CO. A. IS GIVEN FIRST PLACE ABOVE OTHERS

The Guard is informed that Company A, Fourth regiment, O. N. G. of this city, stood higher than any other company in the state at the inspection conducted by Inspector-General Jackson last summer. The order declaring the result of the inspection has not yet been published, but it is understood that the figures are all compiled and they will be given to the public within the next few days. Company A made a splendid showing at the inspection, and Captain Hammond was very highly complimented by General Jackson for its proficiency. It is said the company stands one point higher than Company K, of Portland, which has always been the crack company of the state.

HAPPY WOMEN

Plenty of Them in Eugene, and Good Reason for It.

Wouldn't any woman be happy, after years of backache suffering?

Days of misery, nights of unrest. The distress of urinary troubles. She finds relief and cure?

No reason why any Eugene reader should suffer in the face of evidence like this:

Mrs. M. J. Drew, of 295 West 8th street, Eugene, Or., says: "I suffered from severe pains that seemed to run from the kidneys through the loins and down into the limbs. There was also a noticeable disorder of the action of the kidneys, and the presence of uric acid caused rheumatic twinges. Being induced to try Doan's Kidney Pills I was agreeably surprised by the prompt relief found. It helped me a great deal in just a few days and the improvement continued as long as I kept on with their use. I cannot help but give Doan's Kidney Pills a strong recommendation."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents in the United States. Remember the name—Doan's—and take no other.

Growing Acres and Farms
Mrs. Josie Sumner, Bremont, Tex., writes April 15, 1902: "I have used Ballard's Snow Liniment in my family for three years. I would not be without it in the house. I have used it on my little girl for growing pains and aches in her knees. It cured her right away. I have also used it for frostbitten feet with good success. It is the best liniment I ever used."

INJURED BOY LIES IN DITCH ALL NIGHT

Halsey, Or., Oct. 23.—The 10-year-old son of Mr. and Mrs. George McCarty met with an accident Monday night which may terminate fatally. His father sent him to a neighbor's to get the cows, which had broken out of the home pasture. It was nearly dark and he rode into a low wire fence, which caused the horse to stumble, throwing the boy over his head. The horse fell on him, crushing his left leg. Clad only in overalls and a shirt, and being unable to make any one hear his cries for help, he crawled into a nearby ditch to get out of the fog and keep warm. There he lay until yesterday, when his father found him at 11 o'clock in the forenoon, unable to speak. Under the care of a physician he is now resting easy.

IRVING ITEMS

(Special Correspondence.)

Irving, Oct. 23.—E. W. Zumwalt has raised the north part of his house to conform with the main part and it looks much better. He contemplates many improvements in the near future which will enhance the beauty of our town.

Ed Briggs, who has been visiting with the family of Jno. Briggs, left for Eugene last Friday.

Mrs. J. W. Hilton has moved into the Wiscarson house for the winter, for the purpose of sending the children to school.

RECOGNIZED BY THE GOVERNMENT.

In these days of strenuous opposition to adulteration of goods and drugs we note that the U. S. Department of Agriculture has recognized Knapp-Curo as an official sheep dip, and inspectors have been notified to this effect. This action is certainly gratifying to the Prussian Remedy Company, of St. Paul, Minn., who have been putting Knapp-Curo on the market for years. Inasmuch as the general government and many of the states require that livestock shall be free from any sore of disease before shipment, the shipper may feel safe in using Knapp-Curo Prussian Sheep Dip, or the Prussian Hug and Cattle Dip. Lice, ticks, and all vermin are destroyed effectively by the preparations of the Prussian Remedy Co. The company is to be congratulated for obtaining recognition by the Agricultural Department.

Preston & Hales are agents for Prussian Stock Food and remedies. If

AMUSEMENTS

With a record of 269 nights in Chicago and 250 in New York, the rollicking new farcical opera, "The Mayor of Tokio," will be the attraction at the Eugene theatre tonight. The book is by Richard Carle and the music by W. F. Peters. The scene of the new opera is laid in Japan and deals with the adventures of a comic opera organization stranded in the Nippon metropolis. Marcus Orlando Kidder, impresario of the luckless troupe, is played by John L. Kearney, who was selected by Mr. Carle as being the only comedian in the country whom he felt could follow him in the part. Mr. Kidder and the remnants of his Komiques have arrived in Tokio with a sadly depleted treasury and wardrobe. In addition to Kidder himself all that remain of the troupe that left San Francisco 60 members strong for the tour of the far East are a sour-faced wardrobe mistress, a lovesick song book boy, a sousette with Shakespearean ambitions, and a little girl called the "Peanut Ballet." At the time of their arrival the Mayor of Tokio is unfortunately entangled in a plot with a Russian spy, Ivan Orfulitch, and General Satake, a conspirator who has entered into an agreement with Ivan to betray important secrets of the Japanese government. The mayor has the unfortunate habit of talking in his sleep and Satake persuades him that during one of these somnambulist conversations he has betrayed the se-
