BILL OF FARE FOR JEFFRIES HUNTING PARTY

As stated by the Guard a week ago the Jeffries hunting party will arrive in Eugene tomorrow and leave Monday for the headwaters of the South Fork of the McKenzie river. Jeffries has sent a set of camp rules to Alf Walker to be printed. They are as follows:

"There must be no loaded guns in camp. All guns must be unloaded at least 100 yards from camp.

"Hunters must be absolutely certain of the identity of their game before shooting.

"In case of any one getting lost it should be remembered that all the streams in this vicinity lead to the South Fork of the McKenzie river, and any of these water courses followed will lead to some settlement.

In case of being lost or injured near camp a signal of three shots fired at intervals of two minutes should be given.

"By complying strictly with these rules there will be no accidents to mar the pleasure of our camp."

On the card beneath the rules are left blanks for the bill of fare. Some of the boys have written the following on a few of the cards and have posted them in some of the show windows about town:

Breakfast, 3:30 a. m.—Dry cocktail, no cherry; South Fork trout, a la Jeffries; hot cakes without butter; strong coffee, very plain.

Lunch, 12 m.—Cold meats a la venison; mountain strawberries, cold; dodges; plain; Budweiser beer.

Dinner, 7 p. m.—Mountain trout a la Hopperstead; roast leg of venison with jelly; baked spuds; boiled onions; dried prunes; cheese; McKenzie water, plain.

To bed at 12:30 sharp.

MAROONS VS. EUGENE COLTS TOMORROW

The baseball game tomorrow between the Brainerd Maroons, of the Tri-City league, and the Eugene Colts of the Lane County league, gives promise of being the best attraction of the season. It will be the means of comparing the strength of the two leagues, the adherents of both claiming the best teams. The Maroons are a fast, snappy aggregation of players, who have won every game they have played this year outside of the Tri-City league. They have been playing ball several years under the able management of H. K. Smith, who is accounted one of the best judges of a ball player in the Northwest. Eugene and Lane county certainly should be proud of the team which has represented them this year. It has met and defeated every team of prominence between The Dalles and Roseburg, including the two latter cities, excepting the Tri-City clubs. It is now up to Eugene to see how we will compare with them.

Cass Campbell, the famous Multnomah twirler, will pitch for Eugene instead of DeNeffe, who is away. The last time he was in a Eugene uniform he held down the hard-hitting Springfield bunch to three hits, and won his game, 3 to 1.

The final game of the Lane County league will be played Sunday, September 8. Vale, the champion team of Eastern Oregon, will be here about the middle of September. That the fans of Lane county have enjoyed some good ball goes without saying, and it is now being planned for Eugene to enter the Tri-City league.

Portland has had her baseball eye on the south Willamette metropolis ever since the season opened, and has passed many compliments to her and her baseball team. We are sure on the map, and with the new street car line running to the ball park next year we certainly will be in the going. Keep your eye on Eugene, She's a winner.

The Merchants' Bank, which is to occupy the corner room of the Hampton Bros. block on October 1, filed articles of incorporation with the county clerk this afternoon. The incorporators are Alton Hampton, John Hampton and S. S. Spencer, and the capital stock is given at \$65,000. The value of each share is \$100.

A meeting of the stockholders of the new institution will be held some time next week, at which time officers and directors will be elected. CONDENSED MILK FACTORY AT SPRINGFIELD

H. H. Olmstead, who has just established a condensed milk factory at Albany, and one at Anity, has interested himself in Springfield, and through the enterprise of our active Commercial Club will be in Springfield Saturday, August 31, at 2:30 p. m. to meet the farmers of all the adjoining country and explain to them how they can get twice as much for their milk by having such a plant located in this community.

A Brass Band.

We are informed that steps are to be taken in the near future for the organization of a brass band. This is one of the very best things that could possibly happen. There is no reason why a town the size of Springfield, with as much musical talent as there is here, should be without an organization of this kind. If a band were organized it would be helped by every business man and citizen to the extent of their ability, both financially and otherwise.

Business Change.

A deal was consummated this week whereby O. W. Johnson becomes proprietor of the Springfield Hardware Company. The stock is being liquidated and upon completion of the work Mr. Johnson will assume active management. In the deal Mr. Stansfield takes over the team and wagons, which belonged to Mr. Johnson, three in number.

A Cougar Hunt.

A report was circulated in town Wednesday morning that a large cougar had been seen on the hills south of town. Accordingly a hunting party, among whom were Harry Stewart, M. M. Peery, Jim Clark and Mr. Shaw, loaded up their old muskets and started for the scene of cougar-dom, but alas, too late, for nothing could be seen but the tracks, which were still in evidence. John Winzenreid says that the cougar heard the shells rattle in Peery's pocket and took for the tall timber. He thinks
