BUSINESS FOR SALE

For some time I have been conducting a general merchandise business in
Moro, Oregon, with practically no competition. I have built up a trade
of over \$90,000 a year, netting me a profit of over 15%. This has all
been done with hired help as my time has been devoted to the real estate
business. With little effort it can be made to pay over 20% on an in-
vestment of \$28,000. If I were going to remain in the mercantile
business, I would stay right here. I have good reasons for selling.

More is the county seat of Sherman
county, is surrounded by a rich wheat
district and is in the midst of a popu-
lation of over 2,500 people. It offers the
best opportunity for a man of energy in
the Northwest today.

PROPOSITION: My price is the actual invoice cost of the goods in stock at the
time of sale. I will take either cash in full or part Portland or Willamette Valley
real estate or secured notes. I will pay all the expenses of any man who investi-
gates and does not find everything as I represent. This is a first class offer and I
know it. It is better than 90% of the offers you read about. Investigate and
find that I am right.

CELEBRATION AT FLORENCE

A SUCCESS

The celebration at Florence proved
a great success and everything went
off pleasantly. Our citizens were
awakened at sunrise by the firing
of the morning salute, followed by the
up a clatter during the day.

The place chosen for the celebra-
tion was in a shady grove on the bank
of Munsell creek. The speaker's
stand was finely decorated with bun-
ting, flags, flowers, etc., and seats
were arranged for the audience.

Here the band played another se-
lection, followed by the song
"America." Rev. G. L. Lovell asked
the divine blessing on the assembly,
and the strains of the "Red, White
and Blue" echoed through the trees.

The Declaration of Independence
was then read by Aubrey Bond. The
song, "We'll Stand by the Flag," was
rendered by Miss Dena Schreuders.
Professor D. M. Metzgar, of Dallas,
was then introduced and delivered a
very able and instructive, as well as
interesting address.

The first sport of the afternoon
was a launch race, in which there
were five entries. The following were
the winners in the order given: Sil-
las Knowles, E. R. McCormack, Al
Ready, Albert Haring.

In the baby show there were six
contestants—three boys and three
girls. The judges of the event were
S. B. Colvin, F. H. Alexander and C.
B. Morgan. The prize for the hand-
somest girl was awarded to Cath-
erine Hensley, and Dorell Lovell re-
ceived that for the handsomest boy.

In the foot race for boys of ten
years, and under the first prize was
divided between Lewis Bond and Orrie
Safley. Pederson, receiving the
second money.

For girls of ten years and under
Ada Colter won first and Olga Peter-
son second prize.

For girls of 16 and under Nora
Tanner took first and Ada Workman
second prize.

For boys of 16 and under Frank
Johnson won first money, and Walter
Brund second.

In the men's race Rudolph Brund
received first prize, Omar Wisdom
second and Joseph Wisdom third.

A short game of ball was played
between the Florence and Glenada
teams, in which Florence was the vic-
tor, making seven tallies to their op-
ponents one.

In the log rolling contest the first
prize was awarded to George Chap-
man and the second to Combs Bal-
don.

A fine display of fireworks was
given from the Glenada wharf in the
evening.

A dance was held in the Odd Fel-
lows' hall in the evening, which was
well attended.—West.

A LONG FELT WANT

While working in the largest dye-
ing and cleaning works on the coast
and while there seeing lots of gar-
ments shipped from Eugene to be
dye-cleaned, or dyed, and after in-
vestigating and going over the
ground thoroughly we saw at once
that there was a good opening for
a first-class cleaning and dyeing
works in Eugene, so we decided to
put in a first-class plant and are
doing well from the start. We are
the only experts in this line north
of San Francisco, and have had over
12 years' experience and guarantee
all work. All articles dyed and
cleaned by us are treated separately
for sanitary purposes and come by
hand. In this way we obtain good
results and as no machinery is used
in our work, that will tear or injure
the fabric.

Everything possible in cleaning or
dyeing. Eugene Dye Works, 659

The Smile
that won't come off, appears on ba-
by's face after one bottle of White's
Cream Vermifuge, the great worm
medicine. Why not keep that smile
on baby's face? If you keep this
medicine on hand, you will never
see anything else but smiles on his
face. Mrs. S., Blackwell, Okla.,
writes:

"My baby was peevish and fret-
ful. Would not eat and I feared he
would die. I used a bottle of White's
Cream Vermifuge and he has not
had a sick day since." Linn Drug
