble; monuments, tablets, etc., of nearly every design. I have some exceptionally good things to offer the people of Eugene and Lane county at this time. I can make prompt delivery. Besides the stock on hand I have also on the sea coming by rail Scotch and New England granite.

Now is the opportunity to make a good selection for summer and fall delivery, and have your work well set before the rainy season.

FOR OUR READERS

To Prove That Hyomel Will Cure Catarrh Every Reader of the Guard for Eugene People to Neglect.

If there is any doubt in your mind as to the power of Hy-o-mel, the medicated air treatment, procure all catarrhal troubles, the remarkable offer made by Mr. Hull should dispel that doubt. He gives his personal guarantee with every dollar outfit of Hyomel he sells to refund the money unless it gives satisfaction. He takes all the risk of cure, and no reader of the Guard can afford to longer suffer with catarrh when an offer like this is made.

With every Hyomel outfit is a neat pocket inhaler, and Hyomel breathed through this inhaler reaches the most remote air cells of the nose, throat and lungs, destroying all catarrhal germs, and soothing and healing the irritated mucous membrane.

Hyomel really gives you a health-giving climate in your own home, so that when you breathe its medicated air your nose, throat and lungs will be filled with air like that on the mountains high above the sea level, where grow balsamic trees and plants which purify the air with their volatile anti-septic fragrance so healing to the respiratory organs.

You will notice relief and benefit from the first use of Hyomel, and it will not take many days' treatment to convince you that in this remedy you have found a complete and lasting cure for all catarrhal troubles. J11

One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the ethical character of its product has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the approval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co., and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.
