**AMUSEMENTS**

The story of "Human Hearts," that beautiful poetical play of the simple life of the lonely folk of rural Arkansas, deals with the happenings to honest Tom Logan, the village blacksmith. Tom dwells with his parents in a picturesque spot of the Arkansas hills. There he has been pursuing his vocation, being a plain, simple life, the husband of his aged parents, beloved by all who know him and respected above his fellows. On a certain unlucky day there came to the village a beautiful woman, a temptress, unprincipled and black at heart, but with a fascination that proved to be the undoing of poor Tom Logan. He immediately proceeded to fall in love with her, asked her to marry him, and she became his wife. Happy in fancied security, Tom lavished all the affection on the woman that was possible to an honest heart like his, but it was not returned.

One day there appears on the scene a villain, the former lover of the woman, who commits a cowardly murder and with the assistance of the woman fastens the crime on Tom, who is tried and convicted for the crime

the road this season. The company numbers seventy-five people and two 60-foot baggage cars are required to transport the scenery and lavish effects.

In securing "The Stronger Sex" as the play for Maude Fealy's second starring tour under his management John Cort has evidently made no mistake for in the role of Mary Wren the Texas girl, this gifted little actress has been given a part splendidly fitting her, and is enabled in it to express every atom of her ability to sway an audience from pathos to youth, grace and girlish personality fit the character to a dramatic nicety. It would have been difficult to have found a more suitable play for Miss Fealy. "The Stronger Sex" comes to this country with the record of a wonderful success in London and the acclamation of the entire press of that city. Its great run of 7 solid months at the Apollo theatre, and the fact that it crowded that playhouse at each performance during that time easily proclaims it the most positive success of the year.

**A HARD DEBT TO PAY.**  
 "I owe a debt of gratitude that can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds, and all throat and lung complaints. Guaranteed by W. L. DeLano, druggist. 50c and \$1.00. Trial bottle free.

**One of the Important Duties of Physicians and the Well-Informed of the World**

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the ethical character of its product has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

**TRUTH AND QUALITY**

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the approval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.
