HIGH SCHOOL COURSE
HAS BEEN ADOPTED

State School Superintendent Ackerman, after a conference with prominent educators, has adopted a high school course with one, two, three and four year courses. Under it students will be required to read two English classics. Bookkeeping is mandatory in the first year in all high schools, irrespective of curriculum offered. Latin is placed in the fourth year course and is optional. Physics is required in the third year of the course. Work in English has been strengthened by requiring grammar, composition and rhetoric to be carried through the first two years.

IMMENSE TIMBER DEAL REPORTED

Current rumor has it that the C. A. Smith Lumber company, which is now constructing a mill with a capacity of 250,000 feet daily on Isthmus Slough, a tributary to Coos Bay, is about to purchase the Gardner Mill company's holdings in Douglas county, says the Coos Bay Times. The deal, if consummated, will be one of the biggest transactions ever carried through in this section of the coast county.

Along the Umpqua and Smith rivers the Gardner Mill company controls thousands of acres of rich timber land with the present holdings in Coos county the new purchase will give the C. A. Smith company almost a corner on the timber supply in this section.

A. Meehan, general superintendent for the C. A. Smith company, when asked regarding the report, said he was unaware of any deal. He advised that C. A. Smith be asked regarding the matter. Mr. Smith will be in Coos Bay on the Breakwater about July 3. His presence at this time gives color to the story of the reported sale.

PLEASING CONCERT BY BARACA QUARTET

The concert given last Friday evening by the Baraca Male Quartet was one of the most enjoyable affairs of the kind given here this season. The young gentlemen composing the quartet are all talented musicians, and every number of the excellent program was highly enjoyed by the fair sized audience. Prof. Glass, who has taught and trained the quartet,

ROGER BRESNAHAN.

also favored the audience with a few numbers. Mr. Glass has an exceptionally fine voice and his rendition of "Old Kentucky Home" was particularly pleasing.—Central Point Herald.

CURE YOUR KIDNEYS.

Do Not Endanger Life When a Eugene Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use, because it gives to the kidneys the help they need to perform their work.

If you have any, even one of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Read this Eugene testimony:

Mrs. A. J. McKinney, of 65 Lawrence street, Eugene, Ore., says: "For several years I had attacks of kidney trouble at odd times, and recently they were more acute. There was backache and more or less irregularity of the kidneys. Being induced to try Doan's Kidney Pills I found relief almost from the first dose. The backache soon left me and I felt better and stronger. As I continued their use every symptom of the trouble disappeared. Other members of our family have also had good results from using Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

A Wonderful Happening.

Port Byron, New York, has witnessed one of the most remarkable cases of healing ever recorded. Amos F. King, of that place, says: "Buckley's Arnica Salve cured a sore on my leg with which I have suffered over 50 years. I am now eighty-five." Guaranteed to cure all sores by W. L. Society Events

MISS Ermine Church entertained with an afternoon with an announcement on Wednesday afternoon party in honor of Miss Grace Edmunson, whose wedding to Mr. J. H. Ohler of Astoria is announced for the tenth of this month. What was the game of the afternoon, with hearts for trumps. The first prize was awarded Miss Estelle Bean and the consolation token to Mrs. John Kelly. The heart idea was also carried out in the luncheon, which was daintily served by Mrs. Adelaide Church and Mrs. M. Edmunson. The guests of this delightful affair were Mrs. L. M. The affair was in honor of Miss Grace Edmunson, one of Eugene's society girls, whose engagement has already been announced. The afternoon was given up to the making of many dainty and elaborate towels which were presented to the fortunate young lady with many quaint and original speeches. During the afternoon Mrs. Lester Luckey favored the guests with a number of piano selections and Miss Ethel Barbour rendered a vocal solo. A dainty luncheon was served during the afternoon by the hostesses, assisted by Miss Flora Kelly and Miss Margaret Hettich. Favors for the afternoon were small packages of soap, which were concealed under a centerpiece of flowers. Long streamers of ribbon led to the corners of the table, where they were immediately grasped by the curious guests. Amid shouts of glee and happiness the much sought favor, a picture, was found to be in the possession of another popular girl whose marriage, dame rumor has it, is soon to take place. ..DENTISTRY..

It is not necessary to lose your teeth in this day and age if you give a dentist with modern methods a chance to save them.

Why extract them because they ache? Why get rid of them when they start to decay? Do you realize that the teeth are a part of the body the same as the finger, the eye or ear? They have their function to fulfill. It is indeed a very important function; if it is not well performed the rest of the human organism suffers. Your food half masticated throws the half done work onto the stomach to complete.

Overwork the stomach, in time you have indigestion; indigestion produces an ugly disposition. Why not then have the teeth all filled and where they have been extracted replaced by bridge work. If they are in a condition that can not be cured, have them extracted and teeth on plates made to replace them. We fill teeth by our late methods without pain. We also extract them without pain.
