SPRINGFIELD'S STREETS TO BE IMPROVED

NORTH D STREET TO BE GRADED AND GRAVELED—ROCK CRUSHER IS BUSY AND THE STREETS WILL BE MACADAMIZED

At a special meeting of the city council last Saturday night it was decided to take some steps toward grading and graveling North D street from Mill street west to the city limits. This road is one of our most traveled thoroughfares and during the rainy season becomes almost impassable. The farmers who are compelled to travel over this piece of road to get to Springfield have complained to the city council in regard to its poor condition and have been very liberal in offering both money and their services toward helping to make the much needed improvement.

New Store.
J. J. Bryan has purchased the old bank building from E. E. Kenner, and has leased it to Eugene Kester, who will use it for a retail paint and wall paper store as soon as it is vacated. An addition is being built on the rear end, which will be used by Mr. Kester for a work shop. He has taken as a partner in his business Mr. Kernut, one of the best paper hangers and decorators in the West.

Home From Arkansas.
Charles Witter and grandson, Fred Lemley, returned Sunday from their month's visit at Forest City and other points in Arkansas. This was Mr. Witter's first visit to the old stamping ground of his childhood days since 1854, when he crossed the plains to Oregon. The purpose of his visit to Forest City was to see his sister, who is now nearly 74 years old, and whom he had not seen for over sixty years. They had not heard of each other for over five years and the visit was a surprise, as Mr. Witter sent no word that he was coming. He reports a very pleasant trip, but was disappointed with the great changes that had taken place during his sixty years' absence.

Rock Crusher Busy.
The city rock crusher on the hill south of town has been repaired and is now running full time. Three teams are kept busy hauling the rock on Main street. The streets will no doubt be greatly benefited by the ten-inch layer of crushed rock, but it is the opinion of the News that if the rock was crushed much finer it would make a more desirable and lasting roadbed and give much better satisfaction.—News.

AMERICAN LEAGUE PENNANT RACE CLOSE

Chicago, Sept. 20.—The American League race will be decided by exactly two games and Detroit will win it. This is a remarkable statement, but I want to be quoted as making it," said Hugh Jennings, the manager of the Detroit Tigers, recently, when opinions were sought as to the outcome of the race now demanding the attention of fandom all over the country.

The White Sox are making a desperate effort to retain the pennant, but they are not in as good condition as they were last year, while the rival teams are stronger. The Philadelphia Athletics, especially, have three excellent pitchers, with two

more who may swing into condition any day. Cleveland is showing remarkable strength, while the Detroit Tigers are putting up a pennant-winning fight. Comiskey, owner of the White Sox, is said to have offered his men a bonus of \$40,000 and a trip to Europe if they win. The owner of the Detroit Tigers names no figures, but says his gift, providing the Tigers win, will make Comiskey's offer look like a "drop in the bucket." The Sox now have 19 games to go, all on hostile territory. The Athletics have 23 games. Mr. Jennings, of Detroit, is so confident of winning the pennant that preparations are being made to entertain the post-season crowds. Extra bleachers are now being built. If the crippled Sox get away from Detroit with an even break they will be fortunate.

NOTICE TO CONTRACTORS AND PROPERTY OWNERS ON STREETS HEHEINAF-TER MENTIONED

Notice is hereby given that sealed proposals will be received by the street committee of the common council of the city of Eugene at the office of the city recorder in said city until 7 o'clock p. m. on Wednesday, the 25th day of September, 1907, for the paving of the streets hereinafter mentioned. Sealed bids will be opened and considered at the time and place above mentioned, and a contract will thereupon be entered into with the lowest responsible bidder for the improvements hereinafter mentioned. Said work will be let for said street, and is done, and this notice given pursuant to the following ordinance:

Ordinance No. 694, passed September 9, 1907, providing for the paving of Willamette street from Eleventh street to Thirtieth street.

