CRESWELL IS BUILDING UP VERY RAPIDLY

NEW HOUSES BEING ERECTED ON ALL SIDES—THRESHING ABOUT OVER—GRAIN TURNED OUT WELL

(Special Correspondence.)
Creswell, Aug. 30.—Creswell still on the boom. Quite a number of new houses are being built in and around the town this summer.

The town is deserted today, all going to the circus. The new hotel is nearing completion. Schmitt Bros. began painting their new livery stable yesterday, which will be a dandy when completed. They bought a fine three-year-old colt yesterday, paying \$100 for it.

Hop picking begins Monday at R. O. Brady's hop yard. He reports his hops fine, all but the price. Dr. Scarborough, J. W. Stone, Guy Stone and G. W. Shub have been on an outing up the Middle Fork. Creswell is getting to be quite a lumber camp, two mills running on full time, on east and one west, and teams hauling to town every day. Prune picking will begin in about ten days. The crop is good. Mrs. R. E. McDaniel was in town visiting this week. James Jones having traded his

AMUSEMENTS

At last we are to get Cyril Scott in "The Prince Chap," a play that has delighted New York for the past two seasons and has made one of the most sterling hits in London recorded in many years. It will be presented on Monday evening at the Eugene theatre.

If one enjoys a hearty laugh, if one is interested in a play that has for its theme a humanity that is really human, love that is pure, in fact a play that has won applause for the force of its naturalness, it is admitted by the big majority that Mr. Peple's comedy-drama is bound to please.

An outline of the story can only barely convey the mingled dramatic and comic qualities of this piece. It concerns William Peyton, a young American sculptor, a big-hearted fellow, "a sort of prince chap," as he describes himself to the little girl who has been left to his care by a model whom he has befriended, as he tells her of "Princess Alice," who is far away in America. Three years later, when the little girl is eight years old, the old sweetheart, "Princess Alice," arrives in London, with a mind poisoned against Peyton by stories that the ward is in truth the child of the sculptor. She demands, as proof of his innocence, that Peyton send little Claudia away. This he refuses to do, and Alice Travers marries another man. Ten years

JUNCTION CITY NEWS OF THE PAST WEEK

TENTH GRADE WILL BE ADDED TO PUBLIC SCHOOLS—NEW STOCK YARDS TO BE BUILT BY S. P. CO.

Miss Faith Johnson, of Eugene, spent the past week as the guest of Mr. and Mrs. Jesse Govern.

The school board has received sufficient encouragement to justify the putting in of the tenth grade and those who have entertained the thought of going elsewhere will be gratified to learn that it will not be necessary to leave home but can secure the advantages of the tenth grade at this place.

Dr. Williams has returned from the East after an absence of several weeks. We regret to state that he will leave this place and locate in McMinnville. He has disposed of his practice and office to Dr. Lehrbach, late of Wisconsin, and a graduate of the Northwestern University Medical School, of Chicago.

Superintendent Fields informed Agent Montgomery while in this city last week that the company will soon commence the construction of a 36 car feed and watering pen. The accommodations here are very inadequate, and more room is absolutely needed if the provisions of the ship-

arm here for Pendleton property, left this morning for his new home. Threshing is about completed in this neighborhood. Grain turned out well. H. H. Halterman had over 2200 bushels of wheat. We have the best corn crop I ever saw in the valley. It will make from 50 to 60 bushels per acre.

later, as a widow, the woman reappears and attempts to renew the old feeling between them. But in the meantime Claudia, the model's daughter, has become eighteen, and it is revealed to Peyton and to the girl who has grown up with "daddy" that the "Princess Alice" has gone out of their dream.

It is the treatment of this simple theme that fascinates one, it is said. The London Times said: "It is one of the best plays that America has sent over," endorsing the appreciation that New York play-goers showed during the 208 performances of "The Prince Chap" in Broadway. The best of the original cast will support Mr. Scott in the presentation of "The Prince Chap" here, including Helen Pullman, Charles B. Wells, George Schaeffer, Cecil DeMille, Duane Wagar, Beryl Pullman, Ida Stanhope, Kathryn Rives, Mary Keogh Arnold Raye, Albert Powers, F. B. Randall and others.

CROW CAWS
(Special Correspondence.)
Crow, Aug. 29.—Threshing is all done in these parts, and the next thing is the circus, and then comes hop picking.

Picking begins in the Pickens yard today, at the Owen yard Monday, and at Bjerke's yard Tuesday. Jake Gates lost a valuable mare from distemper last week. James Hollenbeck and family, of Arizona, and E. R. Hollenbeck, of Florence, who have been visiting at J. V. Jenkins, returned to Eugene today.

C. J. Allen and family and Miss Dora Gates have returned from Newport, well pleased with the trip.

Grandma Job, aged 86, is sick at the home of her son, Jack.

J. A. J. Crow has so far recovered from his recent illness as to be out in his buggy.

Marion Calloway and wife, of Grants Pass, are visiting at the home of C. H. Calloway.

ping laws are carried out. The pens will be built south of the stock yards and will probably extend to the Washburne warehouse.

The electric road which is now being built from Portland to Salem will likely be extended clear up the valley. A franchise has been granted through the city of Salem and a like franchise was asked of the Albany city council a short time ago. A. Welch, promoter of the enterprise, informed the Times recently that he will visit this city shortly to look over his coming and we feel sure that our citizens will offer him all the necessary assistance in the way of franchise and right-of-way.

NEWSPAPER MEN TO MEET HARRIMAN

Ed Wright, of the Oregonian, and John Kelly, of the Telegram, two of the best newspaper hustlers in Portland, came up last night and left this morning for Detroit to meet Mr. Harriman, and, if possible, to find out what is up, says yesterday's Albany Democrat. They can do it if anybody can. But Mr. Harriman is a calm, except on general topics, and it will take some padding to complete their story.

The Harriman special which was to go yesterday afternoon did not leave until 7:20 this morning. Superintendent Fields of the S. P. and General Superintendent Nevins, of the C. & E., were on board, and Ben Barker had the honor of having charge of the train. When Harriman will reach Detroit is all speculation, perhaps tonight, perhaps tomorrow. Albany will turn out to see him when he gets here—the king of railroad men.

NOTICE TO HOP PICKERS

Just a word to those who wish to invest in Land

IN the first place, we ask the question why people buy cheap land when, from every point of view, good land is much more profitable? For instance, poor land which cannot be worked at a profit. You can't pay for it in a hundred years. But on the other hand, if you buy good land that you can work at a profit, it will eventually pay for itself, whatever the price may be; and again, good land is much easier worked.

If you want to raise stock, good land is the cheapest. If you want to raise grain, good land is the cheapest. If you want to raise fruit or vegetables, good land is the cheapest. Why? Because it takes no more to plow it; because it takes no more to harvest it. So it is clear to see that if it pays to work poor land, it surely pays to work good land.

So when you buy, buy good land, and then if you should want to sell it, you have no trouble in disposing of it.

So if you want good land at the right price, come and see us. We have made arrangements to sub-divide some of the best large tracts in the country, to suit those who may wish to purchase their land. Latest Fall Suits Shown at Hanson's

We carry high grade goods, and a man feels dressed up when he gets into one of our Michael Stern suits.
