INSTALLING BLOCK SIGNAL SYSTEM

The McKun Signal Company finished on Saturday last installing the block signal system on the Divide-Drain section of the Southern Pacific road. Ray Gable will have charge of the section, with headquarters at Cottage Grove. The gang went down to Albany Saturday afternoon, where they will put in a few blocks to protect against the dense fogs which was the cause of the collision last week. These signals set, the gang will return here and work north toward Creswell. It will take two or more months to put in the Cottage Grove section. Frank Hickey will be in the charging station here, and expects to enter upon the discharge of his duties in the near future.—Cottage Grove Western Oregon.

AMUSEMENTS

It has become quite the thing of late years for those who could afford the luxury to possess a private yacht upon which to spend the heated term during the summer months in ease and comfort. The "yacht craze" seems to be especially popular among our prominent actors, and a number are now spending well earned vacations cruising.

A palatial new vessel has recently been completed for the successful comedian, Ben Hendricks, which is said to be the most magnificent in America. It has been christened the "Ole Oleson," in honor of the popular play of that name, which during the past ten years has brought Mr. Hendricks fame and fortune.

This season he will be seen in an elaborate production of "Yon Yonson." The scenery is all new and the electrical effects which he has devised makes the breaking of the log jam startling and true to nature. Mr. Hendricks has spent most of his vacation cruising along the Atlantic coast entertaining his friends aboard the "Ole."

Ben Hendricks will appear at the Eugene theatre in "Yon Yonson" Saturday night.

IDAHO FARMERS SAID TO BE WICKED HORSE THIEVES

Moscow, Idaho, Nov. 28.—Henry J. Bauer and Edgar Kent have confessed to being members of one of the bands of horse thieves that have been worrying the officials of Northern Idaho for several months. The prisoners have named several of the most prominent ranchers in this section of the state as leaders of the gang. Frank White and George Foreman, both well-known farmers, have been arrested.

The men who confessed declare that White picked out the horses to be stolen while Foreman was engineer-in-chief of the gang's operations, furnishing the brains and money of the organization. Glen Gordon, who was arrested last summer, is said to have run the animals into British Columbia. The outfit operated in Idaho, Washington, Montana and Canada. Bauer is constable at Juliette.

ARCHBISHOP CHRISTIE IS RAPIDLY RECOVERING

Chicago, Nov. 28.—There is a marked improvement in the condition of Archbishop Christie, of Portland, Or., who is at the Mercy hospital in this city. The archbishop was operated upon November 20 by Dr. J. B. Murphy for gallstone trouble, from which the visitor had been suffering for some time. Dr. Murphy is of the opinion that the archbishop will soon be able to leave the hospital.

FARMERS' INSTITUTE AT COTTAGE GROVE

Cottage Grove, Nov. 28.—A farmers' institute was held here yesterday at the armory and was an occasion of universal interest. Dr. James Withycombe and a number of other prominent men of the state were present. The attendance was large, farmers coming many miles to attend through a heavy rainstorm.

Special efforts were made in the fruit-raising industry and in demonstrating the advantages of organization, culture of plants and prices received therefrom. Central Oregon boasts of raising the best flavored fruits in the state and has an ideal climate for all kinds of horticultural products. Many thousands of trees have been set out in this locality during the last year.

COYOTES KILLED NEAR COTTAGE GROVE

The coyotes are having a hard life hereabouts because of the roving habits of the McFarland Bros' hounds, says the Cottage Grove Western Oregon. A few days ago the dogs started something on Mosley creek and the howl was heard by William Van Gordon, who took a stand where he thought the varmint might pass. Sure enough it was not many minutes before a wolf at his best gait was about to pass—but a long shot cut short his career. A minute later the dogs were upon it, but they were too late for a scrimmage. The coyote was very large, so great that the hunters think he may have been a cross between the common coyote and a timber wolf. On Thursday last the same dogs started a coyote on R. H. Kennedy's place south of town. They came up with it at Corvair Spur, where they killed it.

A Hard Debt To Pay.

"I owe a debt of gratitude that can never be paid off," writes G. S. Clark, of Westfield, Iowa, "for my rescue from death by Dr. King's New Discovery. Both lungs were so seriously affected that death seemed imminent, when I commenced taking New Discovery. The ominous dry hacking cough quit before the first bottle was used, and two more bottles made a complete cure." Nothing has ever equaled New Discovery for coughs, colds, and all throat and lung complaints. Guaranteed by W. L. DeLano, druggist. 50c and \$1.00. Trial bottle free.

CURE BY CUTICURA AT CITY MISSION

Young Woman Found in Awful Condition with Scabies—Body a Mass of Sores from Scratching—Tried Many Remedies for Seven Weeks—Result Was Discouraging, But

ITCHING TORTURES YIELDED TO CUTICURA

"While I was doing missionary work in the lower portion of several cities I found it necessary to know a little of the efficacy of a few medicines, and after a while I found that a little knowledge of Cuticura was about all I needed. One of the very bad cases I had to deal with was that of a young woman who had come to us not only broken in spirit but in a most awful condition physically. Our doctor examined her and told us that she had scabies (the itch), impetigo, parosis, rheumatism, etc., brought on from exposure and the effects of her ragged-edges life. Her poor body was a mass of sores from scratching and she was not able to retain solid food. We tried many things, a good tonic was prescribed and baths with a rubbing of lard and sulphur. We worked hard for seven weeks and you can imagine how discouraged we were when, after all that time, we could see little improvement. One day I happened to see a Cuticura advertisement telling how a little baby had been cured of a bad case of skin eruption, and although I had but ninety-seven cents with me, I bought a cake of Cuticura Soap and a bottle of Cuticura Resolvent. When I reached home I was like a child with a new toy, and we bathed our patient well and gave her a full dose of the Resolvent. She slept that night better than she had since she had been with us and the next day I located the price of a box of Cuticura Ointment. I am not exaggerating when I say that in exactly five weeks this young woman was able to look for a position, being strong enough to work and full of ambition. In another month she left the home, and now has a good position in a nice family where she is respected and is strong and well. You may refer any one you wish to me, personally. Laura Jane Bates, 85 Fifth Ave., New York, N. Y., Mar. 11, 1907."
