FIREMEN WILL WORK FOR CHIEFS' CONVENTION

MEETING HELD LAST NIGHT AND CHIEF YORAN EMPOWERED TO BOOST EUGENE FOR 1908 MEETING—THIS YEAR'S CONVENTION AT CENTRALIA, WASH.

A meeting of the Eugene fire department was held in fireman's hall last night for the purpose of discussing the matter of securing the annual convention of the Pacific Coast Association of Fire Chiefs next year. W. C. Yorán, chief of the local fire department, who will attend the convention at Centralia, Wash., September 10-13, this year, was empowered by the meeting to use all possible endeavor to secure the 1908 convention for Eugene. Mr. Yorán will take along plenty of Eugene badges, and will boost this city for the next meeting. He will take with him letters from Mayor Mallock, the Merchants' Protective Association, and the Commercial Club endorsing the movement for the convention here and he will have the support of the delegates from several other Oregon cities.

The membership is not confined alone to the fire chiefs, but any member of a regularly organized fire department is eligible to membership. The offices are held only by the chiefs. In addition to 75 or 100 delegates at each convention representatives of the supply houses always attend and make a display of their goods. The affair is always a big event among the firemen of the Pacific coast. If the convention comes here next year the local firemen will endeavor to pay all the expenses of entertainment, and the citizens will not be asked to put up anything for that purpose. By that time the street improvements in the business district will have been completed, and the city will be in good shape to entertain the fire fighters.

BOY STICKS TO SEAT OF RUNAWAY WAGON

One of the city delivery teams ran away this forenoon and smashed the wagon up pretty badly. All the teams were standing on Park street, in the rear of the Hotel Smeede, while the drivers were assorting the parcels. One of the teams became frightened at something and started to run. A small boy by the name of Fuller was in the seat at the time and tried to stop the horses, but without success. He stayed with the wagon, however, and the team dashed out Oak street to Ninth, then to Pearl and on Pearl to Eighth street, where they turned and landed on the sidewalk in front of Warnock Bros' feed stable. Three of the wheels on the vehicle were wrecked, and the top of the wagon was badly damaged. The horses were unharnessed and the boy on the seat escaped without injury, although he was pretty badly frightened.

EUGENE MAY BE INCLUDED IN TRI-STATE LEAGUE

Two first-class teams in Portland, one at Salem, one at St. Johns, and two more located one each at either Vancouver, Eugene, Kelso or Astoria, such are the probabilities for next year's make-up of the Tri-City league, says the Portland Journal.

With the end of the 1907 season now in sight, the Tri-City managers are sizing up the results, looking over the situation and figuring on avoiding during the next season the mistakes that have been made this one. For its first year the Tri-City league has succeeded very well as a minor baseball body. The players in a leading team, such as the Frakes, have averaged from \$8 to \$10 a game, while those of the clubs far down in the percentage column have averaged \$3 or \$4, in addition to expenses. Besides, there is a goodly sum in the league treasury.

Grounds at the Oaks. With the experience of this year and the confidence its success has brought the Tri-City managers believe they will have a league next year that will have a large following. One of the greatest handicaps this year was the want of local grounds. A diamond at the Oaks was promised early in the season, but it did not materialize. However, the proposition will be taken up once more, and it is probable that the resort will have a diamond ready for the opening of the season of 1908.

Another mistake was that there were too many clubs in the league, especially in Portland. The plan now is to have a six-team league, and to have but two local teams instead of four, as at present. The Frakes will probably remain intact, and the three other clubs will be consolidated into one strong aggregation.

Salem a Certainty. That Salem will be in the Tri-City league next year is next to a certainty. Fred W. Gardner, publicity man of the league, took a trip to the Capital City last week, and before he returned he was given the most substantial assurance of support. A prominent business man of the city offered to finance a club at Salem to the extent of \$1000. The new suburban electric railway is another thing that will help by cheapening traveling expenses.

Unless Astoria can secure better grounds it will be dropped from the circuit. The Astoria fans are very loyal, but they cannot be expected to pay 75 cents every time they want to see their team play ball. The admission fee at Astoria is only 25 cents, but the grounds are so far up on a hill that a round trip in a bus costs 50 cents.

Woodburn will be dropped, and probably Kelso. If Kelso and Astoria are both dropped, the fifth and sixth clubs will probably go to Eugene and Vancouver. Eugene is one of the best baseball towns in the state and Vancouver should pay by reason of its proximity.

Another improvement the clubs will try to make next year is to keep their original teams together as much as possible and not to change their players only when they prove unfit to hold up their end of the game. Changing the men around demoralizes the teams and disgusts the fans. The Tri-City season will end next month, and then the managers will at once begin to make definite plans for next year's season. One thing is certain—the idea of quitting the game is the farthest thing from their minds.

ROUTE OF THE CIRCUS PARADE TOMORROW

Everybody will take in the circus parade tomorrow forenoon even if they don't go to the performance in the afternoon and evening. In order that the crowds may station themselves in an advantageous position to view the parade the Guard today interviewed a representative of the circus to learn the route to be taken. It has been decided upon as follows: From the show grounds it will proceed east on Eleventh street to Oak; south on Oak to Fifth; west on Fifth to Willamette; south on Willamette to Seventh; west on Seventh to Olive; south on Olive to Eleventh, and thence to the show grounds again. This is subject to change, but as far as known at present it is not probable that there will be any material change.

Just a word to those who wish to invest in Land

IN the first place, we ask the question why people buy cheap land when, from every point of view, good land is much more profitable? For instance, poor land which cannot be worked at a profit. You can't pay for it in a hundred years. But on the other hand, if you buy good land that you can work at a profit, it will eventually pay for itself, whatever the price may be; and again, good land is much easier worked.

If you want to raise stock, good land is the cheapest. If you want to raise grain, good land is the cheapest. If you want to raise fruit or vegetables, good land is the cheapest. Why? Because it takes no more to plow it; because it takes no more to harvest it. So it is clear to see that if it pays to work poor land, it surely pays to work good land.

So when you buy, buy good land, and then if you should want to sell it, you have no trouble in disposing of it. So if you want good land at the right price, come and see us.

We have made arrangements to sub-divide some of the best large tracts in the country, to suit those who may wish to purchase their land. It is of the best grade, suitable to grow anything that grows in the West. Our prices are right, our land is AI and location good.

SMALL TRACTS—CLOSE IN

Latest Fall Suits Shown at Hanson's

We carry high grade goods, and a man feels dressed up when he gets into one of our Michael Stern suits. They wear better and cost little if any more, than some of the unnamed lines of clothes, that are poorly tailored and soon get out of shape. This Fall's Patterns are nobby and you ought to come in and look at them.

We are disposing of all our summer clothing and furnishings at genuine clean-up sale prices. We want to clean them all out to make room for our big fall and winter lines.

We pay no rent and can sell lower than some of our competitors.
