

RECORD-BREAKING CROWD AT THE CELEBRATION

ESTIMATED THAT OVER 20,000 PEOPLE WERE IN EUGENE TO WITNESS THE EXERCISES YESTERDAY.

Parade Was Tame Affair But Other Features Were Up to Standard—Weather Perfect and Everybody Seemed Happy and Prosperous—Fireworks in Evening.

The Fourth has come and gone and with it one of the best celebrations Eugene ever saw. The crowd was a record-breaker, estimates placing the number of visitors at something like 15,000 persons, and with the 7,000 ties of the occasion, the streets were all out and took part in the festivities of the occasion, the streets were a mass of humanity from early morning till late at night.

The weather man relented and contrary to his previous announcement gave us the best of weather possible. It was not too warm and there was not a sign of rain. Everybody was comfortable and there was no complaint whatever. The exercises were held according to the program and everything was a success. The committee worked hard and unceasingly from the beginning of the exercises until the last event was pulled off, and great credit is due the members for their efforts. The parade was something of a disappointment to most of the people, but they should not have expected anything great, as it was not the intention of the committee to secure any elaborate features, preferring to put the money into other attractions. One feature of the parade had to be omitted at the last minute. The float carrying the little girls representing the several states of the Union broke down just as the parade was about to start and there was not time enough to fix it up again so it was left out. None of the girls were hurt badly, although some of them received slight scratches and bruises.

Swarms From Country.
People from the country began coming into Eugene Wednesday and that night all the hotels and lodging houses were full. The bulk of the crowd drove in during the forenoon yesterday and by the time the exercises began it was plainly evident that no larger crowd ever attended a celebration in Eugene than was here yesterday. The crowd was very orderly and there were no arrests by the officers during the entire day. Everybody seemed happy, had plenty to eat and drink (no booze) and it was a common remark that everybody seemed better dressed this time than ever before, an indication of the prosperous times that prevail throughout Lane county.

Parade Late.
The parade was advertised to start at 9:30 a. m., but owing to an accident to the little girls' float it was over half an hour late in leaving the court house corner where it was formed. First came Grand Marshal Amos Wilkins and his aides, F. T. Plank, Henry Mathews and Hugh Hampton, mounted on prancing steeds, followed by the Eugene military band. Then Companies A and C. O. N. G., came, and they were followed by the Goddess of Liberty float. Miss Pearl Gilbert made an excellent Goddess. Her type of beauty is splendidly suited to the role. As the float passed up and down the streets she was greeted by rounds of applause, showing the admiration of the crowd. Her aides were the Misses Nan Peterson, Edna Yarnell, Pearl Gilbert (cousin of the Goddess) and Florence Striker.

After the Goddess of Liberty float came the Brownsville band and a carriage containing the chaplain, orator, and the president of the day. After traversing several of the principal streets the parade pulled up at the east park where the literary exercises were held. Judge L. T. Harris, president of the day, opened the exercises by announcing that Rev. O. C. Wright would offer prayer. After music by the band the Declaration of Independence was read by John C. Veach and the oration delivered by Attorney C. N. McArthur, of Portland. Those who heard the orator speak highly of the effort. Mr. McArthur was a prominent orator during his college days here and he has very much improved since. The little girls who represented the states and whose float broke down, were on the platform, and directed by L. G. Hullin, they sang patriotic songs. After the regular exercises the platform was cleared and Misses Clifton and Cook entertained the audience with their fancy rifle shooting. It was the best ever seen here.

Fire Drill Was Good.
Everybody then went home or to the hotels and restaurants for dinner and shortly after one o'clock the exhibition fire drill took place. The shack that had been built on the empty lot across from the Hotel Gross was fired and the big black team started out of the engine house with the chemical engine and hose wagon. In exactly one minute and 42 seconds after the fire was started water had been turned on the flames which were extinguished in a very few minutes. The exhibition was witnessed by several thousand people and the run was made without the slightest accident. Firemen Croner and Nusbbaum handling the horses very cleverly.

The Sports.
After the fire drill came the sports the winners of the various events being as follows:
100-yard foot race—Paul Bond first; William Peters second.
200-yard race—Paul Bond first; John Cantwell second.
Canoe race—Doubles won by Bond

and Hammack; singles, Ralph Robinson first and Hammack second.
Sack race—Bill Adler first; Harry Simpson second.
Tub race—Bill Adler first; John Goling second.

The Horribles.
The horribles, or plug uglies, appeared at 3:30 in the afternoon and marched to the ball grounds headed by the Brownsville band. H. W. Hall, who had charge of this feature of the celebration, showed that he knows his business. There were some features never seen here before and everything was pulled off in good fashion. All during the day the horribles were in evidence, there being several policemen who made arrests of fake drunken men and at one time four of them marched down the street carrying a stretcher containing a dummy man all covered with blood. Several of the city policemen were accosted by the horribles much to the amusement of the crowds. The parade was headed by Uncle Sam, followed by the Brownsville band. There were clowns, Irishmen, Dutchmen, and Norwegians, rubbernecks, a stork and numerous other features. Ira McFarland took a prominent part in the parade.

