Suesine Silk

Suesine Silk is not a mercerized cotton or imitation of silk—it is silk—real silk, fortified inside the fabric with a fine, thin fibre of Egyptian cotton, giving double strength and double wear without detracting from the exquisite beauty and fineness of the silk itself.

Suesine Silk comes in all the leading shades, is 27 inches wide and retails at

50c per yard

NARROW ESCAPE FROM OIL TANK FIRE AT JUNCTION

Another oil tank fire was narrowly averted last Wednesday forenoon, says the Junction City Times. An engine was left standing by the storage tank with the injector open. The oil was not consumed as fast as the flow and the surplus ignited in the drip-pan. Flames and black smoke almost enveloped the engine.

Third baseman, for whom the Detroit team, American league, had to pay \$8,000 two years ago.

The second one also. If there were not exercised a serious fire will follow. Then it will be necessary for the city council to declare the oil tanks a nuisance and a menace to public safety.

News Notes.
Our ball tossers crossed bats with the Monroe nine Sunday and succeeded in carrying away the honors of the day. The score was 15 to 4 in favor of Junction.

Dr. C. L. Williams left Friday for Chicago. He will visit his old home in Indiana and will also attend the Jamestown exposition. He will be absent some two months.

A man who had taken very strongly of booze in Eugene, got off here Monday, thinking he was in Portland and was walking over town looking for the home of his mother. Acting Marshal Dial put him aboard the next train. The Eugene article seems to be up to the standard—Times.

A LONG FELT WANT

While working in the largest dyeing and cleaning works on the coast and while there seeing lots of garments shipped from Eugene to be dye-cleaned, or dyed, and after investigating and going over the ground thoroughly we saw at once that there was a good opening for a first-class cleaning and dyeing works in Eugene, so we decided to put in a first-class plant and are doing well from the start. We are the only experts in this line north of San Francisco, and have had over 12 years' experience and guarantee all work. All articles dyed and cleaned by us are treated separately for sanitary purposes and come by hand. In this way we obtain good results and as no machinery is used in our work that will tear or injure the fabric.

Everything possible in cleaning or dyeing. Eugene Dye Works, 659 Williamette street. Phone Red 2861. C. Marx, Jr., manager.

The Smile

that won't come off, appears on baby's face after one bottle of White's Cream Vermifuge, the great worm medicine. Why not keep that smile on baby's face? If you keep this medicine on hand, you will never see anything else but smiles on his face. Mrs. S., Blackwell, Okla., writes:

"My baby was peevish and fretful. Would not eat and I feared he would die. I used a bottle of White's Cream Vermifuge and he has not had a sick day since." Linn Drug Co.

No Difference.

No distinction is made as to the kind of piles that Dr. Leonhardt's Hem-Roid cures.

The names, internal, external, bleeding, blind, itching, suppurating, etc., are simply names of the different stages through which every case will pass if it continues long enough.

Piles are caused by congestion or stagnation of the blood in the lower bowel, and it takes an internal remedy to remove the cause.

Dr. Leonhardt's Hem-Roid is a tablet taken internally. It is a permanent cure. Money back if it fails. Price \$1.00 at druggists. Dr. V., proprietors. Sold by Hull's drug store.

BUSINESS FOR SALE

For some time I have been conducting a general merchandise business in Moro, Oregon, with practically no competition. I have built up a trade of over \$90,000 a year, netting me a profit of over 15%. This has all been done with hired help as my time has been devoted to the real estate business. With little effort it can be made to pay over 20% on an investment of \$28,000. If I were going to remain in the mercantile business, I would stay right here. I have good reasons for selling.

Moro is the county seat of Sherman county; is surrounded by a rich wheat district and is in the midst of a population of over 2,500 people. It offers the best opportunity for a man of energy in the Northwest today.

PROPOSITION. My price is the actual invoice cost of the goods in stock at the time of sale. I will take either cash in full or part Portland or Willamette Valley real estate or secured notes. I will pay all the expenses of any man who investigates and does not find everything as I represent. This is a first class offer and I know it. It is better than 90% of the offers you read about. Investigate and find that I am right.
