Remember we do not make any fake advertising claims. See these few prices, not specials but regular values compared with what others offer as a few specials—Fine Sewing Rockers, regular \$2.25, others offer an inferior article for \$3.85 special; Door Mats 14x24 . 55c; 17x28 . 75c; 20x33 . \$1.35; quite a difference from what others offer as specials. This Biggest and Best Furniture Store buys direct, that's why we sell for less and that's the reason we have the trade. Our furniture is not loaned out to theatres, or on commission, then put back in stock. We sell absolutely new goods, not loaned out and when returned sold for new goods. It will pay you to read our advs., they are always bright and newsy, no old testimonials republished year after year. We handle a complete line of housefurnishings and give you prices that make you buy here—Come and see us.

MORRIS CHAIRS—BIG LINE—SPECIAL VALUES VALUES BEYOND COMPARISON

Fair and courteous treatment. Low Prices for Goods of Real Value. Plain prices on all goods and expert help is what we give the people. We sell for cash or installments.

Never in the Furniture Trust

We cheerfully give you
estimates on all kinds of
work and home furnishings.
When we sell you linoleum
we lay it with the only ex-
pert help to be had in Eu-
gene.

When we sew carpets we
do so on a machine that
costs money and needs ex-
pert help to run. No other
dealer in Eugene has one.
They make several kinds of
stitches and are to carpets
what "WHITE" sewing ma-
chines are to the sewing
world compared with the
hand sewing of the needle.
It is better, stronger, even
and makes the carpet per-
fect in strength.

Remember no other car-
pet dealer in Lane county
can give you this class of
work of an up-to-date ma-
chine with expert help.
We charge you nothing for
this work and it improves
the looks and wearing qual-
ity of your carpet fully 25
per cent. Let us show you
and convince you of the
difference.

Another Thing—Some
dealers in Oregon who were
members of the furniture
trust knock machine sewing.
We are willing to prove to
you that such dealers have
an "ax to grind"—W. J.
Sloane & Co., Walters
Bros., the largest whole-
salers on the coast use these
machines. EVERY CARPET
DEALER IN PORTLAND USES
THEM.

REASON—With expert
help they are valuable, do
work impossible to do by
hand and save wear and
strain on carpets. THAT'S
WHY UP-TO-DATE DEALERS
HAVE THEM.