This contract will be required to be completed within sixty days after the signing thereof. Bids will be received for the paving of said street with bituminous macadam or asphalt pavement. Bidders shall state the price for the various items required for said work, in accordance with the specifications prepared therefor by the city engineer. Said work will be done under the supervision of the street committee of the common council, and to their satisfaction, and be approved by them. A certified check is required of each bidder for five per cent of the bid. Bonds will be required of the successful bidder for the faithful performance of the work awarded to him. The committee reserves the right to reject any or all bids.
Eugene, September 14, 1907.
B. F. DORRIS,
Recorder.

TO CONTRACTORS

Attention of all contractors is called to the agreement of the Warren Brothers Company, filed with this city in accordance with which agreement Warren Brothers Company agrees to license all contractors desiring to bid for the work of laying the bituminous pavement in accordance with its specifications and the terms of said agreement.

If you want the best try Savage's rifle cartridges. Wholesale and retail at Barker Gun Store, 573 Willamette street.

EMPTY HOUSES VERY SCARCE AT JUNCTION CITY

MANY NEW FAMILIES COMING IN AND DEMAND FOR HOUSES IS BEYOND SUPPLY—PICKING PRUNES IN WILHELM ORCHARD

Houses to rent are in great demand. Every house in the city is occupied but still the hunt goes on. New families are coming in every day and the demand for houses is much beyond the supply. Several new men have been put on in the depot and with the repair shop additional help will be required. The majority of the men in this line of work have families, and as dwellings cannot be secured, rooms will be rented until better arrangements can be made.

Miss Beale Frogley, who was elected one of the teachers of the public schools of this city, has resigned and accepted a position in the public schools of Salem. At a meeting of the board Monday evening Miss Laura Schelt was elected to fill the vacancy. Miss Schelt has had a number of years' experience in school work and during her short stay here has made many friends.

Picking began in the Wilhelm prune orchard near Monroe Monday. The orchard comprises 100 acres and the crop is estimated as good. The estimated yield is 3000 bushels. The owners have a drier capacity of 100 bushels a day, and it is expected that the picking and operations will require ten days. The gathering of the fruit began with a force of 20 pickers, which will be increased.

Died—Monday, September 16, 1907, Mrs. Maud Richardson, at the home of her uncle, E. J. Horton. She was afflicted with a complication of diseases. She leaves a grown daughter. Her remains were brought here Tuesday and taken to Corvallis for interment.

A majority of the hop yards in this vicinity have finished picking, and perhaps all of them will finish next week. Hops were put up in good shape, and if they do not bring fair prices it will not be on account of their quality.—Times.

FAMILY REUNION OF HAWLEY'S AT WILDWOOD

Wednesday, September 18, a family reunion was held at the home of William Hawley at Wildwood. The entire family of thirteen children were present, also four grandchildren. It was the first time in fifteen years that the family has all been together and they came from all over the state for the occasion. Ben Hawley, brother of William, was also present.—Cottage Grove Leader.

Just a word to those who wish to invest in Land

In the first place, we ask the question why people buy cheap land when, from every point of view, good land is much more profitable? For instance, poor land which cannot be worked at a profit. You can't pay for it in a hundred years. But on the other hand, if you buy good land that you can work at a profit, it will eventually pay for itself, whatever the price may be; and again, good land is much easier worked.

If you want to raise stock, good land is the cheapest. If you want to raise grain, good land is the cheapest. If you want to raise fruit or vegetables, good land is the cheapest. Why? Because it takes no more to plow it; because it takes no more to harvest it. So it is clear to see that if it pays to work poor land, it surely pays to work good land.

So when you buy, buy good land, and then if you should want to sell it, you have no trouble in disposing of it. So if you want good land at the right price, come and see us.

We have made arrangements to sub-divide some of the best large tracts in the country, to suit those who may wish to purchase their land. It is of the best grade, suitable to grow anything that grows in the West. Our prices are right, our land is A1 and location good.

SMALL TRACTS—CLOSE IN

Have four, acre and a half, tracts adjoining city limits, lies nicely, good soil, just what you want for a home or investment. One of these tracts costs no more than an average city lot. You can make your own terms, small payment down, monthly installments if you wish.
