BUSINESS FOR SALE

For some time I have been conducting a general merchandise business in Moro, Oregon, with practically no competition. I have built up a trade of over \$90,000 a year, netting me a profit of over 15%. This has all been done with hired help as my time has been devoted to the real estate business. With little effort it can be made to pay over 20% on an investment of \$28,000. If I were going to remain in the mercantile business, I would stay right here. I have good reasons for selling.

Moro is the county seat of Sherman county; is surrounded by a rich wheat district and is in the midst of a population of over 2,500 people. It offers the best opportunity for a man of energy in the Northwest today.

PROPOSITION: My price is the actual invoice cost of the goods in stock at the time of sale. I will take either cash in full or part Portland or Willamette Valley real estate or secured notes. I will pay all the expenses of any man who investigates and does not find everything as I represent. This is a first class offer and I know it. It is better than 90% of the offers you read about. Investigate and find that I am right.

"Simply Beautiful"
True beauty consists not in cost, but in appropriateness, and the highest form of art may be described as "simply beautiful."
Is this true of the walls in your home? If it is not, you can make it so. You can make them appropriate by making them reflect your own taste; you can make them "simply beautiful" by using

Alabastine The Sanitary Wall Coating

Alabastine makes walls look better and last longer, and it is more hygienic than any other wall covering. Yet Alabastine is both easy to buy and easy to apply—a powder that is mixed with cold water and put on with a brush. Don't imagine you know all about it from reading this ad. But call at our store and let us show you the Portfolio of Alabastine Prize Designs—let us show you exactly what Alabastine is, and exactly what it will do.
