Suesine Silk

Suesine Silk is not a mercerized cotton or imitation of silk—it is silk—real silk, fortified inside the fabric with a fine, thin fibre of Egyptian cotton, giving double strength and double wear without detracting from the exquisite beauty and fineness of the silk itself.

Suesine Silk comes in all the leading shades, is 27 inches wide and retails at

SECOND LEAGUE GAME

IS NEXT SUNDAY

The second league baseball game will be pulled off at Recreation Park between the Springfield Blues and Eugene Colts next Sunday at 3 p. m. If the Colts win it will place Eugene and Springfield on an equal footing, while if the Blues come out on top Springfield will have a good lead for the coveted rag. Eugene has de-

feated all comers this season, but they have not bucked up against the speedy aggregation from across the river. Both teams are strengthening for Sunday's game. Whittaker will be at third and Wistar Johnson at short for the Colts, while Carter Lee will play short and Karl King will do the catching for the Blues. What promises to be the feature of the game will be the pitchers' battle between the two side-wheelers, Hurd, Springfield, and DeNeffe, of Eugene. All Springfield will be over to top Springfield for their team and the crowd promises to be a record breaker.

POET TELLS OF SENATORIAL BEE

Joaquin Miller Mixes Political Talk With Some Poetic Illusions.

Joaquin Miller, with his high boots, long beard, frock coat and senatorial boom, is at the Imperial hotel meeting friends, passing out cigars and acting like a politician, says the Portland Journal. He has not lost his divine afflatus, and speaks of the mountains, forests, streams and hills in his old poetic fashion. In fact the senatorial probability is submerged in a prospective edition of poems.

How the poet came to be a senatorial possibility was told in an old-fashioned manner this morning in which side dissertations on the beauties of Oregon, ambitions realized and fulfilled, past history of the Oregon country as seen from an ox-wagon, filled most of the interview. "It was this way," began the poet. "When I was in Portland on my day at the Lewis and Clark exposition some of the old-timers told me that I ought to be the United States senator. That was two years ago. Some of them still think so. I am not seeking the office, neither am I running away from it.

"That is all there is to it. What would you do? I have had a great deal of experience in Oregon; know every tree in the state and a few outside. That is one of my strongest recommendations for the office."

Mr. Miller will be in Portland several days. He will take part in the meeting of the pioneers and stay for the rose carnival. Next week he will leave for Canyon City, where he will be the orator at the Fourth of July celebration.

LITTLE BABY CURED OF ECZEMA

Parents Applied to Hospitals and Doctors but Could Get No Relief—Grew Worse Under Doctor's Prescription—Friends Recommended Cuticura—Result

A SPEEDY AND PERMANENT CURE

"We express to you herewith our best thanks for the cure of our baby from eczema. The eczema appeared when the child was three months old. We applied to several doctors and hospitals, each of which gave us something different every time, but nothing brought relief. A physician recommended a salve which we threw into the fire after two days' use as the eczema became worse so that the baby scratched his face. At last, one of our friends recommended to us Cuticura Soap and Cuticura Ointment. A few days afterwards improvement could be noted. Since then we have used nothing but Cuticura Soap and Cuticura Ointment, and now the baby is six months old and is quite cured. All that we used was one cake of Cuticura Soap and two boxes Cuticura Ointment, costing in all \$1.25. Even the poorest man can pay that instead of throwing it into the doctor's lap. I myself only make twelve dollars a week as a teamster, but I recommend the Cuticura Remedies strongly to all mothers whose children suffer from such diseases. They are cheap, harmless and good. C. F. Kara and Wife, 343 East 65th Street, New York, March 30, 1906."

CLOCKS

MAN'S NEGLIGENCE

Causes severe losses. A very common one is the loss of his teeth. Nature doesn't supply the second set—I DO. One reason it's easy to become accustomed to teeth—I FIT—most people don't return after a day or two with popular complaints. "Didn't know it could be done so easy", is what they say. Any reason why you shouldn't make a similar remark if I fit your second set of teeth?

Mennen's Toilet Powder is the Shining Mark of Success

which every imitator aims at. But Mennen's Borated Talcum Toilet Powder remains indelible despite of all false boasts "as good as Mennen's". Mennen's Toilet Powder made its fame by its superiority. It holds its fame by this same indelible quality. There is nothing like Mennen's. There could not be, because no one else knows the secret of the Mennen powder and the processes of manufacture. Therefore no "imitation" has been more than a surface imitation, superficial, spurious and fraudulent. Under the provisions of the pure food and drugs law every box of Mennen's bears the serial number designated by the government, a guarantee of purity and of protection to every purchaser and user of Mennen's Toilet Powder. To give absolute protection to all users of Mennen's, the company has patented a non-imitable box—"the box that lies." Inset on Mennen's for your own protection. Have you tried Mennen's Violet Borated Talcum Toilet Powder? Ladies partial to violet perfume will find Mennen's Violet Talcum fragrant with the odor of fresh-picked Parma violets.
