IMPROVEMENT CLUB HOLDS FIRST MEETING

AFTER SUMMER'S VACATION—MEETING TURNED OVER TO MAYOR MATLOCK, CITY ATTORNEY ALLEN AND COUNCILMAN GARRETT, WHO DISCUSS COMING BOND ELECTION

The first meeting of the season of the Eugene Improvement Club in Ret's hall at Fairmount last night was largely attended, despite the fact that there was some delay in printing the notices of the meeting. No regular business of the club was transacted, but the meeting was turned over to Mayor J. D. Matlock, City Attorney S. D. Allen and Councilman T. H. Garrett, who were present, for the discussion of the issues involved in the coming waterworks bond election. These officials spoke at length on the matter and their remarks were enthusiastically received. They were questioned thoroughly by different persons in the audience and their answers were apparently satisfactory, as they met with approval by all.

A special meeting of the club will be held Saturday night as a final rally before the election. The public is invited to attend and to listen and take part in the discussion. The election of officers of the club which was to have taken place last night was postponed until the next regular meeting.

MRS. TOLLMAN RECEIVES PRAISE FROM RETA DALE

Mrs. Lula Tollman, of the Tollman photo studio, took several photographs of Reta Dale, who took the part of the American widow in the "Prince of Pilsen," which appeared here recently, and she has received a letter from Miss Dale, written at Portland, from which the following is taken:

"The pictures are the most artistic and the best I ever had taken. I am more than delighted and feel that I was well repaid in going to Eugene to find so excellent and artistic a photographer. I am sure you could win fame and fortune in New York." She accompanies the letter with a large order for the photographs she had taken here.

BETTER THAN MEDICINE

Breathe Hyomel's Tonic Healing and Be Cured of Catarrh

Nature has a remedy for catarrh, a treatment that is far better than doing the stomach with medicine. It is the healing balsams and oils of Hyomel which medicates the air you breathe, reaching the most remote air cells in the nose, throat and lungs, killing all catarrhal germs, and restoring health to the mucous membranes.

In using Hyomel you are treating your catarrhal troubles with the only natural remedy, for it gives a curative air both to the air passages, that has as powerful healing and antiseptic effect as that found in the mountains where the pine forests give off their fragrant and healing balsams.

Breathe the invigorating and healing Hyomel, and see how quickly you will get relief from your catarrhal troubles. Mr. Hull has seen so many cures, even of the worst cases of catarrh, with offensive breath, raising of mucous, frequent sneezing, drooping in the throat and spasmodic coughing, that he feels warranted in setting Hyomel out as an absolute guarantee to refund the money if it does not do all that is claimed for it. He takes all the risk.

AMUSEMENTS

"Uncle Josh Perkins," the great comedy success, is coming for an engagement of one night at the Eugene theatre on Saturday, October 12. The play is built on original lines and is said to be presented by a brilliant company, which makes the most possible of every type of character enacted. While built largely for laughing purposes there is enough pathos, human interest and thrilling situations unfolded to suit all classes of men, women and children too. The forthcoming engagement of this company will doubtless attract unusual attention from the playgoers of Eugene.

"Golden Crown" butter took the first premium at the state fair; manufactured by the Monroe Creamery Co. For sale by all leading grocers.
