Hold Up For Admiration

One of our specialties is the cleaning of Fancy Vests, and, if necessary, the dyeing of them, also. We turn these out in such a style as makes the owner wonder how the transformation has been effected. Remember this when you have a vest that looks soiled and shabby. Our general cleaning and dyeing work is of a high character, and we do the work in record time at "too moderate" prices.

OCCUPATION TAX FOR BUSINESS MEN OF SPRINGFIELD

COMMERCIAL CLUB TAKES MATTER UP AND THOROUGHLY DISCUSSES IT.

COMMITTEE APPOINTED TO MEET WITH CITY COUNCIL AND URGE PASSAGE OF ORDINANCE—JOHN WINZENREID WILL CARRY MAIL TO AND FROM JUNCTION

At the regular meeting of the Commercial Club last Friday evening the matter of a city occupation tax was brought up and thoroughly discussed. Several of our business men have been agitating an extra tax of the business men for some time, and after discussing the subject at some length it was decided that a committee from the club meet the city council at its next regular meeting and urge the passage of an ordinance putting an occupation tax on every business man in Springfield. This committee consists of Messrs. Keasley, Pace and Richard.

Mr. Edwards, proprietor of the Little Gem theatre in Eugene, was in Springfield Wednesday for the purpose of making arrangements to put on an entertainment at least one night of the week at the local opera house. The entertainments given by this company have become very popular in Eugene and are spoken of in the highest terms.

J. E. Inala returned from a ten weeks' visit at different Missouri points. He was accompanied by his son Squire, whose home is at Nevada, Missouri. Mr. Inala reports a very pleasant trip to his old home, and says he visited all of his children, whom he had not seen for twenty years.

F. E. Roberts received word yesterday that John Winzenreid had received the appointment for carrying the mail to and from Springfield Junction. Mr. Winzenreid has been carrying the mail for the government since last April, but has had no contract for the same.

This Springfield bank closed its doors like all other Oregon banks for five days' holiday, but will be open again to the public Monday and will do its usual rushing business.

BACKACHE IS THE DANGER SIGNAL

This Simple Home Mixture said to Prevent Serious Kidney Trouble and Relieve Rheumatism

More people succumb each year to some form of kidney trouble than any other cause. The slightest form of kidney derangement often develops into Bright's kidney disease, diabetes or dropsy. When either of these diseases are suspected the sufferer should at once seek the best medical attention possible. Consult only a good, first-class physician and leave patent medicines alone.

There are many of the lesser symptoms of kidney trouble which can be treated at home in a stated by a well-known authority. For some of these, such as backache, pain in the region of the kidneys, weak bladder, frequency (especially at night) painful, scalding and other urinary troubles, try the following simple home remedy: Fluid extract dandelion, one-half ounce; compound karsol, one ounce; compound sassafras, one ounce; compound sassafras, one ounce. These simple ingredients are harmless and can be obtained at any good prescription pharmacy and any one can mix them by shaking well in a bottle. The dose for adults is a teaspoonful after each meal and again at bedtime.

There is no better general remedy known to relieve all forms of rheumatism, either, because it acts directly upon the kidneys and blood. It cleans the clogged-up pores of the kidneys so that they can filter and strain from the blood the poisonous uric acid and waste matter which if not eliminated remain in the blood, decompose and settle about the joints and muscular tissues causing the untold suffering and deformity of rheumatism.

Backache is nature's signal notifying the sufferer that the kidneys are not acting properly. "Take care of your kidneys" is now the doctor's advice to his patients.

T. G. HAILEY WILL DELIVER ELKS' MEMORIAL ADDRESS

Eugene Lodge, B. P. O. E., will hold its annual lodge of sorrow, of memorial services, in memory of departed brothers, this year in the Eugene theatre, and the services will be of a public nature. The first Sunday in December is the Elks' memorial day, and this year it falls on December 1. The lodge has selected Hon. T. G. Hailey, of Portland, to deliver the address of the occasion at the services, and a program of interest is being prepared by the committee in charge. Mr. Hailey has the reputation of being one of the most eloquent orators in the state, and the local lodge is considered fortunate in securing him. The program to be rendered will be published later. The services will be held at 2:30 p. m. sharp.

