ELECTRIC LINE SURVEY COMPLETED NORTH TO ALBANY

The survey for the electric line from Junction City north has been completed, at least such was the information received here. The crew from Albany met the Eugene crew somewhere near Peoria, where the road will cross the Willamette. The survey out of town follows the old S. P. survey. Farmers along the line requested that the survey be run parallel to the old survey, as it would be very inconvenient to have land between the two tracks should the S.P. conclude to complete their line from Corvallis to this place. We understand that there will be no trouble about the right-of-way, as the farmers are alive to the great benefits to be derived from an electric line and are exceedingly anxious to have the line completed as soon as possible.

Church Dedicated.

The South Methodist church was dedicated Sunday by Rev. McCausland, presiding elder. A large audience was present. There was no indebtedness against the church, consequently there was no money to raise. The church has been named "Olive Branch" in respect to the memory of Casper Rickard, who was one of the principal patrons of the church. The building is very neatly finished. The church is without an organ, and a voluntary collection was taken up for the purchase of an instrument and almost the necessary amount was secured.

Other Notes of Interest.

A Baptist Sunday school was organized at the M. E. church South Wednesday evening with the following corps of teachers andw officers: Superintendent, Fred Tracer; assistant, Samuel Allen.; secretary, Golda Tracer; assistant, Mary Baker; janitor, Sammy Nibert; teachers, Bible class, M. Michales; intermediate, Ed L. Ayres; primary, Mrs. Tracer; infant, Mrs Flora Mays.

The repairs to the flouring mills have been completed and its cheery whistle was heard again Thursday. The Messrs. Wilhelm are behind with their orders and the mills will be run to the fullest capacity to make up for the loss of time. The Harrisburg mill was run for some time, but as the supply of grain was exhausted it was closed down.

The original Junction City Dramatic Company, with the addition of several new members, have in preparation a drama which will be put on just as soon as the parts can be assigned and committed. The title will be "A Woman's Honor." This is said to be a very interesting play and will doubtless attract a good house.—Junction City Times.

VERY GOOD HOME MADE CATARRH CURE

Any One Can Prepare This Home-Made Mixture, Which is Said to Relieve Catarrh.

The coming months will be a harvest for the doctors and patent medicine manufacturers unless great care is taken to keep the feet dry, also dress warmly.

This advice should be heeded by all who are subject to rheumatism, kidney and bladder troubles, and especially catarrh. While the latter is considered by most sufferers an incurable disease, there are few men or women who will fail to experience great relief from the following simple home prescription, and if taken in time it will prevent an attack of catarrh during the entire season.

Here is the prescription, which any one can mix: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Shake well in a bottle and use in teaspoonful doses after meals and again at bedtime.

But unless you go to the trouble to ask the druggist for the dandelion and sarsaparilla separately, and then buy one ounce Kargon Compound in an original package (unopened), plainly printed, guaranteed No. 108, under National Drug Law, and mix the kargon with the other ingredients at your home, you had better not use this effective prescription at all. It may be worse than useless, perhaps even harmful, and your money wasted. Under no circumstances accept the prescription all ready prepared, nor accept any excuses for offering it to you in that way. Purchase separately the Kargon Compound, No. 108 Guarantee, as explained above, and mix these three ingredients at home yourself, or do not use it all.

The Compound Kargon in this prescription acts directly upon the eliminative tissues of the kidneys to make them filter and strain from the blood the poisons that produce all forms of catarrhal affections. Relief is often felt after the first few doses and it is seldom that the sufferer ever experiences a return attack within the year.

This prescription makes a splendid remedy for all forms of blood disorders and such symptoms as lame back, bladder weakness and rheumatism pains are entirely dissolved.

As this valuable though simple recipe comes from a thoroughly reliable source, it should be heeded by every afflicted reader.

OFFICERS MAKE RAID AND GET TRUNK FULL OF WHISKEY

Chief of Police Farrington and Sheriff Fisk made a raid on the lunch counter in the north room of the Frasier building at the corner of Sixth and Willamette streets this forenoon and found in the back room a big trunk full of whiskey and other liquor, together with a number of glasses and other appurtenances usually found at a "blind pig." The "layout" was confiscated by the officers and they are now looking for the owner. The lunch counter is conducted by a man named Steves, but his last name is not learned. An employe of the place has been on duty by himself all day while the proprietor seems to be in hiding some place.

As the officers entered the front room of the place they heard a number of men leaving by the back door, but they got out before the chief and sheriff couuld effect entrance to the rear portion of the building. The door was locked and it took some little time to get it open.

For some time past this place has been a rendezvous for drinking men and the officers have had their suspicions that liquor was being illicitly peddled there. They concluded to rail the place with the result as mentioned.

BUTLER TELEPHONES HE MISSED TRAIN

C. B. Butler, the liquor salesman who was to have appeared for trial in the police court this afternoon on the charge of violating the city's ordinance against the sale of liquor, and who was thought by the officers to have jumped his bail and gone on to Southern Oregon, this afternoon at 1:30 o'clock telephoned Police Judge Dorris from Divide that he missed the train to Eugene and asked if the trial could not be put off until Monday. Judge Dorris replied that if he would be here at that time he would postpone it till Monday at 10 a. m. Mr. Butler was compelled to go to Cottage Grove and Divide on business and had no intention whatever of forfeiting his bail by not appearing for trial.

One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the ethical character of its product has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the appoval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.
