PULLMAN WANTS FOOTBALL GAME WITH OREGON

WASHINGTON STATE COLLEGE SAYS IT WILL NOT BE PUT OFF THIS YEAR

POST-SEASON DATE IS ALL THAT IS OPEN, AS OREGON'S SCHEDULE UP TO THANKSGIVING DAY IS FULL—HILDEBURN ON THE TRAINING TABLE

Washington State College at Pullman wants a game with Oregon this year, and while a post-season game is all that is open, they say they will not be put off, as they claim they were last year. While there was no logical reason for Oregon playing her last year, as comparative scores gave Oregon by far the best title to the championship, this year, in order to prove anything it looks quite likely that the two teams will be obliged to meet. The chance that they will not seems to lie in the possibilities that Washington will defeat one or the other of the teams. Idaho, too, might turn the trick, which would give one team or the other the championship.

Washington seems a little frightened at Pullman, for Condon, the registrar at the Seattle Institution, sent a clipping to Registrar Tiffany, with the following remark: "Whatsoever ye would do unto us, Do ye tenfold unto these people."—(Pullman).

At the University most of the students would like to see Oregon play Pullman, and what is still more interesting, Pullman seems quite willing to play in Eugene, on Kincaid field, where Oregon has seldom been beaten.

New Man On Training Table.
Harry Hildeburn has been put on the training table. Last night he played guard on the second team and did well. Hildeburn also plays a fine game at center, he having more experience in that position. The Oregon lineup for the Idaho game will be announced Wednesday night.

Grout Quite Squad.
Ben Grout, a stalwart candidate for the squad, has quit the game owing to outside work. Grout had a good reputation as a hard fighting guard on the second team. Other candidates said that he was one of the hardest propositions they had to run up against. He played good ball all fall, and it is really a loss to the squad that he should quit. Ward Ray, a 200-pounder, also stopped going into the game some time ago. Ray was trying for guard and played a good hard game. He was also a candidate for center. The squad last night numbered 25

HOW RHEUMATISM IS CURED

Simplicity and Science Combine to Conquer Winter's Plague

When Dr. Flood, the great kidney, bladder and rheumatism specialist, wrote the now famous prescription for these diseases given below by condensed great medical learning and skill into a remedy and method of treatment so simple, inexpensive and easily obtained that any one can benefit by it.

The receipt in full as he wrote it, with his simple directions complete, is as follows:

Fluid extract Cascara Aromatic, 1 ounce
Concentrated Barkola Com- 1 ounce
Aromatic Elixir, 4 ounces
Mix these ingredients at home and take one teaspoonful after each meal and one at bedtime.

The object of this prescription is to soothe and heal the kidneys and bladder, reduce all inflammation and stop the pain, but the doctor's instructions are that it must be persevered with for at least a week after the patient has been completely restored to health, in order to make certain that every quick recovery may also be a lasting one.

Cottage Grove—Charles D. Hull.
Lorane—Laura E. Jackson.
Mineral—Phil B. Hawley.
Elmira—Lawrence L. Taylor.

Of the students who registered at the college for the first time, 35 came from other colleges and universities, 209 from high schools, 74 from academies and preparatory schools, and 46 were required to pass examination because they were unable to present satisfactory credentials.

The branches which are taken by the students are as follows:

Agriculture, 87; household science, 99; mechanical, 95; electrical, 111; pharmacy, 77; mining, 43; civil engineering, 64; literary commerce, 93; forestry, 10; sub-freshmen, 122; special, 34; music special, 26; graduate, 9.

His Dear Old Mother.

"My dear old mother, who is now eighty-three years old, thrives on Electric Bitters," writes W. B. Brunson, of Dublin, Georgia. "She has taken them for about two years and enjoys an excellent appetite, feels strong and sleeps well." That's the way Electric Bitters affect the aged, and the same happy results follow in all cases of female weakness and general debility. Weak, puny children, too, are greatly strengthened by them. Guaranteed also for stomach, liver and kidney troubles by W. L. DeLano's drug store. 50c.

ST. MARY'S CATHOLIC CHURCH AND THE RECTOR, FATHER O'FARRELL.

The twentieth anniversary jubilee services at St. Mary's Catholic church of this city Sunday were largely attended and proved of great interest to the members of the church as well as outsiders who attended. At the forenoon service Father O'Far-

rell, assisted by the male choir, chanted high mass, and Rev. J. J. Gallagher, C. S. C., president of Columbia University, Portland, delivered the sermon. In the evening at 7:30 o'clock Rev. F. Fitzpatrick, of Cottage Grove, delivered an excellent sermon.

The local church was organized in 1887 by Father P. S. Beck, who remained with the church for ten years or more. The present rector, Rev. Father O'Farrell, has been here since February, 1900, and from a mere handful of members the church has grown so it is now nearly 400 strong.
