**SUSLAW BAR
IMPROVEMENT CLUB**

MEETING OF CLUB HELD AT
FLORENCE AND IMPORTANT
STEPS TAKEN — TELEPHONE
FROM UMPQUA LIFE SAVING
STATION TO SUSLAW WILL BE
CONSTRUCTED

A called meeting for the purpose of effecting a temporary organization to be known as the Suslaw Bar Improvement Club was held in the office of T. M. Wolf Saturday evening, August 24. The meeting was called to order by Geo. M. Miller, who after a few well chosen remarks with reference to the objects and work of such an organization, was upon motion elected to act as temporary chairman of the club, and W. R. Hollenbeck was also elected as secretary pro tem. It was then moved and carried that the name of the organization shall be known as the Suslaw Bar Improvement Club.

Upon motion a membership and subscription committee of three was appointed by the chair, consisting of T. M. Wolf, Wm. Kyle, Sr., and E. A. Pickle.

It was then moved and carried that the membership fee be \$1. Upon motion the chair appointed a committee consisting of Dr. Edwards, Captain W. A. Cox and O. W. Hurd to draft a set of by laws for the club and report same at next meeting. It was moved and seconded that the next meeting of the club be called for August 10th in L. O. O. F. hall for the purpose of effecting a permanent organization.

A. E. Pickle was then, upon motion, elected to act as temporary treasurer of the club. D. M. Kemp, T. M. Wolf and W. R. Hollenbeck were then appointed by the chair as a committee upon entertainment. Moved and seconded that President Miller be authorized to correspond with Senator Bourne and also extend to the senator an invitation in the name of the Suslaw Bar Improvement Club to visit Florence and the Suslaw bar at his earliest convenience.

Moved and carried, that the soliciting committee be authorized to have circulars or handbills printed, stating the objects and aims of the Suslaw Bar Improvement Club, the solicitation of membership, the place and time of meeting, etc.

Telephone Line.

A short time ago J. B. Cushman wrote to Senator Fulton making inquiries concerning the government telephone line from Florence to the Umpqua life saving station. Senator Fulton wired to the officials at Washington about the matter, and received the following reply, which he forwarded to Mr. Cushman:

Hon. C. W. Fulton: Your telegram received. Appropriation for establishing a telephone line from Umpqua river to mouth of Suslaw river was not available until the fiscal year beginning July 1.

Necessary instructions were given July 8 to take up and proceed with business as rapidly as possible. There is no unnecessary delay.

S. I. KEMBALL, Life Saving Service.

We learn from Mr. Peterson, of Duncan slough, that they came near losing their house by fire on Friday morning. The children went upstairs to prepare for school and discovered a fire in one of the bedrooms. Their cries soon brought their parents to the scene and after a hard struggle they succeeded in putting out the flames, but not until a large box of new bedding material and several other articles were burned. They think the fire originated by some one carelessly dropping a lighted match among the bedding early in the morning, thus starting a fire which smoldered for some time before breaking into a blaze.

John Taylor, of Indian Creek, was taken to Eugene last Friday for medical treatment. Mr. Taylor has been in poor health for over a year past, but recently felt better and began to do some work. He became worse and when he went outside he was unable to use his lower limbs much, though he looked quite well.

Carl Rice, of Mapleton, returned a few days ago from a trip to the Alsea to look up a location for a salmon hatchery on that stream. Mr. Rice informs us that he found a good place for it and he thinks it likely that the hatchery will be built. The state fish warden will examine the proposed site and surroundings before the matter is decided.

A man came up from Gardiner on Monday to hire one of the tugs to go down and try to pull the schooner Alpha out through the breakers and tow her into port. The vessel has been hauled out some distance with anchors, and is now afloat. The Rosecoe will go down as soon as she gets the schooner out so she can leave.

W. R. Hollenbeck and family and E. R. Hollenbeck left Tuesday on their way to the cape on a camping expedition.

Peter Rice, of Mapleton, who received an appointment in the forestry service of the government, is now at Roseburg, where he is working in the office of the forest supervisor.

The Suslaw Lumber Company's mill is undergoing extensive repairs, and will be in fine condition to turn out lumber when they begin sawing again.

C. D. Burkhardt and wife, of Eugene, passed through town last Monday on their way to Hecla on a camping expedition. — Florence West.

Gasoline Wood-Sawing.

Why not use gasoline wood saw, instead of having your wood burned while having it sawed? Costs no more. All wood sawed with a gauge. For prompt service phone Red 1771.

W. E. BODDY, Residence, 775 Ferry.

It costs no more to apply good paint—therefore use New Era. Sold only at the Berger-Bean Hardware Company.

WHEN a country becomes civilized it demands typewriters. When it becomes posted on comparative values it demands

The Smith Premier Typewriter

The fact that the Smith Premier Typewriter is used in every civilized country on the globe is not so important as the further fact that the demand increases year after year.

The reputation of the Smith Premier is world-wide. World-wide use has made it so.
