

DEEDS GIVEN AS SECURITY ARE MORTGAGES

Assessor B. F. Keeney publishes a notice in today's Guard asking those who have loaned money and taken a deed to real property to call at his office and have their assessments adjusted before he begins copying the roll. The assessor, acting upon advice from Deputy District Attorney Skipworth, has decided that all such deeds are taxable, the same as mortgages. Mr. Skipworth, in his opinion, says:

"Every transaction of this character must stand on its merits, and courts in construing deeds of this character are governed by the facts in each case, but clearly the law is well settled that a deed absolute upon its face given as security for a debt or other lawful act is a mortgage. Clearly mortgages are subject to taxation under the laws of Oregon, and it is therefore the duty of every taxpayer of the state of Oregon holding such deeds to give the same in to the assessor at the time of assessment."

COTTAGE GROVE PLANT TO START IN WEEK

Russell Welch, manager of the Willamette Valley company, returned last night from a business trip to Cottage Grove, and states that the electric light plant at that place will probably be in operation a week from tomorrow. The company have erected their corrugated iron building very rapidly, and instead of being obliged to send east for a dynamo and perhaps wait six months, were able to purchase one in the Bohemia mines. A 300 horse power engine has been installed and the dynamo is a 220 kilowatt machine. Considering the total loss, erection and reconstruction has been very quickly done.
