

LUMBERMEN

FEEL CONFIDENT
OF SUCCESS

The Booth-Kelly Lumber Co. this morning received the following message from Washington, D. C., where the lumber rate case is being heard before the interstate commerce commission: "The testimony in the Eastern rate case was concluded December 19, and March 4, 1938, is the time set for the final argument. The lumbermen feel very confident of the outcome and seem to be satisfied with the showing made. The testimony in the case regarding the California rates, generally known as the \$3.10 rate case, begins today."

NEW APPLICATION
FORM TO BE USED.

United States Commissioner W. W. Calkins has received the following notice:

New forms of applications for Homestead Entry, Soldiers' Additional Homestead Entry, Desert Land Entry, and for Timber or Stone Sworn Statements, Timber or Stone Final Proofs, and Yearly Proof in Desert Land Cases have been adopted, and on and after March 1, 1938, no entries will be allowed in the class of cases above mentioned unless executed upon the new official forms, or upon forms which are exact duplicates thereof, both as to wording, arrangement, and size. Each of said forms is a combination of the several forms and affidavits formerly required to be filed in such cases, and the use thereof will result in a saving of time, labor, and expense to the local land offices, proof-taking offices and claimants.

Last Year's Sales of Hyomel, the Guaranteed Cure for Catarrh, Larger than Ever.

So pronounced is the relief and cure following the use of Hyomel, that it has been publicly recommended by leading druggists and physicians in nearly every state and town in the country, with the result that last year's sales were larger than ever.

The fact that Hyomel is so simple and complete, and that it cures catarrh by breathing medicated air and not taking drugs into the stomach, no doubt has helped to create this widespread and rapidly increasing army of friends.

You do not risk a penny in testing the healing powers of Hyomel, for Hull's Drug Store will sell you a dollar outfit with a distinct guarantee to refund the money if the treatment fails to give satisfaction.
