KING COULD

FIND TAKER FOR MONEY HERE

Jack King, the Multnomah athletic trainer, who has made such a big racket about Dan Kelly, maintaining that Dan will not make even second place in the races at Jamestown, saying he is willing to back his opinion up with \$500, can find takers easily if he will get in connection with Eugene. One man in Eugene said that there was \$10,000 to back Dan, if that would do any good. Nevertheless the bet that King wants is a good risk from his point of view, for there is plenty of chance of Dan falling down on account of climate and travel. The thing that makes the result less uncertain is the fact that Parsons has to go from California, too. Because of this fact it is quite possible that neither man will win the race, or that no remarkable time will be made.

block, and across the street by the Eugene Transfer company's stables. The entrances to the stables, it is understood, will be laid in bitulithic cement.

Mrs. May Blair, of Tacoma, is expected here Monday to take a position in the Eugene Dye Works as a lady presser. The company will then be able to do dyeing again, something they have not done since they were burned out.

If your little son asks you for a nickel and doesn't say what he wants it for, you may rest assured that it is to buy marbles, for "keeps" is the prevailing game of the Eugene youngsters just now.

The wedding of Cora A. Mabelle Pennington, daughter of Mr. and Mrs. A. Pennington, of this city, to Mr. Elton L. Pollet, also of Eugene, has been announced for Sunday afternoon, August 25th, at 3 o'clock, at the home of the bride's parents.

LAND OPENED

TO PUBLIC ENTRY

Pursuant to an order issued by the interior department on the 6th day of last May, about 8000 acres of unappropriated government land will be thrown open for entry at the United States land office in Roseburg on Thursday. The land consists of odd sections and odd parts of sections and is said to be worth very little. The order restoring it to entry includes about 90,000 acres of other land in the reserve, but this is either unsurveyed or covered by filings, which have been held up since the entire area was withdrawn in April, 1903. Local timber agents say that the 8000 acres to be restored to entry Thursday would have been filed on long ago had it been considered of sufficient value to warrant the trouble.

Approximately two-thirds of the land to be filed upon is situated in Curry county. It is comprised of about one-fourth of township 39-13, and parts of the following sections: 8, 18 and 30 of 34-11; 6, 17, 18, 20 and 23 of 35-11, and 13, 14 and 15 of 35-12.

In Josephine county there will be one entire section, No. 9 of 41-9, and parts of these sections: 12 of 40-9; 2, 4, 6, 8, 12, 14, 18, 20 and 24 of 39-5; 2, 10, 12 and 18 of 38-6 and 26 and 34 of 37-8.

Jackson county has one whole section, No. 26 of 40-6, and in the same township and range parts of the following sections: 12, 20, 24 and 34. Also parts of sections 4, 6, 8 and 18, of 39-6.

More Lands to Follow. Another restoration of public lands to settlement and entry is scheduled at the Roseburg land office on August 26. The official order affects a huge acreage included in President Roosevelt's sweeping withdrawal of last May. Like the restoration of Thursday, however, the actual area of land that will be available for entry will be comparatively insignificant, not exceeding 6000 acres. Most of it is situated in Jackson county and the balance is in Douglas and Lane counties. It is rated very low in value.—Roseburg Review.

McCREDIE IS AFTER

JIMMIE SHINN AGAIN

From information received from Jimmie Shinn by his father, E. F. Shinn, here, Manager McCredie, of the Portland team in the Pacific Coast League, wants Jimmie to come back next year, and says he will treat him white. Jimmie is playing with Stockton, in the California State League, and is improving in form every day. Moreover, there is some doubt about his accepting McCredie's request, for the reason that he is now receiving as good terms as the Pacific Coast League magnate has offered so far.

Jimmie Shinn jumped the Portland team some time ago, when the fans turned and roasted him on an off day, despite the fact that he had been coming after all the hard chances that came his way.

He has a brother, Roy, who is also a promising player, at Richmond, Cal. From his form it seems that he may make as great a player as Jimmie.

The S. P. Company has lately begun the try-out of a new plan to rid their trains of the hobo nuisance. About 160 or more men in its employ have been stationed along their line over a district running from Oakland to the Siskiyou, and it is the duty of these men to prevent Weary Willy from stealing rides on the company's train. While the plan is new it seems to be working more effectively than anything tried yet. Chief of Police Simmons reports that up to the time these men were put to work there were on an average 25 brakebeam tourists traveling through Ashland per day. For the past few days this number has been greatly diminished.—Ashland Tidings.

KENTUCKY CLEOPATRA.

Unfortunate Woman Clasps Poisonous Snake to Her Bosom.

Mrs. Rose Bloom, said to be a member of a prominent family of Paducah, Ky., was at last reports at death's door at Obion, Tenn., the upper portion of her body being swollen to frightful proportions as the result of a desperate attempt to emulate Cleopatra, the Egyptian queen who in ancient history is credited with having clasped the

THEY FOUND A LIVE REPTILE IN HER ROOM, deadly cobra to her bosom as a balm for her wounded feelings after the love episode with Mark Antony.

Mrs. Bloom arrived in Obion several days ago from Union City. She was accompanied by a fashionably dressed man, and they registered as husband and wife. He had been missing for several days, and when the doctors were called in to attend Mrs. Bloom, who was in convulsions, they found a live reptile in her room and the woman in a semiconscious state.

She tried to explain that she did not care to live longer and that she had driven into the country for the purpose of securing the poisonous spreading adder, a variety of Tennessee snake whose bite is fatal.

The unfortunate woman had clasped the snake in her corsage and placed it to her body. The bosom had been punctured several times by the fangs of the snake. The ophidian was dispatched.

Gave Himself Away. "Mabel, you shouldn't talk so freely to Mr. Freshup. You know we are not very well acquainted with him, and for all we know he may be a married man."

"No danger of that," chimed in Uncle Bill. "I was talking to him a while ago and he claims to understand women."