A considerable number of the celebrators took in the ball game and saw the Eugene team defeat the teamers from Springfield by the score of 3 to 2.

More music in the east park by the Eugene band and another rifle exhibition completed the afternoon's program. As soon as darkness came on the fireworks were started on the south slope of the butte. They were witnessed by thousands of people and all admired them, although they were not as elaborate as some seen here before.

The two dances ended the day's festivities. Everybody seemed satisfied with the celebration and evidently got their money's worth.

Notes of the celebration.
Not a single drunk was seen on the streets and the officers had little to do in preserving order.

The absence of the dynamite canes was agreeably noticeable. They are prohibited by city ordinance.

The refreshment stands all did a record-breaking business. Some of them ran out of wares before evening and quit business.

The band music in the east park during the dull moments of the day was certainly appreciated.

The W. R. C. served dinner in the empty building next to Kuthe & Hartley's cigar store. They did a good business. The Episcopal Guild had a served dinner in the new room to be occupied by Friendly's clothing department.

There were six of seven stands around the park grounds, several conducted by organizations and others by individuals.

Besides the regular police force the only other officers on duty were Street Commissioner Turner and Assistant Baker. They had little to do, however.

All the dealers in firecrackers and other explosives sold completely out. In the evening before the fireworks the noise of the explosion of firecrackers sounded like an infantry battle.

GOOD CELEBRATION AT SMITHFIELD
There was a good celebration at Smithfield yesterday. The crowd was large and the exercises were interesting. Mayor J. D. Matlock, of this city, delivered an excellent oration and Miss Hill recited the Declaration of Independence, having committed it to memory. There were good sports and various amusements befitting the occasion.

EUGENE WINS FROM SPRINGFIELD ONCE MORE

The base ball game yesterday afternoon at Recreation park between Eugene and Springfield teams of the Lane County League, was won by Eugene, the score being 3 to 2. The game was slow and devoid of sensational features, although one or two decisions by Umpire Wintermeier called forth loud protests from the Springfield team and its sympathizers. They claim the umpire robbed them of two runs. There was a record-breaking crowd present, perhaps 2,000 people entering the gates. The score by innings:
Eugene . . . 0 0 0 1 0 0 2 *—3
Springfield . 1 0 0 0 1 0 0 0—2
Batteries, DeNeffe and Weed; Hurd and King.

Yesterday's coast league scores: Portland 8-3; Los Angeles 2-2. Oakland 6-8; San Francisco 3-15.

ITCHING TORTURE OF LITTLE BABY

Head and Face Covered With Awful Itching Sores and Scabs—Would Scratch Until Blood Came—Mother in Despair for Treatment Did No Good—Dread Disease

YIELDED TO CUTICURA ALMOST IMMEDIATELY

"I was in despair about my baby. When he was about two months old his face and head were full of scabs and very itching sores with terrible running matter. I had to tie his little hands in bags for fear he would scratch his face and head. I had two or three doctors but they did not do any good. I was told to try Cuticura Soap and Cuticura Ointment and I can say that they stopped the running matter immediately and soon after I had washed him twice he looked almost well, but I used about three cakes of Cuticura Soap and four or five boxes of Cuticura Ointment, continuing the treatment for two or three months. I also used Cuticura Remedies for my other children and took Cuticura Resolvent myself to purify my milk for my baby whom I nursed while he suffered with that terrible itching and sores he had. Now I always have Cuticura Soap and Ointment in the house handy. I shall be glad if you want to publish this letter so that other sufferers will come to know what good the Cuticura Remedies do. Mrs. Frances Hines, 1205 Dickinson St., Philadelphia, Penn., Nov. 8 and 18, 1906."

SKINS ON FIRE

PAVING PETITION PRESENTED TO COUNTY COURT

A committee from the Commercial Club met at four o'clock presented the petition for paving East

Eighth and Oak streets where they border on the county grounds. It is desired to get the consent of the county commissioners' court to pave these streets so that an ordinance ordering the work done can be passed by the city council at its meeting next Monday night. The proposed ordinance covers a distance of three blocks on Eighth street—from Willamette to High—and two blocks on Oak street—from East Seventh to East Ninth.

Long Live the King. is the popular cry throughout European countries, while in America the cry of the present day is "Long live Dr. King's New Discovery, King of throat and lung remedies, of which Mrs. Julia Ryder Paine, of Turo, Mass., says: "It never fails quickly cure a cough or cold." Mrs. Paine's opinion is shared by a majority of the inhabitants of this country. New Discovery cures weak lungs and sore throats after all other remedies have failed; and for coughs and colds it is the only sure cure.
