PIMPLES

"I tried all kinds of blood remedies which failed to do me any good but I have found the right thing at last. My face was full of pimples and blackheads. After taking Cascarets they all left. I am consulting the use of them and recommending them to my friends. I feel fine when I rise in the morning. Hope to have a chance to recommend Cascarets."

MANY INQUIRIES RECEIVED REGARDING PRIZES TO BE GIVEN TO THE MOST POPULAR LADIES IN LANE COUNTY

***** Cut out nomination blank and enter the name of your favorite Candidate at once. *****

Interest in the Daily Guard popular ladies' voting contest is growing steadily, and judging from the number of inquiries received for information regarding the contest and the conditions as to how the prizes will be awarded, it is evident there will be many competitors.

District Divisions.

Lane county will be divided into four districts, to which each will be awarded at least two of the prizes and one of the four districts will receive three of the prizes, including the grand upright piano.

District No. 1 includes all of the city of Eugene.

District No. 2—That part of Lane county south of Creswell, including Cottage Grove, Wildwood, Hazel Dell, Dexter, London and Lorane.

District No. 3—Junction City, Florence, and all of Lane county west of Eugene.

District No. 4—Includes Springfield, Coburg, Wendling, Creswell Thurston and Marcola.

The Way the Prizes Will Be Awarded

Capital prize—Grand upright piano, valued at \$550, will be given to the young lady who secures the most votes of any candidate in the contest irrespective of the district she may reside in.

First prizes to each district—To the four young ladies who finish with the largest number of votes to the credit in each of the four districts will be given a first-class free trip to Los Angeles and return, including the very best hotel accommodations for one week while in the city of Los Angeles, under the escort of a chaperone, who will be a resident of Lane county.

Second prizes in each district—Then to the four young ladies who finish with the second largest number of votes in each of the four districts after the capital and first prizes have been awarded, will receive a six-months full course scholarship at one of the foremost educational institutions in the state of Oregon.

The Way to Nominations

Published below is a nomination coupon. Cut it out and fill in your name or the names of some young lady whom you wish to nominate and bring or mail it to the Contest Department, care of The Guard, and it will count for five votes, and also be the means of placing your favorite candidate's name as a contestant for the \$1000 in prizes to be awarded immediately at the close of the contest, Saturday, February 8, 1908. Every Young Lady of Lane County Eligible to Compete.

This opportunity affords every young lady who is a resident of Lane county a chance to win a prize that would be very acceptable to any one. The grand upright piano, which was purchased from the well-known firm of Eilers Piano Company, is a prize that would be more than acceptable to any young lady who will be fortunate enough to win it. The Kimball piano is in use by the public and the profession more generally than any other, and occupies the same space as an ordinary piano. It is world-renowned as a remarkable instrument, enabling any one with very little practice to render the most simple or difficult composition with ample execution and adequate interpretation, and is now in use in the most prominent residences throughout the country. Where, after a year or more, after being confined to your studies or employment, could you spend a more enjoyable vacation? No place we could suggest. Los Angeles is known the world over for its famous beaches, bathing resorts and points of interest too numerous to mention. That Eastern tourists journey each year to see. The four contestants who will be announced as winners of these prizes do not necessarily have to start immediately at the close of the contest. The first-class tickets are good for six months from the date stamped thereon, and can be used any time before the expiration of that time. The winners will be under the escort of a chaperone who will be selected at a later date. The second prizes (the scholarships) to be awarded to the four candidates who in each district finish with the second highest score of votes are prizes that are always being sought after. Where is the young lady who, after finishing the grammar or high school

course, is not anxious to take up a business course? Every young lady nowadays is very anxious and The Guard will leave no stone unturned to see that the winners of these scholarship prizes will be given the individual attention of the experts in charge at the institution at which they will attend.

Now is the Time

Candidates and their friends will find it advantageous to make an early start if they expect to win one of the above prizes, and it's the young ladies who start to work at once while others are meditating that will be announced as winners when the final count of votes is made.

All that is necessary to win one of these valuable prizes is to clip the coupon that is published in the paper each day and have your friends to fill in your name or the name of your favorite candidate, and bring or mail them to the Contest Department. A quicker and better way to secure a larger number of votes is by getting your friends who are not subscribers to the Guard to subscribe, or by getting your friends who are already subscribers to resubscribe by making an advance payment for six months or a year. By adopting this system of vote getting

your success is almost assured. Votes will be allowed on all prepaid subscriptions, including arrears, according to the scale of votes published below.

