Portland Market Review.
Portland, Or., June 27.—The local egg market shows improvement, and unless there should be a material increase in receipts from Valley points there is a possibility of better prices this week than now prevail. Quotations today are 25 cents for current receipts and 24 cents for choice banded stock. Arrivals were light yesterday and reports from Front street are that there are no accumulations of stock on hand anywhere.
It is now a race between new and old potatoes for the favor of the consuming public, and the new crop tubers appear now to have the better of the situation. In California, where the crop this year is short, on account of early spring floods, Garret Chiles is quoted at 50 cents a hundred higher than yesterday, and this fixes the price in the local market.

Loganberries Are Getting Down.
Supplies of loganberries are liberal today and sales were made along the street as low as \$1.35 during the day. This was for fair quality. Some good fruit sold fractionally higher than this. It is believed by the trade that this is the time for growers to notify their trade that canning time is about at hand for it is unlikely that the price will be cut under the present figure for good fruit.

Raspberries are very much more free and the price has dropped to \$1.50 and \$1.75 for 24's.

Strawberries are very firm although receipts were fractionally larger.
Cherries are coming in better shape. Some fancy bins were received this morning from J. R. Shepherd at Salem. They were packed in cartons. Kentish cherries are coming in more freely. The ordinary run of cherries today finds a demand at 6@7c.

Still another car of naval oranges was received this morning. Fine shape, too.

Hothouse cucumbers are in very large supply and are selling at 50c to \$1 a dozen. Outdoor grown sells at \$1.50@1.75 per dozen.

Brief Notes of the Trade.

Chicken market duller with prices unchanged. Spring ducks neglected. Creamery butter situation remains mixed with the larger creameries talking of weaker tone as per their interviews in this report yesterday.

Compound lard was sharply advanced ½c a pound owing to the material increase in the cost of cotton seed oil which enters into its manufacture.

Demand for dressed veal remains heavy while dressed hogs are slow sellers. Prices unchanged.

Small amount of shad being re-fishermen who are said to be contesting the interpretation placed on the law by Master Fish Warden Van Dusen of Astoria.

Today's Front street prices:

Portland Livestock.
Receipts at the local livestock yards today were: Cattle 53; sheep 110; hogs 55; lambs 120. The market for all stock is steady at current prices, with the exception of that of lambs, which is weakened. Quotations for the day are:

Cattle—Best steers, \$4.25@4.40; medium, \$3.75@4.25; cows, \$3@3.50; fair to medium cows, \$2@2.50; calves, \$4@5.50.

Sheep—Good, shorn, \$4.25@4.50; lamb, \$5.75@6.

Hogs—Best, \$6.75@6.85; lights, fat and feed, \$6.25@6.50.

Portland Quotations.

Creamery Butter—22½@25c.

Eggs—23@24c.

Chickens—10½@11½c.

Wheat—Valley, 84c; bluestem, 89c.

Oats—27@28c.

Barley—Per ton, \$22@23.50.

Hay—Timothy, \$16@18; vetch, \$7.50; grain hay, \$7@8.

Mohair—Choice, 29@30c.

Wool—Valley, coarse to medium, 19@21c.

Hops—Prime, 6@7c.

Potatoes—\$2.75 per cwt; new 3½c lb.

Onions—\$2.75@3.50 per cwt.

Chittim bark—5c pound.

Lost Valley News.

(Special Correspondence.)

Lost Valley, June 24.—Even though "Ayers" predicts rain this week, we have no signs of it thus far. Wm. Williams and son, Bernice, made a trip to Eugene last week.

H. M. Parvin has a fine new mowing machine, to commence harvesting with.

L. L. Addington's baby is quite sick.

Lanzie Winfrel, of June, made a trip to the upper Willamette last week.

The Eugene Lumber Co.'s drive of a million and a half feet, passed Dexter last week.

L. H. Jacobs has discontinued logging until after harvest.

Mr. Mooney has also broken camp and is home for harvest.

Tom Bowen is hauling lumber for his new house, which he will soon erect.

Some varmint ran amuck with Asa Tilton's sheep one night last week, and killed five of his best.

W. H. Panton made a trip to Pleasant Hill this week.

Next week we will hold aloft "Old Glory" and help make the eagle scream—(by squeezing the dollars?)

Mrs. J. M. Keeney is attending the Christian meeting at Turner.

"SLEEPY HOLLOW."

A LONG FELT WANT

While working in the largest dyeing and cleaning works on the coast and while there seeing lots of garments shipped from Eugene to be dyed-cleaned, or dyed, and after investigating and going over the ground thoroughly we saw at once that there was a good opening for a first-class cleaning and dyeing works in Eugene, so we decided to put in a first-class plant and are doing well from the start. We are the only experts in this line north of San Francisco, and have had over 12 years' experience and guarantee all work. All articles dyed and cleaned by us are treated separately for sanitary purposes and done by hand. In this way we obtain good results and as no machinery is used in our work that will tear or injure the fabric.

Everything possible in cleaning or dyeing. Eugene Dye Works, 659 Willamette street. Phone Red 2861. C. Marx, Jr., manager.

MUST CUT OUT WEEDS

Non-Compliance Means Fine or Work Done by the City.

Notice is hereby given that all owners, agents and occupiers of lands and lots within the city of Eugene, are required to cut and remove the grass, weeds, thistles and bushes growing in the streets and alleys adjacent to their said lots and lands on or before the 25th day of June 1907, or be prosecuted under ordinance No. 311 of the city providing for the cutting of such grass, weeds, thistles and bushes. Also to cause all Russian thistles, Canada thistles and Chinese thistles to be cut away from any premises owned or controlled by them as required by Chapter 188 of the laws of Oregon for the year 1907, or be fined not less than \$10 for the first offense, and not less than \$25 for the second, or the city will have the work done at the expense of the property owner and occupiers.

ALABASTINE

ALABASTINE

"Simply Beautiful"

True beauty consists not in cost, but in appropriateness, and the highest forms of art may be described as "simply beautiful."

Is this true of the walls in your home? If it is not, you can make it so. You can make them appropriate by making them reflect your own taste; you can make them "simply beautiful" by using

Alabastine

The Sanitary Wall Coating

Alabastine makes walls look better and last longer, and it is more hygienic than any other wall covering. Yet Alabastine is both easy to buy and easy to apply—a powder that is mixed with cold water and put on with a brush. Don't imagine you know all about it from reading this ad, but call at our store and let us show you the Portfolio of Alabastine Prize Designs—let us show you exactly what Alabastine is, and exactly what it will do.

BUSINESS FOR SALE

For some time I have been conducting a general merchandise business in Moro, Oregon, with practically no competition. I have built up a trade of over \$90,000 a year, netting me a profit of over 15%. This has all been done with hired help as my time has been devoted to the real estate business. With little effort it can be made to pay over 20% on an investment of \$28,000. If I were going to remain in the mercantile business, I would stay right here. I have good reasons for selling.

Moro is the county seat of Sherman county; is surrounded by a rich wheat district and is in the midst of a population of over 2,500 people. It offers the best opportunity for a man of energy in the Northwest today.

PROPOSITION: My price is the actual invoice cost of the goods in stock at the time of sale. I will take either cash in full or part Portland or Willamette Valley real estate or secured notes. I will pay all the expenses of any man who investigates and does not find everything as I represent. This is a first class offer and I know it. It is better than 90% of the offers you read about. Investigate and find that I am right.
