# CHAS. DAUGHERTY IS KILLED AT SACRAMENTO

Charles E. Daugherty, a son-in-law of County Commissioner H. D. Edwards, of this city, was killed at Sacramento, Cal., Sunday. The manner of his death is not learned, but it is presumed that he was run over or struck by a train, as he was employed as a bridge inspector for the Southern Pacific Company. Mrs. Daugherty was visiting in Portland and arrived up last night on the local. Commissioner Edwards was at the River and his daughter, Miss Ina, arrived down from there this morning, having driven all night. The remains will arrive in Eugene tomorrow for interment. Mrs. Daugherty is almost prostrated by grief.

# BOILER EXPLOSION SAVED MANY LIVES

(Continued from Page One.)

Time she was on the dry dock in 1906 for repairs made necessary by the damage sustained during the San Francisco earthquake, she had been on the run almost continuously. The Columbia made a remarkable record because of her promptness in reporting at the two ports. During the first fifteen years she was only on one occasion at sea longer than one night on the trip south.

The steamer was 309 feet long, 35.5 feet beam and 23.3 feet depth of hold. She was of 1746 tons net register. The Columbia was one of the staunchest built of the earlier day vessels and was operated from 1880 until 1905 before she was placed in drydock. At that time she was lifted at the Union Iron Works in San Francisco, and was given an overhauling that placed her in better condition than when she made the trip around the Horn.

# TELEGRAPHIC NEWS IN BREVITY FORM

A dispatch from Tapachula, Mexico, says that Plutarch Bowen, an American who recently fled from Guatemala to that town, has been kidnapped by a force of Guatemalan troops who crossed the border into Mexico at night and entered Tapachula. Bowen was carried on a horse into Guatemala. He was taken to the town of San Marcos and there executed by a firing squad. His pleadings for a trial by jury were ignored.

At West Point Colonel Charles Ayres, of the United States army, who gained prominence by criticizing the officers for excluding his wife from the grounds at West Point, has been declared ineligible of serving in the army on account of Bright's disease by medical examiners.

A committee of Elks at Philadelphia awarded Denver lodge \$250 second prize for traveling the greatest number of miles to the convention. New Orleans got the first prize of \$300. New York won first prize of \$500 for having the largest number in the parade.

It has been learned that Mrs. Russell Sage has recently given \$250,000 to the association for the relief of respectable, aged, indigent females in the city of New York.

At Sandy Hook, Ky., Judge James Hargis, central figure in the famous feud, has been acquitted on the charge of complicity in the murder of Dr. Cox. The state refused to enter into the case because its witnesses failed to appear. Because Judge Moody declined to send the case to Breathitt county the court ordered the jury to acquit Hargis.

# POSITIVE PROOF Should Convince the Greatest Skeptic in Eugene.

Because it's the evidence of a Eugene citizen. Testimony easily investigated. The strongest endorsement of merit. The best proof. Read it.

Charles Beadle, of 333 West 8th street, Eugene, Or., says: "I am fully as ready to recommend Doan's Kidney Pills today as I was in 1902. Just after using the remedy. As I said in my testimony at that time, I had suffered from kidney complaint nearly always since the war. I never knew when to expect an attack. A cold or any over-exertion would bring it on. On several occasions I was helpless. The last severe attack I had was about six months ago when something like lumbago set in and brought on a heavy pain as though there was a weight over each kidney. I was feverish and could not straighten up to save me. There was such a weakness in the action of the kidneys that I could not control the secretions and it caused me much annoyance. Having used remedies with little if any benefit, I finally began taking Doan's Kidney Pills. From the start I could feel the benefit. The action of the kidneys and bladder was soon corrected and the pains and aches disappeared. I was benefited in every way, and what I told you in my former testimony about the relief I obtained is true in every respect. Three years have now elapsed since I testified in favor of Doan's Kidney Pills and I have been continually free from kidney complaint. I consider them a wonderful remedy, and have recommended them again and again."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

# F. L. POINDEXTER SERIOUSLY BURNED AT EVERETT

Mr. and Mrs. Charles Barhite this morning received a letter from Mrs. Frank Poindexter at Everett, Wash., stating that their dyeing and cleaning establishment there burned down on Friday, the 19th, and Mr. Poindexter was severely burned. He will be unable to be out of the house for several weeks, on account of the burns. Mrs. Poindexter was also burned about the face and hands, but not so severely as her husband. They received burns in attempting to put out the flames.

Mr. and Mrs. Poindexter formerly resided here for a number of years and Mr. Poindexter was engaged in the same business here as he was in Everett. They have the sympathy of their many friends in their misfortune.

# LARGE HOP DEAL AT LOW PRICES

One of the largest transactions in hops that has been made at Silverton for several months was consummated Monday evening when L. L. Bower sold his entire lot of 1906 hops to T. L. Lively & Co., of Salem. The lot consisted of 139 bales and the price received is too low to mention. Mr. Bower held the crop over, hoping to receive a better price, but as there is not much reason to hope for an increase at the present time he disposed of them Monday for what they would bring. From all appearances it was a great sacrifice. He was offered much more several months ago. At this rate of sale there is not much encouragement for hop growers, and unless better prices prevail this fall there will be fewer hops raised in Oregon next year. The transaction Monday was a losing deal for Mr. Bower.

Little has been done in the hop market during the past few months, on account of the low price and it is doubtful if there will be many hops moving between now and the time for harvesting the new crop unless the prices take a turn for the better.—Silverton Appeal.

On Thursday night, July 25th, Clark's Biograph Company comes to the Eugene theatre, when will be flashed on the screen the great Thaw-White tragedy, showing Evelyn Nesbit, Harry Thaw, Stanford White, and the Madison Square garden. Moving pictures of the late San Francisco street car riot will be presented and some 4000 feet of comedy scenes which is simply irresistible and sweeps an audience into convulsions of laughter. Clark's Biograph Company will be most favorably remembered as playing at the Eugene theatre about one year ago to capacity and very enthusiastic audiences. This season the company is better than ever and has been receiving excellent criticism from the press in all the large cities. Prices, 15 and 25 cents.

# BOY AND GIRL CURED OF SORES

Which Broke out on Face and Body — Medical Treatment Did Them No Good — Mother Cured Both Her Little Ones and Now The

**WHOLE FAMILY JOINS IN PRAISE OF CUTICURA**

"My son's trouble was running sores which first appeared on his face and then broke out all over his body. I had tried doctor after doctor for three months but none helped him. Then I was advised to try Cuticura. My druggist said that he could give me a salve that would help him, but I demanded Cuticura Ointment and after using it for a while I was surprised to see an improvement. I treated the sores with Cuticura Ointment on soft bandages after washing with warm water and Cuticura Soap, and gave him the Cuticura Pills. In two weeks he was almost cured, and after the steady use of Cuticura Remedies for two or three months I can now say that I have one of the finest boys in town, and I tell all my neighbors that he owes his health to Cuticura. Later my little daughter was afflicted with the same trouble and I did not waste much time or money with doctors, as I had done when my boy was sick, but I used the Cuticura Remedies on her, and now my little girl is entirely cured. I send you her photograph to show how she looks after we used Cuticura. I know of several other cures which Cuticura Remedies have effected, including that of our domestic Miss S., whose face was covered with mosquito bites which she scratched until they became a mass of sores and which she cured in no time with Cuticura Ointment. Our whole family joins in sending their thanks and praises for all that Cuticura Remedies have done for us. Mrs. Rose Fiss, 1206 W. Madison St., Chicago, Ill., Nov. 3 and Dec. 3, 1906, and Jan. 24, 1907."