Every subscriber of The Guard, old or new, who makes an advance payment for three months or more will be entitled to cast a certain number of votes for any young lady whom they would like to assist in winning either the grand upright piano, a free trip to Los Angeles and return or a six months full course scholarship.

MANY IMPROVEMENTS AROUND THURSTON

(Special Correspondence.)

Thurston, Dec. 13.—Work is progressing on the farms, and added to that many new improvements are being made. Mr. Crothers, Mr. Ives and Mr. McMahon are each building a new barn to the value of \$300. Then comes the Howard brothers with a new wagon and buggy, value \$200, and also rebuilt their house with complete rustic finish to the value of \$200 when fully completed. And this is not all. Mr. Birch is building a store and smoke house, adding to his place one more building to the value of \$100, while Mr. Hanson is reducing those large fir trees to cordwood, adding value to the place and furnishing wood to the needy. Mr. Her is building a store and smoke house with a large porch in front, to the value of \$100, and is getting out shingles to cover his new barn, which will come later,

NO TUBERCULOSIS AT MIKKELSON DAIRY

The state veterinarian was in Eugene a few days ago and examined the remainder of the cows of the Mikkelson dairy. He found that no tuberculosis existed among them and the dairy is now free from that disease. The Guard a few days ago printed an item to the effect that the state veterinarian condemned several cows there and they were accordingly killed and burned. When a second examination was made a few days ago the dairy herd was found to be in splendid condition and no traces of the disease were found at all.

Next Sunday Mr. Stevens will preach morning and evening. He has been anxious to commence a series of meetings, but as yet the church has not decided and during this delay the young people, with the teacher, Miss Orwell, have decided to have a time. Mrs. Gaiton and Mrs. Chappell, of Springfield, the the guests of the Howards.

HEMORRHOIDS SORES AND ECZEMA

Accompanied by Terrible Itching—A Complicated and Most Distressing Case—Well-known Remedies Failed to Cure—Doctor Thought an Operation Necessary—Then

CUTICURA PROVED ITS WONDERFUL EFFICACY

"I am now eighty years old and one morning, three years ago, I was taken with a hard pain in my right side. In two days I had an attack of piles (hemorrhoids), bleeding and protruding. The doctor gave me some medicine and an ointment for them which helped me some but I had to keep using them all the time. Then I changed to the P... remedy, but I did not use it every day. I would get worse. The doctor said the only help for me was to go to a hospital and be operated on. At this time, about a year ago, I went to using the S... remedy. I tried them for four or five months but did not get much help for my piles. During this time sores would come on a fleshy part of my body. They bothered me all the time. I would get one healed and another would come. These sores changed to eczema, accompanied by a terrible itching. It seemed as if I could not keep my hands from tearing my flesh. This and the pile trouble brought on an inflamed condition. Then I got the Cuticura Remedies. I washed the affected parts with Cuticura Soap and warm water in the morning, at noon, and at night, then used Cuticura Ointment on the irritated surfaces and injected a quantity of Cuticura Ointment with a Cuticura Suppository. I also took Cuticura Resolvent Pills three times a day. It took a month of this treatment to get me in a fairly healthy state and then I treated myself once a day for three months and, after that, once or twice a week. It is fortunate that I used Cuticura. The treatments I had tried took a lot of money that I would have saved by using Cuticura Remedies sooner, but I am wiser now. I am supplied with a full set of the Cuticura Remedies and would not feel safe without them. J. H. Henderson, Hopkinton, St. Lawrence Co., N. Y., Apr. 26, 1907." Complete External and Internal Treatment for Every Humor of Infants, Children and Adults consists of Cuticura Soap (Use to Cleanse the Skin, Cuticura Ointment (Use to Heal the Sores and Cuticura Resolvent Pills (Use in the form of Chocolate Candy Pills, one every 60 to 90 minutes, until the Cuticura Suppository (Use to Soften the Bowels, and the word "Putter Drug & Chem. Co., Boston, Mass." is on the wrapper. See Cuticura Book on Skin Diseases.

Held Up For Admiration

One of our specialties is the cleaning of Fancy Vests, and, if necessary, the dyeing of them, also. We turn these out in such a style as makes the owner wonder how the transformation has been effected. Remember this when you have a vest that looks soiled and shabby. Our general cleaning and dyeing work is of a high character, and we do the work in record time at "too moderate" prices.