HALSEY MAN RUNS AWAY FROM WIFE

WIFE SAID SHE HATED HIM AND HE BORROWED MONEY AND LEFT ON TRAIN

Halsey, Or., Nov. 1.—Claude Hedgepeth, a section hand, quarreled with his wife Wednesday, and because she told him that she hated him, borrowed money from an acquaintance and with his trunk boarded a southbound train for an unknown destination. He leaves behind also a fourteen-months-old child.

There are some strange features in the case. Hedgepeth and his wife are second cousins. His mother-in-law, who lived with the couple, is his guardian until next Monday, his 21st birthday, when he will receive \$104 from his mother's estate. His wife will endeavor to secure this, as she is in ill health, with no means of support. The strangest feature of the case is that this is the fourth member of the family to leave by train from this place in the same manner during the last two years. The first to go was Mrs. Hedgepeth's father, Monroe Miller, who eloped with her uncle's wife, Florence Allen, taking Mr. Allen's 11-year-old daughter. Then Vincent Holgate, who is married to her aunt, disappeared, and now her husband has followed their mode of settling family infidelity. When Mrs. Allen, who is mother of the deceased Mr. Allen, of Mrs. Miller, Mrs. Holgate and the grandmother of Mrs. Hedgepeth, was interviewed on the subject, she replied: "My sister, of Eugene, was treated the same way, but law, they can't hurt us—we're above reproach."

SPECIAL GOSPEL SERVICE SUNDAY AND MONDAY

Special gospel services are to be conducted at the W. O. W. hall, corner West Eighth and Lincoln streets, November 3 and 4, at 8 p. m., by E. W. Brenneisen, representing the W. T. Bible and Tract Society of Allentown, Pennsylvania. On the first evening the subject will be, "The Three Worlds of the Bible, or How to Study the Bible Dispensationally," and the second night the lecture will be on "The Three Ways of the Bible, viz., the Broad Way, the Narrow Way and the High Way." In this last lesson scriptural answers will be given to the questions when, where and by whom each of these three ways have been or are to be opened, who enters thereon and the final destination of each of the ways. Admission free. No collection. Come and bring your friends.

OF PUBLIC INTEREST

Lane county's wave of prosperity has proven a great blessing in many ways. Among other things it has made it possible during the last nine months for more than one hundred homes to enjoy the pleasures of a piano or organ of the high grade such as are carried at the Eilers Piano House. More than 100 pianos and organs sold by this one house in Eugene during the past nine months! Think of it. Eight years ago there was but one small store of that name in the Pacific Northwest, and today there are twenty-six, the Eugene branch being one of them. High grade instruments at low prices accounts for this wonderful growth. Remember this—if you don't investigate before you buy some one may rope you into paying a high price for a cheap article. The Eilers time new guaranteed pianos from \$218 up, and organs from \$55 up. Call and see their large stock before purchasing. 24 West Seventh street.

Growing Aches and Pains
Mrs. Josie Sumner, Bremont, Tex., writes April 15, 1902: "I have used Ballard's Snow Liniment in my family for three years. I would not be without it in the house. I have used it on my little girl for growing pains and aches in her knees. It cured her right away. I have also used it for frostbit feet, with good success. It is the best liniment I ever used." 25c, 50c and \$1.

THE VALUE OF PERSONAL KNOWLEDGE

Personal knowledge is the winning factor in the culminating contests of this competitive age and when of ample character it places its fortunate possessor in the front ranks of

The Well Informed of the World.

A vast fund of personal knowledge is really essential to the achievement of the highest excellence in any field of human effort.

A Knowledge of Forms, Knowledge of Functions and Knowledge of Products are all of the utmost value and in questions of life and health when a true and wholesome remedy is desired it should be remembered that Syrup of Figs and Elixir of Senna, manufactured by the California Fig Syrup Co., is an ethical product which has met with the approval of the most eminent physicians and gives universal satisfaction, because it is a remedy of

Known Quality, Known Excellence and Known Component Parts and has won the valuable patronage of millions of the Well Informed of the world, who know of their own personal knowledge and from actual use that it is the first and best of family laxatives, for which no extravagant or unreasonable claims are made.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to worldwide acceptance as the most excellent family laxative. As its pure laxative principles, obtained from Senna, are well known to physicians and the Well Informed of the world to be the best we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of—Syrup of Figs—and to get its beneficial effects, always note, when purchasing the full name of the Company—California Fig Syrup Co.—printed on the front of every package, whether you call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna.
