FRIDAY, DECEMBER 13

SPECIAL ELECTION IN LANE COUNTY

The Guard is going to give the people of Lane county a chance to hold a non-political election in the near future. It will be an eminently fair contest, a fair campaign, a fair count and the fairest candidates in all the world.

WHY FRIDAY AND SATURDAY WERE SKIPPED

Governor Chamberlain was too busy with his peanut politics last Thursday, Friday and Saturday to declare those holidays, and hence there is a fine kettle of fish to boil.

Colonel Watterson gracefully descends the anti-Bryan Democratic editorial ranks by saying: "It is idle to further dispute his (Bryan's) leadership. It is his all will be forgiven; if he loses, may the Lord have mercy upon him."

Eugene banks are doing business now just as if there were no holidays, paying all checks and taking deposits.

The weather clerk seems to have remembered that the citizens are holding a convention this week.

EUGENE PROPERTY WILL GROW VALUABLE

Half street addition property is sure to double in value within the next two years. Two electric railroads are coming up the valley from Portland and both of them must enter the city from the west, and the line that will tap the Stiusau country can not go out in any other direction.

UNIFORM FREIGHT RATES

A sub-committee of the uniform classification commission, organized by the railroads of the United States for the purpose of arranging a universal freight tariff to apply to all the railroads of the country, has met in Washington to determine upon the time and to arrange other details in connection with the meeting of the commission.

PECULIAR PROPERTIES OF NEW MEDICINE

Cooper Preparation Attracts Widespread Attention by Expelling Internal Parasites

The interest created in leading cities during the past year by young Mr. Cooper with his new preparation, is largely accounted for by the peculiar quality possessed by this medicine, which he calls his New Discovery.

Mr. Cooper believes that internal parasites, or tapeworms, are responsible for much ill health, and it is an undoubted fact that his medicine has expelled immense numbers of these creatures in various cities visited by him.

Little Jessie Birdsall, daughter of Mrs. Ida Birdsall, living at 2138 Carroll avenue, Chicago, is among many relieved of a large parasite by Mr. Cooper's preparation during his stay in that city.

According to the legislative sharp this congress is going to be like the business man—you know him, of course—who rushes around on the outside, as though worked half to death, and spends most of his time in his office with his feet on his desk.

"Keep your mouth shut and go home to your wife on time" is a recipe given by an alleged winner to beat the Wall street game.

Eugene banks are doing business now just as if there were no holidays, paying all checks and taking deposits.

The weather clerk seems to have remembered that the citizens are holding a convention this week.
