FLORENCE WILL HAVE PHOTOGRAPHER

The little city of Florence will soon have a photographer to catch the features of their friends and retain them for the sake of memory. J. L. Barbour, a university graduate, and scientific and practical photographer, left this morning for Florence to establish himself for a time there. He takes with him a complete outfit for his work and will serve the people of the community with pictures of themselves in all sizes and sittings.

"Joseph," as he is familiarly known here, has many friends in Eugene who have seen plenty of evidence of his ability. Two years ago he made and sold the largest number of picture postcards of the Oregon-Corvallis football game ever sold on the campus. He also lately did some work for the Portland Telegram.

EUGENE GROCERY ADOPTS McCASKEY SYSTEM

To Our Customers:—We are adopting the McCaskey One-Writing System for keeping our accounts. While this system is new to us it has been in successful operation for a number of years among the leading merchants of the country, who are unanimous in their endorsement of same. With this system we are enabled to give you an itemized bill with each purchase, which, you will readily see, precludes the possibility of any difference between you and us as to the condition of your account at our store, for we have no record of which you have not an exact copy, inasmuch as all charges will be made in duplicate.

In order to secure your hearty cooperation we will furnish you with a sales slip holder to hold our sales slips.

We beg to assure you that the appearance on each sales slip of your total indebtedness to us has no personal application to you or any other customer, but is merely a part of the successful operation of the system.

We thank you for past favors and hope by careful attention to your wants and a strict adherence to honorable business methods to merit a continuance of your trade.

Very truly yours,

The Charming Woman
is not necessarily one of perfect form and features. Many a plain woman who could never serve as an artist's model, possesses those rare qualities that all the world admires: neatness, clear eyes, clean smooth skin and that sprightliness of step and action that accompany good health. A physically weak woman is never attractive, not even to herself. Electric Bitters restore weak women, give strong nerves, bright eyes, smooth, velvety skin, beautiful complexion. Guaranteed at W. L. De Lano, druggist, 50c.

A STEADY DRAIN

Sick Kidneys Weaken the Whole Body—Make You Ill, Languid and Depressed.
Sick kidneys weaken the body through the continual drainage of the life-giving albumen from the blood into the urine, and the substitution of poisonous uric acid that goes broadest through the system, sowing the seeds of disease. Loss of albumen causes weakness, languor, depression. Uric poisoning causes rheumatic pain, nervousness, nausea, cricks in the back and gravel and kidney stones. The proper treatment is a kidney treatment, and the best remedy is Doan's Kidney Pills. Great Eugene cures prove it.

Mrs. M. J. Drew, of 295 West 8th street, Eugene, Or., says: "I suffered from severe pains that seemed to run from the kidneys through the loins and down into the limbs. There was also a noticeable disorder in the action of the kidneys, and the presence of uric acid caused rheumatic twinges. Being induced to try Doan's Kidney Pills I was agreeably surprised at the prompt relief found. They helped me a great deal in just a few days and the improvement continued as long as I kept on with them. I cannot help but give Doan's Kidney Pills a strong recommendation." For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

SIUSLAW BAR BETTER THAN FOR LONG TIME

O. W. Hurd, the Florence capitalist, arrived in Eugene last night from Astoria and Portland, where he has been on business. He will leave for home on the stage tomorrow morning. He informed a reporter this morning that the sawmills on the Siuslaw are all running steadily, that is, they were when he left there ten days ago, and everybody seemed to be prosperous and happy. He says the bar at the mouth of the river is in better condition now than it has been for years and the vessels have no trouble in getting in and out of the harbor. There is a great deal of lumber shipping now, a schooner either coming in or going out nearly every day.
