"LICKS" HIS WIFE AND MOTHER-IN-LAW

"Bill" Monroe was arrested last evening for assault upon his wife and mother-in-law at their home on West Third street and was lodged in the city jail for the night. It appears he had been drinking local option beverages and going home proceeded to "lick" his wife. Her mother interfered and he then struck her. Complaint was made to the officers and his arrest followed. This morning "Bill" was placed under \$100 bonds to appear for trial Monday, as Judge Dorris is out of the city. He was unable to furnish the bail and will remain in the "refrigerator."

A Peerless ice cream freezer will freeze cream hard in three minutes. They turn easier than others. We can tell you why, also other good points.

To Our Customers:

We are adopting the McCaskey One-Writing System for keeping our accounts. While this system is new to us it has been in successful operation for a number of years among the leading merchants of the country, who are unanimous in their endorsement of same. With this system we are enabled to give you an itemized bill with each purchase, which you will readily see, precludes the possibility of any difference between you and us as to the condition of your account at our store, for we have no record of which you have not an exact copy, inasmuch as all charges will be made in duplicate.

In order to secure your hearty cooperation we will furnish you with a sales slip holder to hold our sales slips.

We beg to assure you that the appearance on each sales slip of your total indebtedness to us has no personal application to you or any other customer, but is merely a part of the successful operation of the system.

We thank you for past favors and hope by careful attention to your wants and a strict adherence to honorable business methods to merit a continuance of your trade.
Very truly yours,

A PRETTY MILKMAID

Thinks Peruna is a Wonderful Medicine.

MISS ANNIE HENDREN, Rocklin, Wash., writes:

"I feel better than I have for over four years. I have taken several bottles of Peruna and one bottle of Manalin.

"I can now do all my work in the house, milk the cows, take care of the milk, and so forth. I think Peruna is a most wonderful medicine.

"I believe I would be in bed to-day if I had not written to you for advice. I had taken all kinds of medicine, but none did me any good.

"Peruna has made me a well and happy girl. I can never say too much for Peruna."

Not only women of rank and leisure praise Peruna, but the industrious, useful women engaged in honest toil would not be without Dr. Hartman's world renowned remedy.

The Doctor has prescribed it for many thousand women every year and he never fails to receive a multitude of letters like the above, thanking him for his advice, and especially for the wonderful benefits received from Peruna.
