## TREASURER

### STEEL MAY BE INDICTED

State Treasurer George Steel will probably be indicted by District Attorney John Manning for turning school fund money over to the Title Guarantee & Trust Company. The officers of the defunct bank will probably also be indicted for using this educational money. This much was intimated today by the district attorney in discussing the pending indictments, which will be filed next Monday morning, says the Telegram.

W. C. Bristol, representing the American Surety Company, which at length the history of the school funds, filed a document in the federal court this afternoon which sets forth at length the history of the school fund and how it was used by the bank officials, who were aware that they had no right to juggle this particular fund. Bristol is endeavoring to recover the amount of money advanced to the state from the wrecked institution, doing this irrespective of the pending negotiations whereby W. M. Ladd is to assume the obligations of the Title Guarantee & Trust Company.

As yet no agreement has been arrived at by Ladd, the district attorney and the depositors' committee. The committee demand that all accounts of \$100 or less be paid within two months and all accounts above \$100 be paid within three years with 4 per cent interest. The demands of the committee are considered preposterous by Ladd and his advisors, and by a large part of the public.

To pay all accounts of \$100 within 60 days means the liquidation of \$110,000 at least. This is a large sum under the existing status of the financial market. It is rumored that the Ladd advisors do not wish to pay more than 3 per cent, and want at least one year in which to pay the \$400 or less accounts. This plan is satisfactory to a large number of the depositors who have been consulted by the committee.

## AMUSEMENTS

"Why Girls Leave Home" was presented at the Eugene theatre last night to a good-sized audience. It is one of Lincoln J. Carter's melodramatic offerings and of its kind was quite the best seen here this season. There was a thrilling climax at the end of each act and the applause in the gallery was indicative of popular approval.

Miss Gloria Dare, who will appear at the Eugene theatre January 8, under the auspices of the Eugene Military band, is highly commended by the newspaper critics. Here are a few extracts from recently published criticisms:

"Gloria Dare, who appeared here in recital last night to a crowded house, is a young artist who will be heard of one of these days. She has the ability, the face, the figure, at the same time possessing a winning way, that would captivate a metropolitan audience as easily as it captivated those in attendance last night. She has one of the neatest singing turns ever seen here and is an artist to her finger tips. Miss Dare possesses a mezzo soprano voice of rare culture, and knows how to use it to advantage. Her songs are well chosen and suit her voice admirably."—Vancouver Herald.

"Miss Gloria Dare, assisted by her local Floradora girls, gave an unusually attractive entertainment last night at the M. E. church. Miss Dare possesses rare ability as an entertainer, while as a director, she is unequalled and unsurpassed."—La Crosse (Wis.) Leader.

"The Central Presbyterian church was packed last night with an appreciative audience to hear Gloria Dare, 'The Rocky Mountain Girl.' Miss Dare possesses the best mezzo soprano voice heard in the twin cities in a long time."—Pioneer Press, St. Paul.

"The heartstrings of every one in the audience were touched last night during the singing by Miss Dare of 'The Ninety and Nine.' At the close one drew a sigh of regret that it was over so soon."—Cameron (Missouri) Sun.

"Mr. Grimes is to be congratulated upon securing such talent for his lecture course as Gloria Dare, 'The Rocky Mountain Girl,' who entertained a large and representative audience last night. She is a woman of refinement, an eloquent of ability, while her voice is full of richness, power and flexibility."—Atchison (Kas.) Globe.

## BAPTISTS HELD THEIR ANNUAL BUSINESS MEETING

The annual meeting of the Baptist church was held last night. The usual large amount of business was transacted; reports from all the church societies were received and splendid progress for the year was shown.

Rev. D. E. Baker and Rev. H. A. Green were appointed missionaries of the Eugene church to labor in the surrounding districts. G. A. Dyson was elected trustee to succeed C. S. Frank, resigned. A. H. Smoak and E. E. DeCon, deacons; Mrs. A. J. Pickard and Mrs. J. M. Howe, deaconesses; W. S. Moon, clerk, and W. P. Boynton treasurer. Frank Neelham was elected Sunday School Superintendent and Mrs. W. P. Boynton president of the Woman's Union.

Reports showed an expenditure of over \$3,600 for the year, and the Eugene church ranks next to the White Temple church in number of baptisms.

All indebtedness of the church property recently so extensively repaired has been met and the papers will be publicly burned Sunday morning.

Larger appropriations than ever were made for the work for 1908 and with 1907 one of the best years in the history of the church, the new year begins with unusually hopeful prospects.

**STANLEYS' HAVE BIG REDUCTION SALE**  
Stanleys, who have conducted a store in Eugene at 612 Willamette street for the past four and one-half years, are to have a tremendous sale, commencing tomorrow morning, as mentioned in the advertising columns of yesterday's Guard.

Owing to changes in the management of the business which will soon be made, this sale is forced upon the firm, and it is not to be classed with January clearance sales that are being generally held. The firm announces that it does not expect to realize the wholesale cost of merchandise during the sale, as one-half of the goods in stock must be turned into cash immediately. A great deal of merchandise will be sold at 10c to 25c on the dollar.

To open the sale they will, tomorrow, hold a grab sale, selling packages at 25 cents each. Each package contains merchandise worth not less than 25 cents, and the greater portion worth 50 cents to \$2, the largest value being a gold watch, which is worth \$20. The total wholesale cost of the articles included in the packages is just double the amount that will be realized from their sale of 25 cents each, or an average of 50 cents per package. Commencing Monday, one package will be given free with each pair of shoes sold.
