COUNTY CLERK'S OFFICE MADE MONEY DURING YEAR

The receipts of the county clerk's office during the year 1907 exceeded the expenses of the office by \$2799.38, and the county is just that much ahead as a result. During the year the expenses, including the salary of the clerk, those of his deputies and the stenographers amounted to \$4,945.78, while the receipts were \$7,745.25. It will thus be seen that the clerk's office is a money-maker.

The receipts during the year exceeded those of the previous year by \$187.19, in spite of the dull times during the holidays of October, November and December, when the receipts of the office were far below those during the corresponding months of 1906. The receipts of each month were as follows:

January, \$666.10;	February, \$643.70;	March, \$692.95;	April, \$661.10;
May, \$628.30;	June, \$662.35;	July, \$713.10;	August, \$716.85;
September, \$527.30;	October, \$723.70;	November, \$427.80;	December, \$641.40.

Total, \$7745.25. The total for 1906 was \$7558.06.

TWO EUGENE GROCERY STORES CHANGE HANDS

H. B. DAVIDSON AND ALLEN & SON SELL TO MEN RECENTLY FROM THE EAST

H. B. Davidson has sold his grocery store at the corner of West Eighth and Charnellon streets to W. C. Gibson, who resides at 588 East Thirteenth street, and who with his family moved here several months ago from Kansas. He will take charge of the store some time next week.

Mr. Gibson was formerly in the same business in the East, and no doubt will make a success in Eugene. Mr. Davidson is not yet determined what business he will engage in, but will remain in Eugene.

Allen & Son Sell. G. H. Irish has purchased the grocery store of B. A. Allen & Son at the corner of East Ninth and Oak streets and has taken charge of the business. Mr. Irish is a recent arrival here from Madison, S. D., having come here some time ago for the benefit of the health of his wife and daughter. The climate proved very beneficial to them and they concluded to stay and engage in business. Mr. Allen and son, Barlow, will probably engage in farming.

AMUSEMENTS

A play with an extremely strong and plausible story and attended with a moral of much value is E. J. Carpen's emotional drama, "Why Girls Leave Home," which will be presented for the first time here to-night at the Eugene theatre. The story has to do with a charming young girl who is led away by an unscrupulous man, the charm of "Bomerry-making" is not a bad girl hemian life." She is intensely angry at heart, but is made the head of the by an older brother, who does not understand her nature and tries to do where he should lead. As her cousin, destructively drawing her to marriage through Providence, working for her her selfless brother, shows signs of the gay life and she turns over a new leaf. But at this point the friends made during her 24 hours endeavor to prevent her misbehavior. So far do they go as to misrepresent matters to her brother, that he loses his head and attacks her. The villainous chloroform her and empoison her inanimate body to a road house and represent her as dead. The brother, who has been unprincipled, believes the story and in a fit of remorse is about to destroy himself when, after a thrilling adventure at the road house the abducted Pearl makes her escape and appears at the prison in time to save his life.

The play is elaborately mounted and is interpreted by a cast of exceptionally clever people.

COMMISSIONERS' COURT BEGINS BUSY TERM

The first term of county commissioners' court since the October term convened at the courthouse this forenoon and will probably be in session for nearly two weeks. Besides the great amount of routine business that has accumulated during the months of November and December, when the holidays prevented the convening of court in regular session, there is a great deal of extra work to be done, including the fixing of the tax levy, the appointment of road supervisors, appointment of judges and clerks of the June election, and appointment of trial jurors for the circuit court for the present year.

The remainder of this week will be occupied by the routine business, the other matters will not come before next week.
