

It's time you learned about

Suesine Silk

Suesine Silk is not a mercerized cotton or imitation of silk—it is silk—real silk, fortified *inside* the fabric with a fine, thin fibre of Egyptian cotton, giving double strength and double wear without detracting from the exquisite beauty and fineness of the silk itself.

Suesine Silk comes in all the leading shades, is 27 inches wide and retails at

50c per yard

BASEBALL AT SPRINGFIELD ON SUNDAY

Two Games Scheduled, One For the Forenoon and the Other in the Afternoon - Social and Local News Notes of Bustling Mill City During Past Week

The game Sunday afternoon, June 30th, between the Sale and local team promises to be the fastest game seen in Springfield this season. Sa-

BOBBY WALLACE.

The talented shortstop of the St. Louis Americans, one of the best.

lem showed her ability to play ball when she held McCormick's Colts down to a 3-2 score a couple of weeks ago, and would have won the game had not the ball been lost in the high grass in left field, thus letting in two runs. Springfield also showed her ability to play ball last Sunday although they were defeated, 6-5, in a hair-raising finish by Mack's bunch.

Since last Sunday the locals have strengthened their line-up considerably.

The first preliminary game of the season will be played Sunday morning at 10 o'clock between the yard and mill men. An admission fee of 10 cents will be charged for gentlemen, while ladies will be admitted free. Everybody free to grandstand. "Doc" Andrews and "Fat" Kestly are getting up the opposing teams, so everyone will be assured their money's worth.

On Wednesday, June 26th, at the home of the bride's parents, Mr. and Mrs. J. H. J. J. Bryan has his new real estate office nearly completed and will soon be ready to "start the ball rolling." He will handle real estate and insurance. If a neat and commodious office will help get the business Mr. Bryan is certain of success.

ALL HAIL PE-RU-NA. A Case of STOMACH CATARRH.

Miss Mary O'Brien, 806 Myrtle Ave., Brooklyn, N. Y., writes: "Peruna cured me in five weeks of catarrh of the stomach, after suffering for four years and doctoring without effect. In common with other grateful ones who have been benefited by your discovery, I say, All hail to Peruna."

Mr. H. J. Henneman, Oakland, Neb., writes: "I waited before writing to you about my sickness, catarrh of the stomach, which I had over a year ago."

"There were people who told me it would not stay cured, but I am sure that I am cured, for I do not feel any more ill effects, have a good appetite and am getting fat."

"So I am, and will say to all, I am cured for good."

"I thank you for your kindness. Peruna will be our house medicine hereafter."

Catarrh of the stomach is also known in common parlance as dyspepsia, gastritis and indigestion. No medicine will be of any permanent benefit except it removes the catarrhal condition.

Nervous Debility.
Miss Irene Smith, 10 Minnesota Ave., Randle Highlands, Washington, D. C., writes:

"Peruna cured me of catarrh of the head and stomach and nervous debility from which I suffered for two years."

..DENTISTRY..

We wish to call your attention to a few facts. We know of no other method as good as the newspaper. Many people allow their teeth to crumble and decay because the methods of dentistry heretofore have been so painful.

It is a fact, a proven fact, that the little wonder Pain Saver is a success when drilling out the cavities of teeth. How do we know? Because we demonstrate it every day.

Remember we place these methods at your door. You may take advantage of them if you wish. We do not have the exclusive right to these methods, but we do spend money, and great deal of it, to give to the public that which they so much demand.

We do not knock the methods of others or their work, but we do let you know all about the advanced methods in dentistry. We believe in progress and achievement. With our painless method of killing nerves, of extraction, and now of drilling, means we are in a position to ask your investigation and patronage.
